**The Age of Dryden** - Richard Garnett 1895

*Sweet Fire* - Elizabeth Pallitto 2006-03-28

Tullia d'Aragona is one of the most renowned women writers from the Italian Renaissance. Given the title the "courtesan poet," Tullia was loved and desired by many. This collection includes fifty-five of Tullia's best poems and a selection of pieces written to her and about her.

Accompanying Tullia's poems is a series of risposte (responsive letters) written by well-known men of her day—including Girolamo Muzio, Benedetto Varchi and Lattanzio Bennucci—who offer poetic tributes to her honor, talent, and wit. In these poetic dialogues, Tullia shows herself a match to her male contemporaries in verbal and intellectual dexterity. In a poem written to Piero Manelli, Tullia argues for a female poet's equal right to fame and literary immortality. In a tribute of gratitude to her muse, friend, and editor—aptly named Muzio—she claims that loving such a talented writer reflects well upon her: "the worth / was yours; but in loving you, the glory mine." Muzio, in turn, writes an introduction to Tullia's dialogue on love, praising the beauty of her mind and the brightness of her soul's "flame," refined by hardship and virtue. The quality of craftsmanship, the originality of thought, and the fiercely proud ambition in these poems set Tullia d'Aragona in a category apart from other women poets of the era. Her wish to be immortalized in print, renowned in her own "eternal lines to time," will be fulfilled through this bilingual edition. Retaining the music of the Italian, these translations bring Tullia's work to life for an English audience.

*The Fiction of History* - Alexander Lyon Macfie 2014-08-13

The Fiction of History sets out a number of themes in the relationship between history and fiction, emphasising the tensions and dilemmas created in this relationship and examining how various writers have dealt with these. In the first part, two chapters discuss the philosophy behind the connection between fiction and history, whether history is fiction, and the distinction between the past and history. Part two goes on to discuss the relationship between history and literature using case studies such as Virginia Woolf and Charles Dickens. Part three looks at television and film (as well as other media) through case studies such as the film *Welcome to Sarajevo* and Soviet and Australian films. Part four considers a particular theme that has prominence in both history and literature, postcolonial studies, focusing on the issues of fictions of nationhood and civilization and the historical novel in postcolonial contexts. Finally, the fifth section comprises two interviews with novelists Penelope Lively and

Adam Thorpe and discusses the ways in which their works explore the nature of history itself.

**Padre Salas** - Enrique Laso 2017-12-29

This is the story of Padre Salas, the most charismatic character from the bestselling novel *Hell Calling*, which dazzled thousands of readers across the globe, and has recently been adapted for cinema by Luis Endera. In this prequel, we discover what caused Padre Salas' flight from Mexico, leading to his taking refuge in Madrid. We will encounter the terrifying cases of multiple possessions of several girls in towns and villages around Guadalajara (Mexico). This is a novel filled with moments of excitement, tension, and no shortage of fear, guaranteed to captivate all those who love the genre. Extract from Chapter 1: The girl had spent the entire night howling. It was a visceral noise, more commonly associated with a wild animal, than the gaunt, virtually emaciated body of a little girl, who was barely ten years old. She lay curled up on a rough bed, which had been thrown together out of lumpy sacks of hay. Her parents, more out of desperation than resentment or fear, had confined her to a shed, which they used mainly for keeping the rain off the farming tools, and for storing a few low-value belongings that they had inherited over the years from different family members. The doctor approached the child with apprehension; she seemed to be sleeping, although her breathing was broken by a constant shaking that was not of human origin. "How many days has she been lying in this state?" "A... a week..." the mother dared to say, certain that she was about to receive an immediate reprimand from the doctor. The doctor heaved a sigh of resignation and, picking up the girl's hand, he tried to measure her pulse. He felt a shiver run down his spine as he noticed that her heart was hardly beating at all... little more than 20 beats per minute! It was completely impossible.

Emily to the hospital, and the tension with the Valle becomes more explosive. Emily suspects the heku have a secret, and will go to any measure to find out what it is. She comes face-to-face with the darker side of the heku and quickly comes to terms with it. An agricultural covenant takes her in and her views of the sinister heku begin to change. Emily's past with Keith comes back to haunt her, and a vile attack shows the Equites how far the Valle and Encala are willing to go to gain possession of the Winchester Heirs. Sam's loyalty comes into question as Emily finds a small niche out in the world with the mortals. Attacks on her become more dangerous, and she finds that the heku may not be as indestructible as she once thought. An ultimatum is placed that could upend the entire species.

