**Foundation** - Isaac Asimov 2004-06-01

The first novel in Isaac Asimov's classic science-fiction masterpiece, the Foundation series THE EPIC SAGA THAT INSPIRED THE APPLE TV+ SERIES FOUNDATION, NOW STREAMING • Nominated as one of America's best-loved novels by PBS's The Great American Read For twelve thousand years the Galactic Empire has ruled supreme. Now it is dying. But only Hari Seldon, creator of the revolutionary science of psychohistory, can see into the future—to a dark age of ignorance, barbarism, and warfare that will last thirty thousand years. To preserve knowledge and save humankind, Seldon gathers the best minds in the Empire—both scientists and scholars—and brings them to a bleak planet at the edge of the galaxy to serve as a beacon of hope for future generations. He calls his sanctuary the Foundation. The Foundation novels of Isaac Asimov are among the most influential in the history of science fiction, celebrated for their unique blend of breathtaking action, daring ideas, and extensive worldbuilding. In Foundation, Asimov has written a timely and timeless novel of the best—and worst—that lies in humanity, and the power of even a few courageous souls to shine a light in a universe of darkness.

*Beyond the Blue Event Horizon* - Frederik Pohl 2013-11-12

Frederik Pohl was on a streak when this Hugo Award-finalist novel was published in 1980. Now back in print after an absence of nearly a

decade, this unique science fiction novel is as fresh and entertaining as ever. The story begins when the hero of Gateway finances an expedition to a distant alien spaceship that may end famine forever. On the ship, the explorers find a human boy, and evidence that reveals a powerful alien civilization is thriving on a transport ship headed right for Earth.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Forever War* - Joe Haldeman 1975

"Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.

*The Lost Star Gate* - Vaughn Heppner 2018-11

We barely recovered from the first Swarm invasion. Now, the bugs have become methodical, sending science fleets to study us. Back home, the Hive Masters are gathering hundreds of thousands of starships to hit us with an avalanche invasion. This time, not even exploding stars will stop them. The egocentric but brilliant Professor Ludendorff, who has a bitter grudge against Captain Maddox, claims he has a plan to outmaneuver the Swarm. But he's not going to tell Star Watch unless Brigadier Mary O'Hara—one of Maddox's closest friends—comes alone to listen in person. In desperation and knowing that Methuselah Man Ludendorff often has fantastic plans, O'Hara goes, and thus begins a chain-reaction

of events that will embroil Maddox and the crew of Victory in a harrowing mission into the Great Beyond. They must risk everything at a Builder star gate if they hope to stave off the annihilating Swarm fleets from reaching Human Space and killing everyone. THE LOST STAR GATE is the ninth and longest book, so far, in the LOST STARSHIP SERIES.

**The Lost Planet** - Vaughn Heppner 2017-01-04

Last voyage, Captain Maddox entered a distant star system with a Swarm fleet. The sheer numbers were staggering, a 100-1 advantage against all human spacecraft. If the highly aggressive, racist insects gained hyper-spatial tube technology-allowing them to cross a thousand light-years in seconds-it would mean Armageddon for Earth. Star Watch desperately needs something powerful to offset the annihilating Swarm numbers. As if on cue, Professor Ludendorff declares he has discovered the whereabouts of ancient Builder technology, a tech so potent it could defeat the Swarm. Star Watch takes the bait, ordering Captain Maddox to find the lost planet holding the ancient technology. Ludendorff has a plan involving androids to lure his arch rival-Methuselah Man Strand-to his doom. The crew of Starship Victory knows nothing of this and thus blindly enters a web of intrigue and danger. The captain will need the AI Galyan, Valerie and Riker like never before. Humanity's hope against the coming Swarm holocaust rests on the outcome. THE LOST PLANET is the sixth book in the LOST STARSHIP SERIES.

**Seeker** - Jack McDevitt 2005-11-01

With Polaris, multiple Nebula Award-nominee Jack McDevitt reacquainted readers with Alex Benedict, his hero from A Talent for War. Alex and his assistant, Chase Kolpath, return to investigate the provenance of the cup. Alex and Chase follow a deadly trail to the Seeker - strangely adrift in a system barren of habitable worlds. But their discovery raises more questions than it answers, drawing Alex and Chase into the very heart of danger.

