Talking to the Dead - Harry Bingham 2012-09-25

A mesmerizing and thrilling novel—perfect for fans of Tana French and Stieg Larsson—that introduces a modern, unforgettable rookie cop whose past is as fascinating and as deadly as the crimes she investigates. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Boston Globe • The Seattle Times SHE KNOWS WHAT IT'S LIKE. . . . At first, the murder scene appears sad, but not unusual: a young woman undone by drugs and prostitution, her six-year-old daughter dead alongside her. But then detectives find a strange piece of evidence in the squalid house: the platinum credit card of a very wealthy—and long dead—steel tycoon. What is a heroin-addicted hooker doing with the credit card of a well-known and powerful man who died months ago? This is the question that the most junior member of the investigative team, Detective Constable Fiona Griffiths, is assigned to answer. But D.C. Griffiths is no ordinary cop. She's earned a reputation at police headquarters in Cardiff, Wales, for being odd, for not picking up on social cues, for being a little overintense. And there's that gap in her past, the two-year hiatus that everyone assumes was a breakdown. But Fiona is a crack investigator, quick and intuitive. She is immediately drawn to the crime scene, and to the tragic face of the six-year-old girl, who she is certain has something to tell her . . . something that will break the case wide open. Ignoring orders and protocol, Fiona begins to explore far beyond the rich man's credit card and into the secrets of her seaside city. And when she uncovers another dead prostitute, Fiona knows that she's only begun to scratch the surface of a dark world of crime and murder. But the deeper she digs, the more danger she risks—not just from criminals and killers but from her own past . . . and the abyss that threatens to pull her back at any time. **BONUS:** This edition includes an excerpt from Harry Bingham's *Love Story*, with Murders. Praise for *Talking to the Dead* "Gritty, compelling . . . a procedural unlike any other you are likely to read this year."—USA Today "With Detective Constable Fiona 'Fi' Griffiths, Harry Bingham . . . finds a sweet spot in crime fiction . . . think Stieg Larsson's *Lisbeth Salander* . . . Denise Mina's 'Paddy' Meehan [or] Lee Child's *Jack Reacher*. . . . The writing is terrific."—The Boston Globe "The mystery-thriller genre is already so staffed with masterminds that it's hard to make room for another. But along comes a book like *Talking to the Dead*, and suddenly an unadvertised opening is filled. . . . [This] has the feel of something fresh and compelling."—New York Daily News "A stunner with precision plotting, an unusual setting, and a deeply complex protagonist . . . We have the welcome promise of more books to come about Griffiths."—The Seattle Times "Recommended highly . . . [a] riveting procedural thriller."—Library Journal (starred review)

Fairy Tales by Grimm Brothers (Annotated & Illustrated) - Wilhelm Grimm 2019-10-04

Original Disney Stories Are they really that different from the ones on the movies? Yes, They are. Want an idea of how dark the original Disney stories are? Here's a taste... Rapunzel got pregnant and had twins. Just saying. If you want Scary Disney stories... this book is for you. If you want to read Disney variations... this book is for you. If you want to know the origin of all these stories... you know. This book is a collection of stories from the Brothers Grimm, which are the actual authors of some of the most beloved Disney stories and other well-known folk stories. They compiled all these stories through years of research, to preserve these pieces of the german culture for future generations. Inside you will find the original stories of Snowwhite, Rapunzel, Rumpelstiltskin, Little red riding-hood, Hanzel & Gretel, just to say a few. But these are not like the beautiful stories Disney made you fall in love with. The original stories are raw, dark, and some may even be taken as horror stories. Which makes them great for readers like you, tired of those happily ever after. These stories were created to leave a piece of moral knowledge to the reader. Although not doing so in the most child-friendly way. Which is way more fun!

The House of Bernarda Alba is Lorca's last and possibly finest play, completed shortly before he was murdered by Nationalist sympathisers at the outbreak of the Spanish Civil War. Letters to Poseidon - Cees Nootboom 2016-01-05

It is said that during his abortive campaign to invade Britannia, the infamous Roman emperor Caligula ordered his legions into the surf to attack Poseidon and claim seashells as trophies of war. Cees Nootboom is considerably more thoughtful in his relationship with the god of the sea. As autumn falls each year, Nootboom writes Poseidon a letter requesting permission to return to his home in Minorca the following spring. Of course, it would be the height of discourtesy if Nootboom's letters were no more than a series of demands. So Cees takes the opportunity to seek the wisdom of the trident-wielding deity, and to offer the god updates about his own life and thoughts. At once playful and poignant, beautiful and at times slightly bizarre, this masterful exploration of humankind's relationship with the sea uses the minutiae of everyday life to illuminate the broadest questions of human existence, all couched in the lapidary prose of one of Europe's outstanding stylists.
