Our story didn't exist, it was broken before it began. Kisses were covered with lies. Lies were covered with kisses. Hate turned into lust. And lust turned into fantasy. When even through all the lies and kisses, you still have lust.

*Defined By Deceit* - A E Via 2019-07-30

Life isn't always fair, and that's something that Llewellyn Gardner knows about first hand. His life was on the fast track until one night of extreme passion changed everything. Now eight years later, he's still living with the aftershocks of that night. Everywhere he turns or runs, there's another reminder. What the hell do you do when you try to drown your demons only to find out they can swim? Shane Smith, Jr. owner of Smith Construction, could see the emotional turmoil within his new employee - it's why he hired him. There was something about the gorgeous, misunderstood man with the overly expressive eyes that came to their small town with a past no one was willing to overlook. Shane could see the good in Llewellyn, and those eyes of his were a clear window to his soul. Shane wasn't going to let the man live a future of solitude because his past had been plagued with deceit. Llewellyn wasn't sure what to think about Shane. After years of protecting himself from being tricked twice, he was now faced with worry again. What would happen to him if Shane didn't believe his truth, and walked away? Llewellyn wasn't sure he'd be able to

**The Girl & Her Ren** - Pepper Winters  
2018-06-05

The Final Conclusion to Ren and Della's Story. "What do you do when you write down all your secrets? No...that's not enough. What do you do when you write down all your secrets and the one person who should never read them does? I'll tell you what you do. You hope." REN Ren didn't know the meaning of love until he took Della for his own. To begin with, he hated her, but as the months bled into years, he learned the opposite of hate, dedicating his life to giving her everything. Every sacrifice, every gift, he gave wholeheartedly. But then love turned to lust and ruined everything. DELLA I was stupid to write down my secrets, but I'd been stupid before, so it was nothing new. I couldn't blame him, hate him, fix him. I tried to move on without him. But no matter what I did, I couldn't seem to delete the secrets I'd written. Until something happened. Until he came back and read my stupid secrets. And nothing was the same after that.

**Unforgettable** - Melanie Harlow 2020-05-04

Back then, I had it all. Wicked fastball. Killer instinct. Cocky grin. Full package. (And believe me, I knew how to score.) My senior year, I was a first round draft pick with a two-million-dollar signing bonus. Before I could even legally buy myself a beer, I made my Major League debut. Point is, I was invincible. Until one day I wasn't. After tanking my career during the World Series, no less—the last thing I want to do is return to my hometown, where every jerk in a ball cap has an opinion about what went wrong with my arm. So when my sister drags me back to town for her wedding, I vow to get in and out of there as quickly as possible. Then I run into April Sawyer. In high school we were just friends, but I'd always wanted her, and I'd never forgotten her—the red hair, the incredible smile, the crazy, reckless thing we did in the back of my truck the night we said goodbye. It's been eighteen years, but one look at her and I feel like my old self again. I can still make her laugh, she can still take me down a notch, and when the chemistry between us explodes, it's even hotter this time around—and I don't want it to end. But just when I think I'm ready to let go of the past and get back in the game, life throws me a curveball I never saw coming.

People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. **The Bravest Voices** - Ida Cook 2021-01-19  
This timeless memoir documents two sisters' bravery leading up to WWII—a singular historical account that shines a light on one of humanity's darkest hours. Ida and Louise Cook are two ordinary Englishwomen, seemingly destined never to stray from their quiet London suburb and comfortable jobs—Ida as a budding romance novelist and Louise as a civil service typist. But in 1923, a chance hearing of an aria from *Madame Butterfly* sparked a passion for opera in the sisters that led to the formation of friendships with some of Europe's leading singers and their network, many of them Jewish. As the Nazis rose to power, Ida and Louise began working with the opera world's insiders to save members of the community from persecution and death. Through ingenuity, thrift and bottomless goodwill, the sisters eluded the suspicion of the Nazis and helped secure safe passage for dozens of refugees. No one would

have predicted such daring lives for Ida and Louise Cook—but that underestimation is exactly how they were able to save lives. First published in 1950, Ida's memoir of the adventures she and Louise shared remains as fresh, vital and entertaining as the woman who wrote it, and is a moving testament to the extraordinary acts of courage by two everyday heroes.

*Forget Me Not* - W. Winters 2017-09-12

I fell in love with a boy a long time ago. I was only a small girl. Scared and frightened, I was taken from my home and held against my will. His father hurt me, but he protected me and kept me safe as best he could. Until I left him. I ran the first chance I got and even though I knew he wasn't behind me, I didn't stop. The branches lashed out at me, punishing me for leaving him in the hands of a monster. I've never felt such guilt in my life. Although I survived, the boy was never found. I prayed for him to be safe. I dreamed he'd be alright and come back to me. Even as a young girl I knew I loved him, but I betrayed him. Twenty years later, all my wishes came true. But the boy came back a man. With a grip strong enough to keep me close and a look in his eyes that warned me to never dare leave him again. I was his to keep after all. Twenty years after leaving one hell, I entered another. Our tale was only just getting started. It's dark and twisted. But that doesn't make it any less of what it is. A love story. Our love story.

