Unraveling Misconceptions -
Nirmala Sharma 2016-03-21
Both India and E.M.Forster
have recently been discovered,
so to speak, by the Columbuses
of Western popular culture, the
makers of British films and

television serials. Mrs.
Sharmas interest in both these
subjects is of much longer
standing and is less interested
in scenic details than in hard
intellectual essences. She has
written a thoughtful and a
thought-provoking book about
the author of A Passage to
India, one which gives Forster
full credit for his large-minded
tolerance but is
uncompromising in pointing

Downloaded from
ravishingbeasts.com on by
guest

out where that tolerance fails and what are the short-comings of the background which caused the failure. Mrs. Sharma's book might well be subtitled *The Limits of Liberalism*, and she is especially illuminating when she traces the sources of this movement of nineteenth-century thought and demonstrates how E.M. Forster, both through his education and his family background, was liberalism's disciple and inheritor. She shows, moreover, how the rational bias of the nineteenth-century political and intellectual mind set kept Forster free of the usual English middle-class prejudices regarding the so-called inferior races and different cultures and how it armed him to oppose the emotionalism of the barely-disguised race-hatred displayed by most of the English who were ruling in India. Mrs. Sharma agrees that Forster deserves much of his reputation as the man who exposed British hypocrisy regarding India and the

Indians, especially Muslim Indians. At the same time she demonstrates how Forster's total allegiance to the liberal creed of rationalism blinds him to the whole world of emotionalism and thus renders almost the whole of Hindu India a muddle to him. Forster is himself not entirely unaware of this limitation. He is after all the man who was capable of mustering only *Two Cheers for Democracy*. But he leaves the impression that the failure to understand India and to make a unity of things Indian is due to the gross size and complexity of the object to be studied and the narrow capabilities of the general Western mind. No Westerner, Forster implies, could ever hope to comprehend all the facets, contradictions, paradoxes, and mysteries of the Sub-Continent. Mrs. Sharma will have none of this. She is well read in English and American literature and can show how what was closed to Forster was perfectly open to such Westerners as John Donne and Walt Whitman. The fault,

ravishingbeasts.com *on by*
guest

one begins to understand, is not with the West, but with Western liberalism and its obsessive fear of the irrational. Such a fear may indeed be shown to characterize Forster not only as a social critic but also as an artist. For instance, one of the chapters of his own though provoking book, *Aspects of the Novel*, deals with what Forster calls a conflict between plot and character. Characters, he recognizes, when fully conceived, sometimes have a way of taking on a life of their own, so to speak, and insist on behaving otherwise than the author had intended in his rationally coherent, preconceived plot. Since the plot carries the intellectual substance of a Forster novel, he advises novice writers, the readers of *Aspects of the Novel*, to put down these irrational rebellions of his characters with a firm repressive hand, to make them do what they were intended to do. A different sort of writer, one who trusted the irrational which Forster so feared, might

have decided that the rebellious character might be leading the author to a new truth, one which the emotionalism of art, as opposed to the rationalism of logic, was capable of discovering. But not Forster, and thus when, returning to *A Passage to India*, his Mrs. Moore begins to understand what Forster, with his liberal background has pre-decided it is beyond her capacity as a Westerner to understand, he packs her off to England and kills her. The Forster whom Mrs. Sharma has discovered for us is almost as great a paradox as he perceives India to be. He is a consummate artist who does not trust his art. His is a good mind severely limited, a courageous mind when backed by rational thought, but a timid soul when faced by the irrational in others or even by the emotional in himself.

M. M. Ninan 2008-06-23
This book is a study of development of Hinduism from the ashes of Vedic religion under various influences of local and foreign religions and philosophies. Under the strangle of atheistic sciences of Buddhism and Jainism the reeling Vedics found new resources from the monotheistic religion of Christianity brought in by St. Thomas along with other local religions, cults, hero worship and occult practices. It deals extensively on the formation of Vaisnavism of today and the real philosophy and purport of Krishna cults.
The Devi Gita - Cheever Mackenzie Brown 1998-01-01
This translation and commentary on an important Hindu text on the Great Goddess envisions a universe created and protected by a compassionate female deity.
The Uddhava Gita - 2002-09-28
Widely read, The Bhagavad Gita is a classic of world spirituality while The essential companion to The Bhagavad Gita, The Uddhava Gita has

remained overlooked. This new accessible and only English translation in print of The Uddhava Gita offers a previously unexplored path to understanding Hinduism and Krishna's wisdom. Written centuries apart, the ideas of the two dialogues are similar although their approach and contexts differ. The Bhagavad Gita is filled with the urgency of battle while The Uddhava Gita takes place on the eve of Krishna's departure from the world. The Uddhava Gita offers the reader philosophy, sublime poetry, practical guidance, and, ultimately, hope for a more complete consciousness in which the life of the body better reflects the life of the spirit.

