Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Hotlanta - Anthony London 2015-05-26

The hum of the machines wasn't what Martice wanted to hear right now but it was a sign that he was getting something done around here. He had walked into the Print & Document Service Department of Max Office Superstore to find mounds of work waiting for him, you'd think by now he was used to it, but like all the other things you'd think he would be use to by now he wasn't. Six months ago he had meet the guy he was sure was the one, while it was a rocky start in the end or at least up till now things where still good. Yea Dre still had his bad habits, but Martice know he was faithful even with all the flirting... Read this compelling short story to find out where things lead with Martice in "Hotlanta."

The Paths Between Worlds: (this Alien Earth Book 1) - Paul Antony Jones 2019-03-15
Welcome Children of Earth. Do not be

afraid. After a devastating car crash leaves her addicted to pain pills and her best friend dead, Meredith Gale has finally been pushed beyond her breaking point. Ending her life seems like the only way out, and that choice has left her dangling by her fingertips from a bridge above the freezing water of the San Francisco Bay. But someone, or some thing, has other plans for Meredith. As her fingers slip from the cold steel of the bridge, a disembodied voice asks her a simple question: "Candidate 13: Do you wish to be saved?" Realizing her mistake too late, Meredith screams "Yes!" and instantly finds herself transported to a mysterious island, alongside hundreds of other Candidates like her, each pulled from human history with seemingly little in common. But when Meredith stumbles across a cryptic message meant only for her, she uncovers an even bigger mystery - a mystery that places the fate of humanity's future firmly in her hands. With the help of her new companions, Meredith sets out on an impossible journey to find the one person who can solve the riddle of why they were brought to this strange, alien Earth... assuming they can survive the dangers that lurk within this new world and the dark forces massing against them. Don't miss the first book in the This Alien Earth Series, a futuristic adventure perfect for fans of Jeremy Robinson, Stephen King & Lost.

Crazy - H. R. Stokes, III 2012-07-26

CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

The Basketball Chronicles of Mister

Jennings - Keith Jennings 2016-03-16

My story is different, but I'm sure every small player that wanted to become a professional basketball player can relate to what I had to go through. I'm 5'7" and there are so many small basketball players that get overlooked because of their size. I want to be the voice for those players. I was blessed by God with the talent and love to be a basketball player. Through God's grace and timing, basketball has shown me parts of the world that I would've never visited and the great support that I received from my family and friends will never be forgotten or taken for granted...dream big, work for it and see what happens! Growing up in the Jennings' household during basketball season was something I loved and respected. Basketball in the morning, basketball in the evening, basketball at night, basketball in the house, basketball in the gyms, basketball at the dunk courts, basketball on television, basketball movies, basketball without a basketball, I just couldn't get enough and then it turned into a memory bank. Memories of family basketball, memories of high school basketball, memories of college basketball, memories of the NBA, memories of European basketball, memories of good games, bad games, great games, and injuries. If the good outweighs the bad you'll be happy to share your story with anyone that asks. You have to understand that a lot of people never gave me a chance. My family believed in me and I believed in myself, and I worked so hard I get chills just thinking about it. The memories don't stop until you stop. I found out very quickly that short basketball players need to be special. Looking back on it, I realized that the short players that I liked were special. Mugsy Boges was 5'3," Spud Webb was 5'7" and could dunk (he won the NBA dunk contest back in the day), Calvin Murphy was a flat out scorer, and the list goes on and on. At this present time there are only 10 basketball players under 6' that have played 3 years or more in the NBA. I felt like I was special because I played basketball on all major levels: high school, college, NBA and European professional basketball. I'm going to take you through a series of events that I believe gave me the opportunity to not only have my basketball dreams come true, but to also be able to make

money doing something I love. Have you ever been to a place where you feel at peace with yourself? If you haven't, I hope you find it before your time on this earth is done. My peace is basketball. It doesn't matter what is going on in my life, I can grab a basketball, find a rim and the rim doesn't even have to have nets. I'll forget everything and just play. It's a great feeling. I believe dreams come true. Mine did and yours can too. You just need to be patient, work hard, don't listen to the negative people (haters), and believe in your own abilities. I did. I had to deal with all of those things and it shaped me to be the man that I am today.