**The Lost Starship** - Vaughn Heppner 2014-08-30

Ten thousand years ago, a single alien super-ship survived a desperate battle. The vessel's dying crew set the AI on automatic to defend the smashed rubble of their planet. Legend has it the faithful ship continues

to patrol the empty battlefield, obeying its last order throughout the lonely centuries. In the here and now, Earth needs a miracle. Out of the Beyond invade the New Men, stronger, faster and smarter than the old. Their superior warships and advanced technology destroy every fleet sent to stop them. Their spies have infiltrated the government and traitors plague Earth's military. Captain Maddox of Star Watch Intelligence wonders if the ancient legend could be true. Would such an old starship be able to face the technology of the New Men? On the run from killers, Maddox searches for a group of talented misfits. He seeks Keith Maker, a drunken ex-strikefighter ace, Doctor Dana Rich the clone thief stuck on a prison planet and Lieutenant Valerie Noonan, the only person to have faced the New Men in battle and survived to tell about it. Maddox has to find a place hidden in the Beyond and bring back a ship no one can enter. If he fails, the New Men will replace the old. If he succeeds, humanity might just have a fighting chance...

**Tau Zero** - Poul Anderson 2018-09-18

This Hugo Award finalist, "justifiably regarded as a classic" (SFReviews.net), is the tale of an epic space voyage where time dilation goes horribly wrong. Aboard the spacecraft Leonora Christine, fifty crewmembers, half men and half women, have embarked on a journey of discovery like no other to a planet thirty light-years away. Since their ship is not capable of traveling faster than light, the crew will be subject to the effects of time dilation and relativity. They will age five years on board the ship before reaching their destination, but thirty-three years will pass on Earth. Experienced scientists and researchers, they have come to terms with the time conditions of their space travel. Until . . . the Leonora Christine passes through an uncharted nebula, which damages the engine, making it impossible to decelerate the ship on the second half of their trip. To survive, the crewmembers have no choice but to bypass their destination and continue to accelerate toward the speed of light. But how will they keep hope alive and maintain order as they hurtle deeper into space with time passing more and more rapidly, and their ultimate fate unknown? With its combination of mind-blowing hard science and compelling human drama, Tau Zero is "the ultimate hard

science novel" (Mike Resnick).

Ender's Game - Orson Scott Card 2017-10-17

"The classic of modern science fiction"--Front cover.

*The Songs of Distant Earth* - Arthur C. Clarke 2012-11-30

Earth refugees threaten a peaceful space settlement in this influential novel from the Golden Age science fiction author of 2001: A Space Odyssey. More than two thousand years in the future, a small human colony thrives on the ocean paradise of Thalassa—sent there centuries ago to continue the human race before Earth's destruction. Thalassa's resources are vast—and the human colony has lived a bucolic life there. But their existence is threatened when the spaceship Magellan arrives on their world—carrying one million refugees from Earth, fleeing the dying planet. Reputed to be Arthur C. Clarke's favorite novel, *The Songs of Distant Earth* addresses several fascinating scientific questions unresolved in their time—including the question of why so few neutrinos from the sun have been measured on Earth. In addition, Clarke presents an inventive depiction of the use of vacuum energy to power spacecraft—and the technical logistics of space travel near the speed of light. "Clarke's simple, musical style never falters in this sobering yet far from bleak commentary on humanity's longing for the stars. Highly recommended." —Library Journal

**The Lost Artifact** - Vaughn Heppner 2018-02-20

Star Watch defeated the Swarm Invasion Fleet, but at a terrible cost in destroyed star systems, smashed battleships and billions of dead. In the aftermath of the costly victory, chaos threatens as worlds leave the Commonwealth of Planets, face mass starvation or succumb to increased piracy. The war against the Swarm Imperium has just begun. Humanity needs unity or each planet will fall alone. Brigadier O'Hara of Star Watch Intelligence stumbles onto a secret conspiracy. Someone is trying to destroy the Commonwealth from within, and they have an alien artifact of incredible power. O'Hara summons Captain Maddox. Although she fears to lose him, she knows that Maddox and his crew have the best chance of finding the hidden enemy. If the captain fails, the Commonwealth will be powerless to stop its destruction. What O'Hara

doesn't know—it would probably break her heart if she did—is that she has just sent Maddox into the most harrowing battle of his career. **THE LOST ARTIFACT** is the eighth book in the **LOST STARSHIP SERIES**.

