Although it reveals the reality of those we call 'angels', it beckons the reader to keep an open mind as to how these 'angels' can be scientifically justified. In doing so, the new findings take the reader to a whole new level that verifies the benevolence of these visitors from above and all the sacred teachings about them. Exposing historical subject matter pertaining to both the paranormal and 'ancient alien' genre that has been deemed 'forbidden', this book brings to light some key prophecy breakthroughs encoded in the biblical Revelation; the discovery of real historical star gate devices; a cosmic address; and the probability of an imminent cosmic visitor event. It is a book that is anything but fiction! Due to the high-risk journey undergone in publishing 'The Hidden Records Chronicles' series, the author has deliberately opted for a less academic, far 'safer' New Age style in the presentation of the content rather than an academic one. Moreover, this publication has 'embedded' in it a very deep psychological spiritual inspiration that readers will experience acting deeply on the psyche - subconsciously lifting the veil to awaken one's consciousness. The year 2017 saw a massive chamber uncovered inside the Great Pyramid. What can we expect to find in it? How can we be sure what it is? The ancients have left a record of it... a 'device'... a star gate! The same year also marked the first ever sighting of a deep-space-origin cylindrical object passing through our solar system. The powers that be were persistent in trying to make it look like

a comet but provided no answer as to how it could alter its speed. It was not a rock and the timing of it coincides with this book's new discoveries. The author's first book 'The Hidden Records' published in 2003 compellingly decodes secret symbols and ancient star maps in all ancient civilisations, shocking his readers with his very original Pleiades/Orion star-map star-visitor human origins theory identifying the 'x' that marks the spot. All facts considered; it boldly proposes that humanity originated from one of three sun-like stars near the Pleiades as an arrival. Defining the 'first time' for civilisation on Earth and replacing the doomed Neanderthal. Now with the launch of this 'end times' book, Wayne Herschel takes his established theories a notch higher. This new book begs the question: Are we actually in the 'end times', the end of a chaos period, beginning a new way forward and unveiling what might be an official prophesied 'first contact' event? The two enigmatic symbols of the Alpha and Omega reveal a message. And when compared to segments of the book of Revelation texts, the unthinkable is revealed by these symbols. A hidden world crisis is identified occurring right now, coinciding with an end time prophecy and the relevance of star gates, as well as a revival of the lost knowledge of the actual star gate devices! Readers get to go on a non-dramatized journey with a real symbologist using reasoning and logic, painstakingly decoding each clue previously deemed forbidden. Who would have imagined that the recent deep space object called Oumuamua and the discovery of Atlantis would be tied in with the star maps, the star gate and our amazing ancient-'alien' angelic-bloodline human past? It has 285 pages and detailed full-color graphics and images. There is also the means to access an online gateway with hyperlink-referenced links to free view extra content (limited offer for anyone who purchases the paperback).

Aryanity - Orion Starfire 2017-03-02

Reader beware, the information within this treatise is of a nature known in toto only to a handful of people in this world. Amongst the information within this treatise is of the most esoteric and occult nature concerning Atlantis the ancient Aryan race and the Third Reich. The powers that be have attempted to keep this truth in utter secrecy since the destruction of The Third Reich and have gone to great lengths to demonize the school of thought associated with these secrets. They have since attempted to skew the truth by creating a popular culture of fantasy designed to conceal the true nature regarding the history of the ancient Aryans and their modern rebirth as a culture. To some, this information will seem so outside the norm of what they have been taught their entire lives that they will choose to reject it, out of cognitive dissonance or the fear of having to confront a false world view that many if not most have held since childhood. Within this work many of your most cherished beliefs about history, about your place in this world, and about the moral fortitude of your leaders (both on the left and the right) may be challenged. The lies, which predominantly white/Aryan nations have been indoctrinated to hold true through social engineering for decades will be dispelled like an evil mist before your eyes and you will be set free of the psycho-spiritual prison in which you now reside...if you choose to accept it. This acceptance will require a total paradigm shift for most, a radical mental reprogramming that can make the most powerful of men cower in fear...fear of the radical kind of change that will bring about a total transformation of one's way of life, ones relationship with others, and how one views their place in the world. Likewise, if you choose to accept and proclaim the truth within these pages you will find yourself amongst the growing ranks of social pariah unable to express the truth locked inside them to family, friends, or the public at large without fear of being alienated or even persecuted for attempting to share their enlightenment. Though with every courageous step you take toward the light of truth you will come closer to a complete understanding of who you are, and your glorious destiny as a descendent of the Aryan race!