*Amnesia* - Cambria Hebert 2017-06-12

I washed ashore in a little lake town. A place where everyone knows everyone, yet... No one knows me. I don't know me. If a woman doesn't know her own name, does she really exist? I don't know my natural hair color, my birthdate, or where I live. I am invisible. To everyone, to everything, even to myself. Except to him. I see the recognition deep in his stare, the way it lingers on my face as if I'm a puzzle he's desperate to put together. I just want answers, the truth... knowledge. His lips are sealed. Still, his eyes beguile me. I can't trust anyone, not even myself. Someone wants me dead, the same someone who tried to bury me in a watery grave. They'll come for me again... I won't know their face. I don't even know mine. I am amnesia.

It's a time when feelings arose and desires ran deep, a time that fundamentally changed her life. A man living in seclusion, Phillipe Tibideau is haunted and plagued by memories he cannot disregard. For up-and-coming journalist Gemma Harris, the pursuit of truth is what drives her, and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Chateau Tibideau is a place full of unanswered questions, dark sinful desire, and a beauty so hauntingly sad it will have you wondering how you will ever leave the same...

**Take** - Ella Frank 2017-05-03

TAKE - verb: to reach for and hold in one's hands or get into one's possession, power or control. Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked. Now, Logan finds himself in a predicament that demands more from him than

a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

*In Her Space* - Amie Knight 2018-11-15

I was reunited with Livingston Montgomery in the broad sunshine of a Carolina morning, right where she belonged; in the light. It'd been too long since I'd seen her face. She had changed, but so had I. I was Adam Nova, reformed bad boy. Now, successful business man. I had it all, except for the one person I'd always wanted, and now I was back to claim her. She was living in the shadows, just a shell of the former girl I knew. But it didn't matter that she tried to hide from me in the dark. I'd follow her into the deepest depths of hell. I just wanted to be In Her Space.

**Drive** - Kate Stewart 2017-10-13

Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.

*Pieces Of You* - Jay McLean 2021-06-25

They could've been perfect. In another time. Another world. Where his wasn't falling apart. And hers wasn't already in pieces. - High school senior Holden Eastwood only has one fear in life: growing up. He spends his days unmotivated, moving from one game to the next, searching for his next challenge. He never expected that challenge to come in the form of a girl... A girl with zero fashion sense, a filthy mouth, and a bullsh\*t attitude. Unlike Holden, Jameson Taylor had no choice but to grow up. Neglected, isolated, and forced to raise herself, Jameson only has one goal in life: graduate and move on. The last thing she needs is some guy she can't stand suddenly declaring her as his new hobby. Their lives couldn't be more opposite. Their

pasts a complete paradox. But in each other, they find the unexpected... They find solace. Fragments of forever... A forever that might tear them to pieces.

A NCTE Notable Poetry Book This playful collection of poems--peppered with an astounding variety of animal sounds--is meant to be read aloud together. These poems for two or more voices explore the myriad sounds animals make--from a frog's jug-o-rum to a fish's boom! to an elephant's bark. Laced with humor, the poems are a delight to read aloud and cover all major classes of animals: mammals, birds, fish, reptiles, amphibians, insects, even a crustacean! Readers will learn how to estimate the temperature by counting a cricket's chirps and see how creatures make sounds at specific pitches and frequencies, so that they can be heard despite other noise around them.

Extensive end notes provide more information on the animals and how and why they make the sounds they do. Written by noted children's poet Georgia Heard, this is an ideal collection for parents and children to share, or for a fun, interactive classroom read-aloud.

**A Desperate Man: the Complete Series** - Ella Frank 2015-09-08

Fantasies--we all have them. For some, it's their dream job; others want the wedding, the 2.5 kids, the white picket fence. My fantasies are a bit more...depraved. Dark and sinful, they have destroyed relationships and my livelihood, yet I still submit to them like a slave. Sex. For most, it's a natural expression of love, caring, or lust. But there are those of us who can't stop once we've had a taste. Those of us who don't want to. And the shame of that never-ending cycle will eat us alive... My name is Evan James, and I am a sex addict.

*The Boy & His Ribbon* - Pepper Winters

"What do you do when you meet your soul mate? No wait...that's too easy. What do you do when you meet your soul mate and have to spend a lifetime loving him in secret? I'll tell you what you do. You lie." REN Ren was eight when he learned that love doesn't exist—that the one person who was supposed to adore him only cared how much he was worth. His mother sold him and for two years, he lived in terror. But then...he ran. He thought he'd run on his own. Turned out, he took something of theirs by accident and it became the one thing he never wanted and the only thing he ever needed. DELLA I was young when I fell in love with him, when he switched from my world to my everything. My parents bought him for cheap labour, just like they had with many other kids, and he had the scars to prove it. At the start, he hated me, and I could understand why. For years he was my worst enemy, fiercest protector, and dearest friend. But by the end...he loved me. The only problem was, he loved me in an entirely different way to the way I loved him. And slowly,

my secret drove us apart.
