Afterlife - Marcel Westerlund 2015-04-23

Many in the scientific community shun life after death, considering such experiences impossible. Marcel Westerlund is the exception. The Swedish psychiatrist, not only uses hypnotherapy to treat people's mental illnesses- he uses it to explore their afterlives as well. Despite being a highly controversial approach, his use of hypnotherapy results in some fascinating stories...and is even integrated directly into the sciences. Travel back with a patient as she recounts being a Queen of Egypt. Discover how a man finds his own grave, finally allowing him to connect with his spiritual existence and find healing. Read account after account of people who come to grips with their past lives, and use these experiences to find happiness in this life. Pills may curb depression, but Westerlund discovers that delving into people's past lives provides a healing force that he could never accomplish through regular medicine. He talks candidly about his job as a healer, as well as the importance of the spirit in mental recovery. Journey into the soul and learn, not only about the existence of past lives, but the science behind it.

The Lost Pillars of Enoch - Tobias Churton 2020-12-29

Explores the unified science-religion of early humanity and the impact of Hermetic philosophy on religion and spirituality • Investigates the

Jewish and Egyptian origins of Josephus's famous story that Seth's descendants inscribed knowledge on two pillars to save it from global catastrophe • Reveals how this original knowledge has influenced civilization through Hermetic, Gnostic, Kabbalistic, Masonic, Hindu, and Islamic mystical knowledge • Examines how "Enoch's Pillars" relate to the origins of Hermeticism, Freemasonry, Newtonian science, William Blake, and Theosophy Esoteric tradition has long maintained that at the dawn of human civilization there existed a unified science-religion, a spiritual grasp of the universe and our place in it. The biblical Enoch--also known as Hermes Trismegistus, Thoth, or Idris--was seen as the guardian of this sacred knowledge, which was inscribed on pillars known as Enoch's or Seth's pillars. Examining the idea of the lost pillars of pure knowledge, the sacred science behind Hermetic philosophy, Tobias Churton investigates the controversial Jewish and Egyptian origins of Josephus's famous story that Seth's descendants inscribed knowledge on two pillars to save it from global catastrophe. He traces the fragments of this sacred knowledge as it descended through the ages into initiated circles, influencing civilization through Hermetic, Gnostic, Kabbalistic, Masonic, Hindu, and Islamic mystical knowledge. He follows the path of the pillars' fragments through Egyptian alchemy and the Gnostic Sethites, the Kabbalah,

and medieval mystic Ramon Llull. He explores the arrival of the Hermetic manuscripts in Renaissance Florence, the philosophy of Copernicus, Pico della Mirandola, Giordano Bruno, and the origins of Freemasonry, including the “revival” of Enoch in Masonry’s Scottish Rite. He reveals the centrality of primal knowledge to Isaac Newton, William Stukeley, John Dee, and William Blake, resurfacing as the tradition of Martinism, Theosophy, and Thelema. Churton also unravels what Josephus meant when he asserted one Sethite pillar still stood in the “Seiriadic” land: land of Sirius worshippers. Showing how the lost pillars stand as a twenty-first century symbol for reattaining our heritage, Churton ultimately reveals how the esoteric strands of all religions unite in a gnosis that could offer a basis for reuniting religion and science.

The Holiest of the Holies (THOTH), the Last Testament - Maitreya (Joseph Emmanuel)
2013-06-20

For thousands of years humanity has longed for a truth, revelation, or knowledge that explains the unity of God behind all mystical experiences, previous revelations, and religions of the world, and the truth behind the universe (science). There have been mystical explanations of God from those claiming they have experienced the truth by direct contact with Spirit. There are also those who have founded great religions of the world. However, a great confusion still reigns among spiritualists, religions of the world, and the many different branches within each religion. If you study this Book carefully, with a sincere mind and an Open Heart, it will be revealed to you that the major religions on earth are not contradictory and separated at all. In fact they are complementary and were sent to earth systematically by One God. When this is understood, the Path to Salvation (Eternal Divine Path) is known! This book is the main writing of Maitreya of the Mission of Maitreya:

Making Contact - Alan Steinfeld 2021-05-04

"I feel it is one of the best approaches I have found to grasp the most jarring enigma humanity has ever faced." —George Noory, host of Coast to Coast AM "We cannot separate the earth from its greater cosmic environment. What is needed is a new story and Alan Steinfeld's Making Contact is part of that story." —Deepak Chopra, Author, Total Meditation How can we prepare for an event that is literally beyond anything humanity has ever faced? Making Contact presents multiple perspectives on what no longer can be denied: UFOs and their occupants are visiting our world. The book answers questions which remain in the wake of the recent Pentagon's disclosures as to who and why these beings are here. The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of Communion, Professor John E. Mack, former head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the New Human about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the "new realities of extraterrestrial existence." At this critical juncture in the government's official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling revelations or the outpouring of sightings and "contact" experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the

“preparation” of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.