**A Gemstone in the Rock** - Donato Placido and Olga Matsyna

2012-05-30

Once Bukowski was asked: "Do you believe in God?" He replied: "No, I believe only in horses. I do not know why we always realize things when it is too late. I've also bet on horses for a period. But, differently from Bukowski whom I respect so much, I quit horses and bet on God. Really, I think it is for this faith that I found myself with my back against the wall. "Against the wall" was the first title I wanted to give to this book. There are a lot of people in the world: tramps, prisoners, all types of emarginated people who are alienated just because, in my opinion, they do not manage to keep pace with a cheering occidental cult of efficiency, to keep up with the rules for which the society, the system did not forgive them. But Christ said: "I came to the world for the ill, not for the sane". Thus, is it really true the last will be the first? Maybe, if, as far as I know, a probable God does not consider things the way people do. Anyway, what I have never understood is: there is a baby born from Gypsies and there is another one born from a rich American family. What is the fault of the first one whose destiny is immediately signed? A mystery! So, "A Gemstone in the Rock", in its essential message, is an invitation to bet on God as it is the only chance we have in our life. It is also an invitation to pray—to pray more often during the day. Even at work. But without putting the entertainment aside: it gives colours to our life. That's why the title is "A Gemstone in the Rock": life is nothing but a precious stone in the rock: you can observe it in its splendour but you cannot take it with your naked hands. As far as the emarginated people are concerned, let us help them bearing in mind that, differently from what the main part of respectable Catholics think, to help them is not at all a walk of pleasure. I say it with a poem: "How much pain I get for a kiss to a poor wretch!" "This book has got a particular: it is like a human being in the course of his life with it's high and low moments between faith and total loss of courage". P.S. As far as my poem "Now" ("Faith") is concerned, for a question of a dramaturgic effect I left the sequence of the passion events according to my poetic license". Have a good time reading! Sincerely, Donato Placido This book was born as a synthesis of our writings, our thoughts and vision of the world. I made Donato's acquaintance while he was focused on hypotheses of a staged version of a Pirandello's play. His poetry published and appreciated in Italy, inspired me. I proposed to him being published abroad. I read Donato's material thoroughly and put it in a sequence (I would rather say I had to cut it like a movie: his writings evoke movie-like images). This book owes to me its structure, order and some chapters: trilogy "Loneliness of Light" I wrote on the basis of apocryphal Gospels found in the Dead Sea in 2004, in particular, Judas' and Magdalene's Gospels. However, the dialogue between Judas and Magdalene (staged in 2006 in Moscow at an international festival of directing plays) and Magdalene's monologue are of pure intuition (or, if we prefer so, of artistic invention). Other book parts of which I am the author are: the dialogue "Puppets of freedom" inspired by "Danton's Death" by Georg Büchner, extracts from *Disillusions* (money, power, female love), extracts from *Absence and silence* ("The end of the world", "Silence, loneliness and . . ."), the whole chapter of "Encounter" (which is Donato's novel of the same name I put

in a nutshell and in blank verse) and my poem on a true love, "Till the darkness". In a human life everyone passes from happiness to despair, from the idea of God dissolved in everything to the idea of his absence, one stakes on the material goods accumulation, on power, on love, even on the idea of freedom—but then one notices all these concepts are only illusions, just glimpses

**The Doge and Other Stories** - Duilio Chiarle 2012-03-07

"...If history was made by the victims / it would be / a time made by minutes / of incessant and springing up ants / yet one by an intent to be..." so the great poet Alfonso Gatto wrote. History is made by so many little men and gestures. In "The Doge and other stories" they are gathered some little gestures that have changed the course of the history, extraordinary stories seen in their humanity. So, besides the great characters as a not specified Doge, the philosopher Blossio, Annibale Barca, Paolo Diacono, Muzio Scevola, Grajano d'Asti, Tiberius and Caius Gracchus, Nero, Maria Antonietta also little and ignored characters find a place: the killer who murdered Richard Coeur de Lion, an Ensi Sumero, a jailbird, a Mayor of the XIX century, a canter of the Middle Ages, the ghost of the Connacht, the companion-in-arms of Pietro Micca (who died for saving Turin in 1706). Here it is the essence of the history: a whole life crushed by the destiny, endless and small things in the hands of God.