(www.mlbd.co.in, info@mlbd.co.in) About the Book The Yoga Vasistha is a unique work of Indian philosophy and is highly respected for its practical mysticism. These teachings of Sage Vasistha imparted to Lord Rama, contain the true understanding about the creation of the world. The supreme Yoga with Romanised text is a translation into English of this complete work and is accompanied by brief expositions by Swami Venkatesananda. This book brings this storehouse of wisdom to our world and makes the philosophy comprehensible to scholars and common people alike. It is this philosophy of a comprehensive spirituality, rational and practical, that man in the modern age needs to rescue himself from his stagnation of worldliness and put him on the high road of creative living and fulfilment. Soak into the message of each verse and discover the numerous ways in which this truth is revealed to help open your mind. We have

a firm hope that this well-known, towering teaching will provide to everyone the requisite inspiration and solace.

A SYNOPTIC PANORAMA OF THE HINDU THOUGHT AND PRACTICE - Dwarika Nath Raina 2020-02-24

Who am I? What is the purpose of my existence? These are some questions that plague the mind as a constant conflict between our impending desires and our feverish drive to reach them while we remain ignorant of our abilities as prima donna of creation, to reach higher forms of consciousness and become who we are meant to be! It's a must-read for the youth, as it seeks to open not just your mind and heart but also to redeem you from yourself from remaining enslaved in birth after birth. It is a distillation of our scriptures in a very concise and succinct manner to make you imbibe the essence of our thought and spirituality. If these words fire your zeal to become one with existence, we would consider the book to

THE ART OF MAN MAKING PART I - Swami Chinmayananda 2015-02-27

Pujya Gurudev Swami Chinmayananda made it a priority to revive the young generation of Indians, who were drifting through life without any clear goals, vision or direction. He believed that growth of the newly independent India could only be achieved by a motivated and clear-headed generation of youngsters. In order to inspire the youngsters of India and show them the possibilities of a nobler life, Gurudev delivered a series of fiery 10-minute talks on All India Radio, based on the Bhagavad-gita. He gave this ancient wisdom a contemporary context and presented in a form that was palatable and practical to the modern youngsters. Although delivered in the 1960s, these teachings are as relevant, fresh and inspiring today as they were 40 years ago. 114 SHORT TALKS ON THE BHAGAVAD-GITA

God Talks With Arjuna - Paramahansa Yogananda 2007

"The words of Lord Krishna to Arjuna in the Bhagavad Gita," writes Paramahansa Yogananda, "are at once a profound scripture the science of Yoga, union with God, and a textbook for everyday living." The Bhagavad Gita has been revered by truth seekers of both the East...

**The Gita within Walden -
Paul Friedrich 2008-10-22**

"This book explores and
interprets the myriad
connections between two
spiritual classics, Henry David
Thoreau's Walden and the
Bhagavad-Gita. Evidence
shows that Thoreau took the
Gita with him when he moved
to Walden Pond, and the books
have much in common,
touching on ultimate ethical
and metaphysical questions.
Paul Friedrich looks at how
each work speaks to
fundamental problems of good
and evil, self and cosmos, duty
and passion, reality and
illusion, political engagement
and philosophical meditation,
sensuous wildness and ascetic
devotion. His examination

moves through several stages,
from an analysis of key
symbols, such as the upside-
down tree, to an exposition of
social, ethical, and
metaphysical values, to a
consideration of the many
sources of these syncretic
works."--BOOK JACKET.

Leadership Lessons from the Bhagavad Gita - Ace Simpson
2019-10-07

For professionals navigating negative corporate karmas, Leadership Lessons from the Bhagavad Gita offers a way forward for overcoming self-defeating habits and managing the mind's negative chatter that is often the main obstacle to effective leadership. By promoting a leadership approach of caring for followers, stakeholders and future generations, the book offers hope for harmonious workplace relations and a protected environment. Based on leadership by inspiration as opposed to leadership by control, Leadership Lessons

from the Bhagavad Gita provides an alternative to conventional leadership. Particularly, in the times we live, where there is a crisis of faith in leadership, the insights from this book presents a vision of linked-leadership—leaders who are linked through loving-connection or bhakti-yoga with themselves (through self-knowledge), with other beings, with nature and with the supreme source. As exemplified by Krishna taking over the reins of Arjuna's chariot, the crux of this book is leadership, not as a title or position, but as a commitment to service, excellence and virtuous character that motivates and inspires others to pursue the same. The unique insights from this book will help you make sense of different personality types to motivate others according to their natures and inclinations, which will support you in forming effective teams and creating a harmonious and prosperous organizational culture. In short, this book

challenges and equips leaders to step up and cultivate unity and diversity, and achieve sustainable wellbeing and happiness in their organizations.