My Stairway to Subud - Anthony Bright-Paul 2006-04-01

What are we living for? What is the purpose of Life? These questions arose in the mind of a 14-year-old schoolboy at a boarding school in wartime Britain. In pursuit of answers he entered a stairway that lead him to the Quakers, then to the Vedanta philosophy, then on to P.D. Ouspensky and the teachings of G.I.Gurdjieff. By chance he found John Godolphin Bennett, one of the leading exponents of Gurdjieff's 'system', as it was known, and studied for 7 years at the Institute for the Comparative Study of History, Philosophy and the Sciences. Finally in 1957 Subud arrived in England with the arrival of Pak Subuh and his entourage. This book contains a dramatic account of the author's first resistance to this movement, and then an about turn with accounts of changes of consciousness.

Knowledge is one thing and belongs to the world of Science. But Consciousness is something other. And Will belongs in yet another dimension. Can man ever become free from the power of the Satanic forces?

The Sealed Portion - The Final Testament of Jesus Christ - Christopher Na 2005-04

The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed. The angel Moroni commanded him not to break the seals, but to translate only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed them to several others. These men gave their personal testimony as witnesses to the existence of the plates and to the truthfulness of the Book of Mormon. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate the plates, and none has made claim that he has received the exact same gold plates that were in Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and continues through until the end of the

millennium, when the earth will be restored to a state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbolism of the book of Revelation. He recounts the prophets Ubaid, Zarathustra, Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the translation of the sealed portion, the first part of the gold plates that was translated by Joseph Smith, Jr. and subsequently lost by his scribe, Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is led from blindness into the light as he or she discovers the truths written within these pages.

[The Enoch-Metatron Tradition](#) - Andrei A. Orlov 2005

Andrei A. Orlov examines the tradition about the seventh antediluvian patriarch Enoch, tracing its development from its roots in the Mesopotamian lore to the Second Temple apocalyptic texts and later rabbinic and Hekhalot materials where Enoch is often identified as the supreme angel Metatron. The first part of the book explores the imagery of the celestial roles and titles of the seventh antediluvian hero in Mesopotamian, Enochic and Hekhalot materials. The analysis of the celestial roles and titles shows that the transition from the figure of patriarch Enoch to the figure of angel Metatron occurred already in the Second Temple Enochic materials, namely, in 2 (Slavonic) Enoch, a Jewish work, traditionally dated to the first century CE. The second part of the book demonstrates that mediatorial polemics with the traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from Enoch to Metatron in the Second Temple period.

The Third Testament-Spirit of Truth - T. R. Ross
2005-03-08

Did I not promise, that all knowledge would be restored to its original truth? Christ's prophecy has been fulfilled. The following words have become absolute reality: "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth is come, he will guide you into all truth." (John 16, 12-13). This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding. Since ancient times I have entrusted to you my teachings, through my envoys, my emissaries, my interpreters, and you have used it to create myths and traditions. But you will not fulfill your purpose unless you meditate and study this lesson with respect and love. Truly I say to you that he who meditates and analyzes the teachings of my Book, with a true desire to elevate his knowledge, will acquire the light for his spirit and he will feel Me nearer to him.

The Gospel of Wealth and Other Timely Essays - Andrew Carnegie 1901

Teachings of Presidents of the Church: Brigham Young - The Church of Jesus Christ of Latter-day Saints 2000

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater

understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Which Way? - Lidia Stanton 2017-07-07

For page samples, follow the link: <https://books.lidiastanton.com/whichway> This colourful and highly engaging resource is written for children as young as 4-5 years old but also those in Key Stage 2 of primary school (up to 9 years old) who continue to feel confused by letter and digit shapes. The latter group might become so discouraged that they avoid writing, or write very little, despite having great imaginations. They start doubting their ability to simply 'know' the correct way when writing b/d, p/q, p/g, 9/g, 6/9, s/z, 5/S, S/3, etc. Most teachers and parents are very good at playing down the