**Empire from the Ashes** - David Weber 2003

Drawn into an alien conflict when his ship is taken over and pitted against a dangerous ancient enemy, Colin MacIntyre takes on the task of defeating a group of immortals who have been secretly ruling the Earth.

The Star Prince - Susan Grant 2016-06-01

Princess Tee'ah Dar has everything except freedom. After learning to fly starships in secret, she flees the stifling rules of the palace for the wild frontier, and promptly gets hired by a man from Earth. Her thrilling new life threatens to crash and burn when she learns her sexy employer is the one man she needed to avoid—but her heart may already be past the point of no return. Ian Hamilton's life flips upside-down when his mother marries the king of the galaxy. After his stepfather names him as his successor, Ian fights to stay one step ahead of the scheming royals who don't want him in line for the throne. A mission critical to galactic peace forces him to hire a cute but tough pixie of a pilot he can't help falling for—until he discovers she's on the run from the very laws he's pledged to uphold.

**Insurgent** - Ken Lozito 2020-04-18

Science Fiction Colonization Adventure

*Ringworld* - Larry Niven 1985-09-12

Winner of the Hugo and Nebula Awards for best novel Four travelers come to the ringworld. . . Louis Wu: human and old; bored with having lived too fully for far too many years. Seeking a challenge, and all too capable of handling it. Nessus: a trembling coward, a puppeteer with a built-in survival pattern of nonviolence. Except that this particular puppeteer is insane. Teela Brown: human; a wide-eyed youngster with no allegiances, no experience, no abilities. And all the luck in the world. Speaker-To-Animals: kzin; large, orange-furred, and carnivorous. And one of the most savage life-forms known in the galaxy. Why did these disparate individuals come together? How could they possibly function together? And where, in the name of anything sane, were they headed?

*Starship Relic* - Darcy Troy Paulin 2021-06-12

Ancient technology. Secret histories. And squids. In space. Max is completing a survey in the barren, frozen north of planet Grailliy, when he makes a startling discovery. There's a high-tech pod buried beneath the ice, and inside the pod is a young woman. She speaks his language, but with a strange accent. The two are barely past awkward introductions when they are attacked. Max and his new friend are forced to flee. The worst part? They don't even know who is trying to kill them, or why. Now, with assassins on their tail, the duo must find a way off the planet without blowing their cover. And then, if they can do that without getting eaten by space monsters, they might just find out the truth about their world. *Starship Relic* is book one of the *Lost Colony Uprising Trilogy*, a sci-fi space opera adventure with spaceships, alien contact, deep conspiracies, wise-cracking characters, and lots of pew-pew (space battle action). Content rating: All ages, teen and up. Minimal language.

**ColonySide** - Michael Mammay 2020-12-29

A missing scientist and deep pockets pull Colonel Carl Butler out of retirement, investigating another mystery that puts him and his team--and the future of relations with alien species--in danger in *COLONYSIDE*, the exciting follow-up to *Planetside* and *Spaceside*. A military hero is coming out of disgrace—straight into the line of fire... Carl Butler was once a decorated colonel. Now he's a disgraced recluse, hoping to live out the rest of his life on a backwater planet where no one cares about his "crimes" and everyone leaves him alone. It's never that easy. A CEO's daughter has gone missing and he thinks Butler is the only one who can find her. The government is only too happy to appease him. Butler isn't so sure, but he knows the pain of losing a daughter, so he reluctantly signs on. Soon he's on a military ship heading for a newly-formed colony where the dangerous jungle lurks just outside the domes where settlers live. Paired with Mac, Ganos, and a government-assigned aide named Fader, Butler dives head-first into what should be an open and shut case. Then someone tries to blow him up. Faced with an incompetent local governor, a hamstrung military, and corporations playing fast and loose with the laws, Butler finds himself in familiar territory. He's got nobody

to trust but himself, but that's where he works best. He'll fight to get to the bottom of the mystery, but this time, he might not live to solve it.