Dark Revelations - Anthony E. Zuiker 2011-12-29

Q: I AM TERRIFYING AND FEAR INSPIRING, AND THE PHYSICAL WORLD CANNOT TOUCH ME. WHEN I'M FINISHED, YOU MAY NOT EVEN REMEMBER ME. WHAT AM I? A: A NIGHTMARE. It is well-known among law enforcement personnel that murderers can be categorized as belonging to one of twenty-five levels of evil—from the naive opportunists at Level 1 to the premeditated torture murderers of Level 25. What almost no one knows—except for the elite investigative group headed by Steve Dark—is that a new category of killer has emerged. Now a new Level 26 killer called Labyrinth is causing a worldwide media sensation by committing crimes so depraved, they're creating a global panic. Only Dark can stop the killer—if he can solve Labyrinth's most complex and terrifying riddle. THE REVELATIONS ARE HERE. ARE YOU READY TO PLAY?

2040 - Robert Storey 2013-07

The Ylem - Tatiana Vila 2011-05-05

An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives

from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

Pirate Journey - Philip Anderson 2013-01-25
Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get

ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? Pirate Journey explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

The thrilling conclusion to the bestselling Extinction Point series, Revelations takes a humanity on the brink of devastation... and throws it over the edge!

Four Views on the Book of Revelation - C. Marvin Pate 2010-08-03

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the "mark of the beast," variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? Four Views on the Book of Revelation explores the four main views in which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians.

Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the

Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

A Complicated Legacy - Robert H. Stucky
2014-05-23

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

[Revelation Unraveled](#) - William R. Villanueva 2009-07

Before widespread use of the Internet, before 9/11, and before our preoccupation with modern day terrorism, Mr. Villanueva wrote a concise and compelling view of what the Book of Revelation says will happen as the day of Christ's return to Earth draws near. The facts presented in *Revelation Unraveled* continue to unfold as stated with the most important events yet to come. The book's emphasis on Scripture gives the reader a thorough knowledge of what the Bible has to say about end time events in a seamless and captivating way. Any person with the slightest interest in understanding why world events are happening the way they are

and what the Bible says about a coming world government, cashless society, the Great Tribulation and Final Judgment owe it to themselves to read this book. It serves as a wake-up call to complacent Christians and non-believers alike.

Genesis - Paul Antony Jones 2015-11-03

Extinction Point - Paul Antony Jones 2013

First comes the red rain: a strange, scarlet downpour from a cloudless sky that spreads across cities, nations, and the entire globe. In a matter of panicked hours, every living thing on earth succumbs to swift, bloody death. With only wits, weapons, and a bicycle, Emily must undertake a grueling journey across a country that's turning increasingly alien. For though she fears she's been left to inherit the earth, the truth is far more terrifying than a lifetime of solitude.

Dearly Beloved - Aimee Mackovic 2016-08-17

Dearly Beloved is a short book of poems dedicated to, for, and about Prince.

The Late Great Planet Earth - Hal Lindsey 2016-10-11

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Knightingale - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

Romantic Revelations - Chris Washington 2019-08-22

Romantic Revelations shows that the nonhuman is fundamental to Romanticism's political responses to climatic catastrophes. Exploring what he calls "post-apocalyptic Romanticism," Chris Washington intervenes in the critical conversation that has long defined Romanticism as an apocalyptic field. "Apocalypse" means "the revelation of a perfected world," which sees Romanticism's back-to-nature environmentalism as a return to paradise and peace on earth. Romantic Revelations, however, demonstrates that the destructive climate change events of 1816, "the year without a summer," changed

Romantic thinking about the environment and the end of the world. Their post-apocalyptic visions correlate to the beginning of the Anthropocene, the time when humans initiated the possible extinction of their own species and potentially the earth. Rather than constructing paradises where humans are reborn or human existence ends, the later Romantics are interested in how to survive in the ashes after great social and climatic global disasters. Romantic Revelations argues that Percy Shelley, Mary Shelley, Lord Byron, John Clare, and Jane Austen sketch out a post-apocalyptic world that, in contrast to the sunnier Romantic narratives, is paradoxically the vision that offers us hope. In thinking through life after disaster, Washington contends that these authors craft an optimistic

vision of the future that leads to a new politics.
I Am Not My Hair - Shawneda 2013-04-29
The previous scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun and freedom as she enters her mid fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had.