reversals and encouraging the child to have another go. They say, "It's fine, it's still good writing. I love what you've written here." Yet, after so many attempts and after so many teacher corrections on the page, the child begins to think, "This writing game might not be for me after all". Those with dyslexia will have additional phonological difficulties to manage alongside poor memory for graphic shapes. This workbook is for children who can trace well at speed, thus appear to have developed adequate motor memory in their fingers, yet struggle to remember 'which way' to write the letter or digit. It is very likely that they will be ready to integrate this type of linear visual-spatial information at a later time. For now, they have no real-life representation, or model, of a handful of graphic shapes in their brains, and this, in turn, can affect their confidence in writing independently. This resource offers practical and long-term 'tricks' that will trigger the child's memory at the right moment. It adopts a complementary approach to traditional letter formation teaching to bridge the gap between children who are proficient graphic writers and those whose brains make different sense of graphic information. Many children with dyslexia and dysgraphia will particularly benefit from completing the workbook. How to use the resource The child doesn't need to work through the entire book. Choose sections that are relevant to their needs. Younger children (aged 4-6) will almost certainly need assistance when working with the resource, although older ones will no doubt choose to work independently, showing their practised strategies and completed activities to teachers and parents. It is recommended that section 7 (Use your whole body) is attempted with the help of an older helper or adult. There are more than one method to help distinguish between b/d/p and s/z in this workbook. Introduce the child to only one method at a time, evaluate the child's progress, and decide whether there is a need to move on to the next one. Some children are more practical than visual - the 'Use your hands' strategy might be sufficient for them. Other children might enjoy more visual strategies in sections 4, 5 and 6. In my experience, section 7 (Use your whole body) works well with children who need to

'experience' concepts in a multi-sensory manner. Pay attention to the child's initial response to a particular method. It will guide you along. You can mix and match strategies. Some children don't confuse b/d as much but struggle with p/9. Some activities can be completed independently of the section the child is currently working through. For example, Activity 7 can be attempted after completing the 'Use your hands' section. Flick through the book to decide which activities appear to be suitable to the child's current progress.

Gold in Havilah - Jean Hoefling 2017-06-06

"Author Hoefling (Journey to God, 2010) seamlessly combines her extraordinary mastery of early biblical tales with a spirit of inventive creativity, weaving a story that both embellishes but also preserves the original story... a gripping account that only deepens an inherited tale about the birth of mankind and about good and evil." -Kirkus Reviews Akliah, a daughter of Adam and Eve, has grown up at the foot of the holy mountain where the Garden of Eden lies. She and her siblings know well the story of their parents fall from innocence and their banishment from Eden. And they know the prophecy, that their privileged brother, Cain, will soon crush the head of the ancient serpent who tempted their parents there. Fiercely in love with Cain, Akliah is determined to become his wife. But her schemes are shattered when Cain kills his brother, Abel, and abducts her to a barren land east of Eden where she grieves her mistakes and Cain spirals into ever-deepening

tiers of delusion through his bondage to a beautiful fallen angel. When she finally meets a man who offers a chance for love and redemption, Akliah is torn between an honest confession of her past and her longing to be admired. Against the backdrop of life in a city dedicated to dark powers, Akliah must finally make the choice to restore her integrity, or die trying.

The Book of Enoch - 1925

The Flat Earth as Key to Decrypt the Book of Enoch - Zen Garcia 2015-09-26

Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as the motion of the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

Return of the Children of Light - Judith Bluestone Polich 2001-08-01

A personal exploration of the conjunction between ancient Mesoamerican prophesy and New Age higher consciousness. • Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year. •

Explores ancient prophesies and their relevance in the contemporary world. The Incan and Mayan cultures saw themselves as "children of light"--descended from celestial realms--and their prophecies foretell a time of great spiritual awakening. They prophesied a time when the gateways to higher consciousness would open once again. That time is now. Award-winning author Judith Bluestone Polich draws on her extensive research in quantum physics, archeoastronomy, holography, cosmology, and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming, meditations, and the power of sacred sites.

God's Supernatural Power in You - Frank A. DeCenso 2009-05-28

The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth. The need for demonstrations of Gods powerful love, exhibited through His church, will demolish strongholds of unbelief and relativism, as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared, but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today, the entire church needs mentored in how to bring Gods word to the world in power. This book is a prophetic call to engage te mission of bringing God's radical love to this hurting world through power ministry.

Prayers by a Prisoner - Aubrey Lee Price 2017-05-08

As disappointing and difficult as your incarceration may be, there is always hope and a

spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you at your point of need. This book will help you discover that the God of all comfort is near to the brokenhearted and discouraged. God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extra ordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am

always asking God to make the necessary changes that He knows I need to implement in order for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, Hope Is Not My Enemy, which details my life story and the failure of my securities business and MBT Bank.