*Delphi Colony* - Ann Clark 2020-10-06

Book 8 of the popular series *Delphi in Space*. The McCormacks are finally going to start an Earth Colony and the Paraxeans are finally getting a home. Catie is going to the Academy and Marc is going to Artemis. What will it take for both of them to survive their new challenges? Will Catie's cover hold? Will Marc be able to get the colony moving to self-sufficiency? Will the alien who are heading to Artemis give him the time he needs. What will happen on Earth as people start leaving.

**Orphans of the Sky** - Robert Anson Heinlein 2001

Ancient myths told of a place called Earth, but the modern world knew it was nonsense. Science knew the Ship was all the Universe, and as long as the sacred Converter was fed, lights would glow and air would flow through the miles of metal corridors. Hugh never questioned these truths until a despised mutie showed him the Control Room and he learned the true nature of the Ship and its mission.

*Liberty: Book 6 of the Legacy Fleet Series* - Nick Webb 2018-10-09

War. It rages across United Earth space, claiming millions of lives. The Swarm have returned, larger, more fierce, and more technologically advanced than ever before. The voice from Saturn's moon Titan claiming to be Tim Granger is warning humanity that this time, the Swarm may be unstoppable. Admiral Shelby Proctor, on the run for the suspected murder of the United Earth President, knows that humanity's only hope may be a hero that's been dead for thirty years, and travels to the center of Titan to find him in Earth's darkest hour. The fleets are assembled, all the races united against the overwhelming enemy from another universe. And now all they need a legendary hero to lead them to victory.

**Orion Colony** - Jonathan Yanez 2018-11-09

Humanity's Exodus is about to begin. When half of mankind revolts and demands more opportunity, those at the top decide on a compromise: they will build the first colony ships and allow those who are willing to discover new worlds to leave and start over. Twelve ships are built, the

first of which is called Orion. Many are eager to go, but only one hundred thousand are chosen for each vessel. Far from Earth, a new life awaits, and it promises the prosperity they've always wanted. But still, resistance stirs, eager to sabotage this new expansion effort, threatening the promise of a new life. As Orion moves through the void of space, towards a distant world, its passengers must fight for survival in an unprecedented conflict. Win or lose, their future will be forever changed. Experience a sprawling galactic tale in this first entry to The Orion Colony series. If you're a fan of Firefly, Battlestar Galactica, or Indiana Jones, you'll love this epic, space opera adventure.

Voice of Mars - Glynn Stewart 2016-03-19

**YOU CAN NEVER GO HOME** When accusations of piracy and mass murder are laid against his homeworld, Damien Montgomery is sent to resolve the crisis. As counter-accusations fly and an old flame re-enters his life, the newest Hand of the Mage-King of Mars finds himself in the midst of a bloody interstellar shadow war. With the death toll mounting, Damien must decide whether he should trust the world he came from - or the world that asked for his help. The wrong choice will trigger a civil war that could shatter human civilization. No pressure. Voice of Mars is book 3 of the Starship's Mage series.

**Battle Cruiser** - B. V. Larson 2015-07-21

One starship will either save Earth or destroy her. A century ago our star erupted, destroying Earth's wormhole network and closing off trade with her colonized planets. After being out of contact with the younger worlds for so many years, Humanity is shocked when a huge ship appears at the edge of the Solar System. Our outdated navy investigates, both curious and fearful. What they learn from the massive vessel shocks the planet. The lost colonies have survived-but the reunion isn't going to be a happy one. Our descendants are vastly superior in the art of warfare. Worse, there are other beings undreamed of beyond the human frontier: strange, unfathomable...alien. Battle Cruiser Defiant, the first capital ship to darken Earth's skies, is tasked with exploring new passages to the younger planets. Old Earth must reunite with her children...but can humanity survive the inevitable conflicts? Captain William Sparhawk,

determined to follow a path of honor and truthfulness, dares to rise to the challenge. **BATTLE CRUISER** is a military science fiction novel by bestselling author B. V. Larson.

