[The Laying On Of Hands](#) - Alan Bennett 2014-05-09

Clive Dunlop was a masseur of exceptional talents. His 'services' were much in demand amongst the great and the good and after his untimely death at the age of 34 they -- the film stars and politicians, the writers and publishers, the TV pundits and celebrity chefs -- are gathered for his memorial service. The conduct of the service is a great worry for the priest taking the service, but it proves to be a test for the congregation. This is Alan Bennett at his absolute best with an exceptional satire. It is a perfect work of fiction but it will give readers the extra frisson of pleasure of identifying many of the characters, including even the masseur. This is a small masterpiece.

A Far Country - Daniel Mason 2009-09-18

When they spoke of it in town, they called it simply the city, as if it was the only city in the world . . . Raised in a remote village on the edge of a sugarcane plantation, Isabel was born with the gift and curse of 'seeing farther'. When drought and war grip their land, her beloved brother Isaias joins a great exodus to a teeming, labyrinthine city in the south. Soon the fourteen-year-old Isabel follows, forsaking the only home she's ever known, her sole consolation the thought of being with her brother again. But when she arrives, she discovers that Isaias has disappeared. Weeks and then months pass, until one day, armed only with her unshakeable hope, Isabel descends into the chaos of the city to find him. Told with extraordinary empathy, richly evocative, the story of Isabel's quest - of her dignity and determination, her deeply spiritual world - becomes a universal tale about the bonds of family and a sister's love for her brother, about being caught between two worlds, and about true heroism. A tour de force of emotional and narrative power, it is destined to become a classic. 'Mason is a superb storyteller. He inhabits Isabel's mind with fine sensitivity, and cleverly uses his imaginary setting to write of dauntless, timeless love and loyalty' The Times