The Ashtavakra Gita - Lala Baijnath (rai bahadur) 1907

The Samaveda - Devi Chand 1981

Hindu-traditions & Beliefs - Bhojraj Dwivedi 2002-05

Devi - Ramesh Menon 2006
The Devi Bhagavatam is said to have been composed in Bengal in the sixth century CE, in twelve Parvas and 18,000 slokas. The text is only available in Bengali, with Hindi commentaries. It is replete with references to and legends from an obviously pre-Vedic religion of the Goddess. The Devi Bhagavatam is a Shakta Purana. It is for the Shakta what the Bhagavata Purana is for the Vaishnava: his or her most sacred book. The Shaktas worship Shakti, the Eternal Feminine, in all her forms. Devi is Kali and Durga; she is

Saraswati, Mahalakshmi and Parvati; she is Sati, Sita and Radha. She is the Mother of the Universe; without her animating power, Shiva becomes shava, a corpse. This book is an abridged literary rendering of the Devi Bhagavatam. It retells all the major legends of the Goddess, as well as some other, less known tales.

Srimad Bhagwat Puran - B. K. Chaturvedi 2020

The 'Srimad Bhagwal' itself is believed to be the gem among all the sacred Puranas as it emphasises on the devotion to Lord. Vishnu's incarnation, Lord Krishna. It is believed to have been authored by the great sage Vedavyasa when he felt a great unrest troubling his soul after authoring the Mahabharat. Although this Purana itself is believed to be a part of Skanda Purana, it is its lyrical beauty and devotion to Krishna that made it most popular. It enlists 22

Downloaded from
ravishingbeasts.com on by
guest

incarnations of Lord Vishnu, while other sacred accounts of the Sanatana Dharma believe that there were nine incarnations and one is yet to come. Normally in the Purana, the tales or stories frequently overlap with each other giving emphasis on a different point. Owing to paucity of space, many of the stories have been given a brief mention in this work with the footnote guiding to the sources, to get the full story in the other Puranas. There are also certain variations in the details of the stories which have been also marked within parenthesis. Also, many details mentioned in this Puran which may appear uninteresting, have been deliberately left out. Some of the stories which are well-known have been skipped. For example, the Ramakatha or the details about other incarnations popularised by other sacred sources. The main emphasis in culling out the stories has been on those stories that reveal the basic moral fiber of our ethos. These stories have been recreated

keeping in mind the comprehension of our young learners and hence making these stories more logical. This work is only an attempt to make our society recapture its roots. That is why the language and style have been used with great care so as to make the stories readable and comprehensive. It is hoped that our discerning readership will accord it a warm welcome. Lastly, the author wishes to record his gratitude to Narenderji of Diamond Pocket Books whose crusade to publish the gems of our cultural and religious ethos has few parallels in the field of publishing.

SONG OF SCIENCE -
SHRIMAD BHAGWAT GITA -
DR. B.G. MATAPURKAR
2020-12-19

Indians have a boasting habit
that everything discovered in

modern time has already been
known to their ancestors. It
can further be added that not
only did scientific knowledge
exist, but scientists of past
civilization were much more
advanced than the modern
scientist. The truth gets
unfolded when new modern
discovery is explored such as
embryonic Stem Cell discovery
is scientifically scripted in the
AADI PARV of MAHABHARAT.
Growing babies outside the
uterus and outside the human
body. This is still to be
discovered by modern science.
Only patiently one must
discover what is scripted in
Vedik literature, understand
and analyze it and co-relate
with modern science. It is
surprising to see the seeds of
all sciences and technology in
ancient Vedik literature.
Modern science is searching
for God Particle after
confirming "particle physics".
In "Vaisheshik Darshan",
Maharishi Kanaad (7000 BC)
has stated about particle
Physics. Rishi Kanaad included
Soul as having particles. Is it
indicating as God particle?
