Family Destruction - Tyron Hayes 2017-08-03

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own greatness!If not, the very future of our children, and our children's, children's lives will one day depend on it...

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in

facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. Lord of Fire - Charlene Hartnady 2020-05-27

A fast-paced, action packed adventure, by USA Today Bestselling author Charlene Hartnady. We can't help who we are. Some things are preordained. I was born half god and half dragon shifter. We call ourselves the dragon demigods. Mortal, powerful, arrogant as sh!t. Being a dragon demigod has definite perks. Perks we have to be very careful about using, since the humans don't know about our existence. We're able to shift into dragon form. We have unique powers. Lastly, we're attractive to the human race. Handy, since we live among them. Unlike others of my kind, I inherited one of those traits. Only one. Thing is, I'm

okay with that. More than okay. I'm talented at what I do. I own my own custom workshop. I like to get my hands dirty. There is only one rule at my place of business. I never deal directly with the clients. I'm a moody bastard. A loner. Happiest when under the hood of a car. I never once broke my rule, until the day she walked into my shop. How could he have done this? I should be sad. I should be grieving but I'm not. All I can feel is angry. My brother killed himself because he owed a lot of money to the worst kind of people and now, they're after me. They want payment one way or another. For the last couple of weeks, all I've done is exist.

Running from one place to the next. These murderous gangsters are right on my tail. They're slowly catching up to me. It won't be long and they'll have me. Just when I think it can't get any worse, my car breaks down. That's when I meet him. A beast of a man. He's rude. He's conceited. He might be exactly what I need to get out of this mess. No cheating! Contains hot alpha males and therefore strong sexual themes/language.

In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. Onyx Dragon - Terry Bolryder 2016-07-31

Isaac Morningstar III, or Zach to the few who know him, has hit rock bottom. Once an immortal, nearly-invincible dragon from Medieval times, he's been awakened only to have his powers and his treasure locked away until he can prove himself to be trustworthy and a protector of humans. Since he has never liked humans, Zach is pretty sure he's going to end up back on ice. That is, until he meets sweet, curvy Erin, a human

hairdresser who might just be his mate. Erin has a pretty routine life, but that ends when a tall, gorgeous man appears out of nowhere, claiming to be an ancient dragon with immeasurable power who wants her as his mate. She doesn't know whether to laugh or run for the hills. But when the mysterious stranger saves her life and needs her help she can't just turn away. Still, the closer she gets to Zach, the more she realizes there may just be something truly magical about him. As well as something dangerous. But as the forces around them close in, Zach is quickly realizing that the darkness lurking inside him may be greater than he anticipated. And the beast within may not be the only thing they have need to fear. Warning: contains ferocious dragons, fearsome fights, fiery love scenes and a fiercely cute three-legged kitten that will steal your heart. Lord of Life - Charlene Hartnady 2020-07-18

Book 4 in this exciting new world. If you like dragons and egotistical, super-sexy demigods, then this is the series for you. I never knew how much I relied on my power until it was gone. Stolen from me. I made a stupid mistake. I spent the night with a woman who was a stranger to me. One-night stands are generally not my thing. I am sure she was the one who took what was mine. My power. There is no other logical explanation. Now I can't find her. Every lead goes up in smoke. It's like she never existed. I am on the verge of giving up when a stranger approaches me. She claims to know where the mystery woman is. My name is Morgan. We know about them. About the creatures among us posing as humans. Some are good. Most need exterminating. I run into Dr. Lyre Jennings while on the trail of one such creature. One thing I know for sure is that he isn't human. I have no idea what he is. Not yet. My mission is to find out...and to take decisive action if required. Lyre is a heart surgeon. All of his intentions seem honorable. On paper, he's perfect - right down to his brooding good looks. I know from experience that looks can be deceiving. I need to ignore my growing attraction to him so that I can get to the bottom of this whole situation. My best friend's life is on the line. No cheating! Contains hot alpha males and therefore strong sexual themes/language.
