Gardening for the Zombie Apocalypse - Phil Clarke 2019-10-03

Climate change? Brexit? Screaming brain-biters? Don't lose the plot - this book can help! Irreverent, straightforward and useful, it shows even complete beginners how to grow enough of their own food to survive when Armageddon arrives and imports collapse - or even if they don't. A grow-your-own guide for the generation who'd rather eat compost than watch Gardeners' World, it tells you how to sow and grow 20 key crops, whether you have two pots, a patio or a whole allotment to play with. It takes you through what seeds, tools and other kit you'll need, teaches you how to plan and plant your site for maximum nutrition, and suggests gardening projects to get underway while civilization still stands, from growing dinner in a dustbin to a juice bar on a balcony - all while sticking a garden fork in the eye of the undead. Gardening for the Zombie Apocalypse: surviving has never been so much fun.

How A Loser Like Me Survived the Zombie Apocalypse - Steven Berezna 2017-09-17

Bestselling, award-winning, post-apocalyptic master Steven Berezna ruthlessly pits a below-average Joe against a zombie horde...and his ex-girlfriend from hell. After a devastating breakup, loser Marty Melon doggedly reassembles his shattered self. Confidence boosting Ted Talks, muscle-crushing kettlebell swings, and key episodes of The Golden Girls transform him from zero to b-list hero. This suicidal reject, turned pick-up artist, turned sensitive new age guy, finally has it all: a house, the quirky woman of his dreams, and abs. "F#%k you, world," he thinks with alpha confidence. "Challenge accepted," the world replies, and everything goes to zombie crap. Will Marty make it? He's no longer an average frustrated chump. He's in the best mental and physical shape of his life. "Ninja" bro crush and gay-best-friend Gary is at his side. But to triumph in the end-of-days, Marty must defeat his most dangerous foe of all-the woman who broke him in the first place.

The Forest of Hands and Teeth - Carrie Ryan 2010-02-09

In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's truths are failing her. She's learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? [STAR] "A bleak but gripping story...Poignant and powerful."-Publishers Weekly, Starred "A postapocalyptic romance of the first order, elegantly written from title to last line."-Scott Westerfeld, author of the Ugliest series and Leviathan "Intelligent, dark, and bewitching, The Forest of Hands and Teeth transitions effortlessly between horror and beauty. Mary's world is one that readers will not soon forget."-Cassandra Clare, bestselling author of City of Bones "Opening The Forest of Hands and Teeth is like cracking Pandora's box: a blur of darkness and a precious bit of hope pour out. This is a beautifully crafted, page-turning, powerful novel. I thoroughly enjoyed it."-Melissa Marr, bestselling author of Wicked Lovely and Ink Exchange "Dark and sexy and scary. Only one of the Unconsecrated could put this book down."-Justine Larbalestier, author of How to Ditch Your Fairy

Vampire's Guide To The Zombie Apocalypse - Teejay LeCapois 2015-12-06

Salaam, my friends. My name is Omar Ismail. I was born in Calgary, Alberta, to a Somali Muslim immigrant father and a white Canadian mother. Growing up, I never really fit in anywhere. Life is not exactly easy for interracial families out here in redneck country. When I started classes at Mount Royal University, I thought I'd finally be free. Then the Zombie Apocalypse happened, and I found myself in a military unit dedicated to eradicating the Undead. My unit was attacked by a new threat, the Legion of Vampires. Alawa Anakausuen, a Vampire Queen of Cree First Nations descent, turned me into one of them. Now, along with my new Vampire allies, I must battle both the living and the dead to survive in this mad world. Welcome to my absolutely fabulous Afterlife.

Zombie Apocalypse - B. A. Frade 2017-04-18

A new entry in the frightfully fun series perfect for fans of Goosebumps. Ryan and Tyler are obsessed with zombies-each year, they tie for first place at their school's annual costume contest with their grosser than gross zombie costumes. When some seriously spooky looking zombies show up at the dance this year, the boys think someone has called in a Hollywood makeup artist to finally snag the trophy. Little do they know, this isn't a case of special effects...it's a Zombie Apocalypse, courtesy of the Scaremaster! Can they outwit the Scaremaster and save their classmates, or will their brains be on the menu?