**A Forest of Stars** - Kevin J. Anderson 2007-11-01

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

**The Lost Patrol** - Vaughn Heppner 2016-07-21

Starship Victory is on its loneliest mission yet. Captain Maddox and his crew are thousands of light-years from Earth, searching for the dreaded Swarm Imperium. But there are androids among them seeking to use the starship for hidden purposes. Maddox and the crew are on their own, facing perils inside the ship and terrifying alien dangers outside in one of the remotest regions of the Orion Arm. Then they stumble upon the darkest secret of all. Unless the A.I. Galyan, Meta, Sergeant Riker and the others can help their beleaguered captain, Victory is doomed and Earth will never learn of the terrible threat gathering in the stellar darkness. **THE LOST PATROL** is the fifth book in the **LOST STARSHIP SERIES**.

*A Night Without Stars* - Peter F. Hamilton 2016

The planet Bienvenido is in crisis. It has finally escaped the Void, emerging into regular space. But it's millions of light-years from Commonwealth assistance, and humans are battling the Fallers for control of their world. This rapacious adversary, evolved to destroy all sentient life, has infiltrated every level of human society - hijacking unwilling bodies so its citizens fear their leaders, friends and family. A

mysterious figure known as the Warrior Angel leads a desperate resistance. She's helped by forbidden Commonwealth technology, which gives her a crucial edge. But the government obstructs the Angel's efforts at every turn, blinded by prejudice and technophobia. As Fallers also prepare to attack from the skies, she might need to incite rebellion to fight this invasion. But the odds seem impossible

**Alien Wars** - Vaughn Heppner 2015-04-28

Human pioneers fleeing Earth for the promised land of New Eden found hell instead, falling prey to the reptilian Kresh. But street-savvy Cyrus Gant escaped the aliens, rescued master telepath Klane, and began a desperate journey to head off the impending Kresh invasion of Earth. When the insectile Chirr and human cyborgs join the war, Cyrus suddenly faces a triple threat. Only by absorbing the powerful consciousness of the mortally wounded Klane does he stand a chance against the deadly enemies surrounding him. But when a malevolent alien entity invades his mind, Cyrus must do battle in both outer and inner space to save his soul and his sanity. In the thrilling sequel to *Alien Honor* and *Alien Shores*, Cyrus rolls the dice to win the biggest prize anyone has ever chased: the future of humanity.

*The Last Colony* - John Scalzi 2007-04-17

*Alien Shores* - Vaughn Heppner 2014-06-24

Humanity put all its fading hopes in New Eden, a pristine star system 230 light-years from the ravaged Earth. But upon arrival, the would-be colonists encountered the Kresh--a diabolical alien race who quickly captured the human starship and tortured its inhabitants in hopes of learning the coordinates of Earth. Street-smart Cyrus Gant managed to escape, crashing to the surface of a nearby moon terraformed by the Kresh and inhabited by primitive humans. Now Cyrus pursues a desperate hope bound up in a single boy, a prophesized psionic named Klane--already in the clutches of the Kresh. Soon Cyrus finds himself torn between tracking down this so-called savior and escaping back into space before it's too late. Yet as he gathers allies and firepower, he's desperate to find a way back to Earth and warn them of this alien menace...only to discover an even greater danger to the future existence of the human race. The electric interstellar action that began in *Alien Honor* continues in *Alien Shores*.

*Masks* - John Vornholt 1990-01-02

The Enterprise journeys to Lorca, a beautiful world where the inhabitants wear masks to show their rank and station. There, Captain Picard and an away team begin a quest for the planet's ruler and the great Wisdom Mask that the leader traditionally wears. Their mission: establish diplomatic relations. But Picard and his party lose contact with the ship, and Commander Riker leads a search party down to the planet to find them. Both men are unaware that their searches are part of a madman's plan. A madman who is setting a trap that will ensnare both landing parties, and leave him poised to seize control of the awesome Wisdom Mask. And the planet Lorca itself.

