Special Gifts - Anne Stuart 2019-08-26

A dangerous man . . . The man who'd broken into Elizabeth Hardy's Colorado house was no lost ski bum. Her inexplicable and intuitive powers, those unwanted gifts, were always vague, but she knew that much. Sam Oliver was tall, dark, and deadly--a liar and a trickster, and she'd finally found a man she couldn't ignore. Off limits . . . She didn't look like a fraud and a liar, and after years in Army Intelligence Col. Sam Oliver should know. Instead Elizabeth Hardy was a pale, vulnerable-looking waif, though he didn't buy her innocent act. He'd always made it a rule to keep his hands off his targets. Some rules were made to be broken. Unanswered questions . . . With a young housewife missing and presumed dead, there were no simple answers to any number of questions. Why did the missing woman look exactly like the also-missing daughter of the secretary of state? Why did Elizabeth want to trust him, why did Sam suddenly want to believe in psychics? For God's sake, why couldn't they resist each other? And the biggest question of all: would they survive to find out what was going on between them? Or was all hell about to break loose? RITA FINALIST! "Elizabeth, Oliver, and danger. Certainly a combination you ought not miss!" -Maldivian Book Reviews About the Author: Anne Stuart recently celebrated over forty years as a published author. She has won every major award in the romance field and appeared on the bestseller list of the NYTimes, Publisher's Weekly, and USA Today, as well as being featured in Vogue, People Magazine, and Entertainment Tonight. The Man Who Never Was - Ewen Montagu 2019-09-06

As plans got under way for the Allied invasion of Sicily in June 1943, British counter-intelligence agent Ewen Montagu masterminded a scheme to mislead the Germans into thinking the next landing would occur in Greece. The innovative plot was so successful that the Germans moved some of their forces away from Sicily, and two weeks into the real invasion still expected an attack in Greece. This extraordinary operation called for a dead body, dressed as a Royal Marine officer and carrying false information about a pending Allied invasion of Greece, to wash up on a Spanish shore near the town of a known Nazi agent...

Black Ops, Vietnam - Robert Gillespie 2011-09-15

During the Vietnam War, the Military Assistance Command, Vietnam Studies and Observations Group (MACVSOG) was a highly-classified, U.S. joint-service organization that consisted of personnel from Army Special Forces, the Air Force, Navy SEALs, Marine Corps Force Reconnaissance units, and the CIA. This secret organization was committed to action in Southeast Asia even before the major build-up of U.S. forces in 1965 and also fielded a division-sized element of South Vietnamese military personnel, indigenous Montagnards, ethnic Chinese Nungs, and Taiwanese pilots in its varied reconnaissance, naval, air, and agent operations. MACVSOG was without doubt the most unique U.S. unit to participate in the Vietnam War, since its operational mandate authorized its missions to take place "over the fence" in North Vietnam, Laos, and Cambodia, where most other American units were forbidden to go. During its nine-year existence it managed to participate in most of the significant operations and incidents of the conflict. MACVSOG was there during the Gulf of Tonkin incidents, during air operations over North Vietnam, the Tet Offensive, the secret bombing of and ground incursion into Cambodia, Operation Lam Son 719, the Green Beret murder case, the Easter Invasion, the Phoenix Program, and the Son Tay POW Raid. The story of this extraordinary unit has never before been told in full and comes as a timely blueprint for combined-arms, multi-national unconventional warfare in the post-9/11 age. Unlike previous works on the subject, Black Ops, Vietnam is a complete chronological history of the unit drawn from declassified documents, memoirs, and previous works on the subject, which tended to focus only on particular aspects of the unit's operations.

Court of Dreams - C. N. Crawford 2019-02-18

Exiled from the Shadow Fae, I'm left out on London's streets. The Knights of the Institute are dying of the plague, and they're sure I'm to blame. Desperate to speak to Ruadan, I invade the Institute. Then, things take a turn for the worse. Like, "tortured in a tiny prison cell" worse. Seems like Ruadan has completely betrayed me. But when I finally reunite with my dark demigod, it turns out I'd totally misunderstood his actions. Once I'm out of jail, Ruadan and I have to fix this mess, and we're thrown together once again. That means finding my father. Plus, we have to kill Baleros before the monster gets what he's after: the skin off Ruadan's corpse. If Baleros gets what he wants, then he'll control the world, and I'll lose Ruadan forever. This is the final book in a four-book series Court of Shadows Court of Darkness Court of Night Court of Dreams This book is from the Demons of Fire and Night world.

Covert Fae - C. N. Crawford 2018-01-22

To live, I must tempt the angels of death. It's been eighteen months since the angels of the apocalypse ripped our world apart. Before, I was a burlesque dancer, decked in sequins and feathers at the hippest clubs. Now, I live in an abandoned hospital in East London, scavenging for scraps. At least, until I get the chance to fight back against the disturbingly seductive angels. In fact, I'm going undercover as a spy in their castle. I have two goals: learn their weaknesses, and find my missing sister. Problem is, I have to pretend to be someone I'm not: an alluring succubus. If one of the angels discovers who I really am, the fate of the world could lie in ruins. I can't let that happen. The angels tried to destroy my world, and it's my turn to ravage theirs.