*Twentieth-Century Poetic Translation* - Daniela Caselli 2008-07-01

Twentieth Century Poetic Translation analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical, cultural and theoretical perspectives. Focusing on specific case studies within the Italian, English and North American literary communities, spanning from 'authoritative' translations of poets by poets to the role of dialect poetry and anthologies of poetry, the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons. It brings together leading scholars in the history of the Italian language, literary historians and translators, specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century.

*The Last Vispo Anthology* - Crag Hill 2012-11-03

This book collects experimental "visual poetry." With The Last Vispo Anthology, Fantagraphics spotlights the intersection of art and language in this innovative new collection — without peer in English — that

gathers the work of visual poets from around the world into one stunning volume. The alphabet is turned on its head and inside-out and the results culminate in a compilation of daring and surprising verbo-visual gems. The Last Vispo is composed of visual poetry (a portmanteau of the words "visual" and "poetry") from the years 1998 to 2008, during a burst of creative activity fueled by file sharing and e-mail, which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another. The collection extends the dialectic between art and literature that began with ancient "shaped text," medieval pattern poetry, and dada typography, pushing past the concrete poetics of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation. Rather than settle into predictable, unchallenged patterns, this vibrant poetry seizes new tools to expand the body of work that inhabits the borderlands of visual art and poetic language. The Last Vispo features 148 contributors from 23 countries on five continents. It includes 12 essays that illuminate the abundant history and the state of vispo today. The anthology offers a broad amalgam of long-time practitioners and poets new to visual poetry over the last decade, underscoring the longevity and the continued vitality of the art form.

**Planets on Tables** - Bonnie Costello 2008

"By exploring literary works of still life by Wallace Stevens, William Carlos Williams, Elizabeth Bishop, and Richard Wilbur - as well as the art of Joseph Cornell - the eminent critic Bonnie Costello considers how exchanges between the arts help to establish vital thresholds between the personal and public realms. In her view, Stevens and Williams bring the turmoil of history into their struggle for local aesthetic order; Bishop "studies history" in the intimate objects and arrangements she finds in her travels; Cornell, an artist inspired by poetry and loved by poets, links his dream boxes to contemporary events; and Richard Wilbur seeks to mend a broken postwar world within the hospitable spheres of art and home.

Poets of the Italian Diaspora - Luigi Bonaffini 2014

In the century between 1870 and 1970, about twenty-seven million migrants left Italy to work and live abroad. As a result, the worldwide Italian diaspora reportedly numbers more than sixty million people. Until now, however, there has not been an anthology devoted to the literature of the Italian diaspora that places it in a global context. This landmark volume presents a truly international selection of works by more than seventy Italian-language poets who are writing in countries from Australia to Venezuela. Their poetry is collected here into eleven geographical regions. The history and current state of Italian-language poetry in each region receives a critical overview by a knowledgeable scholar, who also introduces each poet and provides a bibliography of his or her work. All poems appear on facing pages in both Italian and English. Poets of the Italian Diaspora is part of a long-range project, by the editors and contributors, to expand the boundaries of the Italian literary canon.

Myka the Goddess Witch - Vianka Van Bokkem 2014-11-06

When the father of all gods Zeus discovered his beloved daughter Athena was pregnant with Apollo's baby, he ordered all gods and goddesses to keep it a secret because he wanted all mortals to believe Athena was an eternal virgin. The moment I was born Zeus gave me away to a loyal mortal 'witch' named Maia which means 'nursing mother'. My father Apollo had to have a special magic spell done by Maia because he was the god of truth who can't speak a lie. Zeus also asked Maia to cast a spell on my mother so she would not fight him when he gave me away. Maia lived in Mykonos, Greece and decided to name me 'Myka'. She was careful to cast the biggest magic spell on me. I was going to be a mortal girl until the day of my eighteen - birthday.
