Punk 57 - Penelope Douglas
2016-10-18
From New York Times
Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a

different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the

greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone

New Adult romance. It is suitable for ages 18+.

Baby Maker - M. L. Broome
2021-06-13

Baby Maker is part of Cocky Hero Club, based on British Bedmate by Vi Keeland and Penelope Ward. Calliope: I believe in love. Or I did until my husband died. Now, I believe in surviving this world without him. I have a plan mapped out for the rest of my life, and it doesn't involve a man. I've been down that road, and I'm not willing to risk my heart again. Not even for the devastatingly handsome and charming Dr. Keegan Russo, who also happens to be one hell of a kisser. My head has plans, but what happens when my heart can't say no? Keegan: Hot as hell sex with no strings attached. That's my credo. It works, too, until she walks into my office. Calliope. A young widow with totally different priorities than me. There's no future for us, but I can't stay away, either. For the first time, I want something complicated and messy, and I want it with her. But that means breaking the promise I made her on the

day we met.

Can you change your eating habits and use a holistic nutrition strategy to improve your fertility and health during pregnancy? Yes! For most couples, conception and a healthy pregnancy often take planning, timing, and a lot of patience, even for the most fertile. infertility. In *Baby Maker*, Barbara Rodgers shares science-based research and facts that clearly describe the critical role nutrition can play on fertility, the growth of a fetus, and even genetic synthesis in a newborn baby. *Baby Maker* offers comprehensive options and a step-by-step plan for improving fertility (for men and women), strengthening the ability of a pregnant mom to carry to term, as well as a plan to support a mother's health during pregnancy. Dear Killer - Katherine Ewell
2014-04-01

Full of "can't look away" moments, Dear Killer is a psychological thriller perfect for fans of gritty realistic fiction such as Dan Wells's *I Am Not a Serial Killer* and Jay Asher's *Thirteen Reasons Why*, as well as television's *Dexter*. Rule One—Nothing is right, nothing is wrong. Kit looks like your average seventeen-year-old high school student, but she has a secret—she's London's notorious "Perfect Killer." She chooses who to murder based on letters left in a secret mailbox, and she's good—no, perfect—at what she does. Her moral nihilism—the fact that she doesn't believe in right and wrong—makes being a serial killer a whole lot easier

. . . until she breaks her own rules by befriending someone she's supposed to murder, as well as the detective in charge of the Perfect Killer case. As New York Times bestselling author of the *Gone* series Michael Grant says, *Dear Killer* is "shocking, mesmerizing, and very smart."

BABIES FOR 3 BROTHERS

Baby Maker (a Real Man, 17) -

Jenika Snow 2018-05-28

TEX There was only one
woman I wanted, and I'd been
secretly lusting after her for
years. My sister's friend. That
first time I saw Calissa was like
a right hook to the face, taking

me down until there was
nothing left. She was my world.

She's too young for me, too
innocent, but that won't stop
me from making her mine.
There's no stopping it, no
controlling this possessive,
primal need to claim her. I'd
have Calissa no matter what,
as my woman, my wife ... with
my baby inside of her.

CALISSA It was a forbidden
desire to want your best
friend's older brother, but it
was my reality. Tex was big
and strong and a successful
owner of a security company.
He was definitely all man. I'd
thought he'd never see me as
anything more than his sister's
friend. How wrong I was. No
more longing gazes or
fantasies that we were
together. He knew what he
wanted out of life and
apparently that was me ...
pregnant with his child.

Warning: This hero really
knows what he wants and
that's the heroine and getting
her knocked up! But no
worryes, this story is still sweet-
even if it is filthy-and you still
get that Happily Ever After.

Deacon Hunter is domineering. Condescending. Infuriating. And yet I can't seem to keep my panties on for five minutes when we're alone together. He keeps melting them right off. Surely there's no harm in being enemies with benefits... Right? *** When Violet Boden asks me to take her Divorce Virginity, the only thing I can think is—come again? No, seriously, come again. And again and again, until both of us are so satisfied we can't remember

the people who did us wrong.

Best if we keep conversation to a minimum, though, considering I drive her crazy.

She drives me crazy sometimes, too. But she's also sweet, loyal, fearless, and so much fun she's making it damn hard not to fall for her. But how to convince a woman who's put me in the emotional no-fly zone that I deserve a place in her heart? As well as in her panties... KEYWORDS:

Doctor Babymaker - Madison Faye 2018-01-20

The doctor is in. Every inch of him... I'm the youngest, brightest, and most hotshot medical director the fertility clinic's ever seen. Nothing gets between me and my job, until Ada Chase walks in. I'm not supposed to touch her, at least, not in the way I want to. She's off limits in so many ways. Too rich. Too innocent. Too never-been-touched. ...Too much my patient. The sheltered young heiress is in my office so her rich, sh*tty family can see if she's capable of bearing children. And I'm supposed to examine her - every inch of her sweet, tempting body - to check. But I've wanted her since the instant I laid eyes on her, and now I'm obsessed, possessed, and driven like I've never been before. First, I'm going to make her beg. Second, I'll make her mine. And third?

Well, third is the best part. Third is me putting a baby in that soft young belly. And after that, I'll steal her away from all of this. F**k the medical code of conduct, forget professionalism, and d*mn the consequences. Oh, Ada can bear children alright. ...so long as they're mine. I know what you're thinking - this sounds like dirty, filthy doctor-fantasy smut. And if you're thinking that, the good news is, you're entirely correct ;). This book is hot and heavy insta-love and lust at it's finest, with a dominant alpha hero completely obsessed with claiming and making babies with his untouched heroine. Safe, no cheating, and a HEA guaranteed. The doctor will see you take you now...

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns'

wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?