*The Lost Colony* - Vaughn Heppner 2015-12-02

We fought the invading New Men to a standstill and defeated the alien Destroyer sent to obliterate Earth. The worst should be over, but it's not. Perfect android replicas are impersonating high-level officials so trust is failing. Worse, the New Men have found allies with an impenetrable stealth technology. This time, however, Earth is going on

the offensive. Admiral Fletcher is headed to "C" Quadrant with a Grand Fleet. He's to liberate the captured planets and find the enemy homeworld. What he isn't supposed to do is die. The only one who can save humanity has been grounded. Captain Maddox is under suspicion because he's half New Man. But he's not going to stop. He's found something unbelievable. Now, he needs Starship Victory-an ancient, alien spacecraft-the AI Galyan, Meta, Sergeant Riker and the others to help him tear the greatest secret of all from the enemy. Maddox and his crew must succeed or humanity will drown in a sea of human extinction. THE LOST COLONY is the fourth book in the LOST STARSHIP SERIES.

Sera leads a simple life. A little smuggling, some drinking contests, and captaining her star freighter, Sabrina. But when she picks up a mysterious shipping container on Coburn Station, things begin to go wrong. She finds herself at odds with The Mark, a dangerous pirate organization that wants the cargo on her ship. Inside the container she not only finds a woman, but a secret thought lost millennia ago. The woman is Tanis Richards, and she knows the location of the Intrepid, a missing colony ship from humanity's golden age. Sera knows how to help Tanis and the Intrepid. But to do that, she will need to reveal a secret that will pull her back into a life she left long ago. A life from which she was exiled in shame and disgrace. Tanis doesn't trust Sera; and Sabrina's rag-tag crew is nothing like what she's used to, but she's going to have to

rely on them to avoid capture and get back to the Intrepid. As Tanis and Sera battle pirates and interstellar governments, the two women forge a friendship that will forever shape the destiny of humanity.

**Deliverance** - M. R. Forbes 2018-10-16

The war is over. Earth is lost. Running is the only option. It may already be too late. Caleb is a former Marine Raider and commander of the Vultures, an elite search and rescue team that's spent the last two years pulling high-value targets out of alien-ravaged cities and shipping them off-world. Now he's on the last starship out, under orders to join forty-thousand survivors on their journey to a new home. It's not the mission he wants, but it's a mission he's doing his best to accomplish. When Caleb meets the colony's head sheriff, she represents an opportunity for a fresh start and a chance to leave his old life behind for good... **Invasion** - Ken Lozito 2020-12-18

For years, Connor and others in the colony have unraveled the mysteries of New Earth and the global catastrophes that nearly destroyed its previous inhabitants. Their work led to the discovery of other worlds beyond the known universe. It became clear that many of those worlds had been attacked by an interdimensional invader that left untold amounts of manipulation, hardship, and annihilation in its wake. It's only a matter of time before the colony becomes the next target. When a trusted ally requests Connor's help to investigate claims of new widespread invasions, he has no choice but to help. Connor believes that the only way to stop the invaders is to find their homeworld, but its location is a closely guarded secret. Many civilizations sought to discover the invader's homeworld and none have succeeded. Time is running out for the colony, and Connor and a team of CDF soldiers may be the only thing that stands in the between and annihilation. *Invasion* is the eleventh book in the bestselling military science fiction series, *First Colony*. *The Lost Earth* - Vaughn Heppner 2017-07-27

It finally happened. Commander Thrax Ti Ix created a hyper-spatial tube for the Swarm Imperium. Across thousands of light-years, a vast armada of warships is heading for Earth to burn the homeworld down to its bedrock as the Swarm begins its genocidal campaign against the human race. No one-not the New Men, the Spacers, the Wahhabi Caliphate or Star Watch-has faced such staggering odds. Alone or united, it makes no

difference. Captain Maddox has a last-ditch plan. He's returning to the null region of last voyage to grab the ancient Destroyers hidden there. But an immortal entity of evil cunning haunts the vessels. If it escapes its

prison...Maddox will have made things infinitely worse. This time, mankind needs a miracle. THE LOST EARTH is the seventh book in the LOST STARSHIP SERIES.