Rebels of the Zombie Apocalypse Call Center - Taylor Ellwood 2022-02-10

Sam's got a lead on the cure for the zombie virus. But to get the cure, Sam has to do something that doesn't come easily to him. He's got to follow orders from Garret, a no-nonsense, by the book commander who isn't impressed with Sam's customer support skills or his lack of discipline. But can Sam and Garret work together, when Sam does anything but follow the rules? To find the cure, Garret and Sam need to infiltrate a Zombii Co. factory, but the factory contains more secrets than just the cure. It contains Zombii Co's other experiments with zombies and an insane manager willing to do anything it takes to keep those secrets where they belong, including infecting everyone in the factory with the zombie virus. When Sam's mission goes sideways, he has to fight his way through acid spitting zombies and super zombies while working with Garret to keep his unit alive, and keeping all of them uninfected. If Sam doesn't get his act together, he could lose his friends. Worse... He could lose the cure that can save the world from the zombie apocalypse.

experiment went wrong. Perhaps the answer lies at the school they came from. Sander and Sally find themselves fighting back hordes of zombies and wonder if it is ever going to stop. They should one zombie after another. But then they meet a zombie who is different from the rest. Will this particular zombie lead them to the solution of the apocalypse? Read the book and find out!

Mortal - Shawn Chesser 2013-12-21

Mortal, Book 6 in the Surviving the Zombie Apocalypse series, picks up immediately where "Allegiance: Surviving the Zombie Apocalypse" left off. Outbreak Day 16: With an estimated ninety-nine percent of the United States' population having already succumbed to the Omega Virus and reanimated to form roving hordes of flesh-eating monsters, two groups of survivors struggle against long odds to survive the zombie apocalypse. Returning from a mission to secure the brain power necessary to replicate an antiserum that has successfully brought one Omega-infected man back from the brink of death, the stealth helicopter carrying Captain Cade Grayson and his small team of Delta Force operators responsible for successfully pulling off the daring feat goes missing. Fearing that the helo has gone down in the zombie-infested countryside somewhere near Pierre, South Dakota, the life-or-death-of the men may depend on a decision made by Major Freda Nash, five hundred miles away. Will she send all available resources to search for the missing Ghost Hawk and the eight men aboard? Or will she be forced to put her personal feelings aside for the good of mankind and shift the focus solely to seeing that the aircraft carrying the scientists rescued from the NML, Canada's answer to the CDC, makes it safely back to Schriever AFB? Meanwhile, awaiting Cade's return at Schriever AFB, Brooklyn Grayson and daughter Raven are making final preparations to leave Schriever for the compound near Eden, Utah, when a soldier shows up on their doorstep, unannounced and bearing heartbreaking news. Four hundred miles northwest of Schriever, Logan Winters, his brother, Duncan, and a group of survivors newly arrived from Jackson Hole struggle to adapt to life at the Eden Compound-forced to deal not only with the threats posed by the insatiable dead, but also with a group of marauders hell-bent on taking everything they hold dear. Our survivors find out, up close and personal, who is Mortal, and who will survive to fight another day.

Last Man Standing: the Complete Trilogy - Keith Taylor 2019-01-09

"Writing so brilliant it's impossible to put down" ... "Exceptional" ... "Surprised and delighted" BANGKOK, MARCH 2018. The world looked on in horror as millions of innocent lives were snuffed out in a matter of hours. Countless men, women and children slaughtered without mercy, torn apart by a violent mob that attacked without reason, motive or warning. Tom Freeman witnessed the aftermath. He reported on the tragedy and looked into the eyes of the sole survivor, an old friend, and what he saw looking back sent him running home to the United States. Back to safety. Back to a place where the world made sense, and the putrid stink of the dead didn't haunt his nightmares... Turns out he didn't run quickly enough. They're coming. Remain indoors... Gather supplies... Find a weapon... The zombies are here, and they're hungry. This is the Last Man Standing trilogy, complete, unabridged and collected for the first time in a single volume. From the author of the internationally bestselling This Is the Way the World Ends: An Oral History of the Zombie War.

Zombie Apocalypse! Fightback - Stephen Jones 2012-10-04

This long-awaited sequel to the bestselling Zombie Apocalypse! is once again a 'mosaic novel' which weaves together contributions from big-name horror writers in the form of essays, reports, letters, official documents and transcripts to create a coherent and compelling narrative. In volume one old-school, flesh-eating zombies spread 'The Death' around the world. Now, the fightback begins. Praise for Zombie Apocalypse: Clever, gruesome, poignant and pacy . . . it's hard to avoid this book's clutches - much like the shambling corpses that fill its pages. Financial Times. 'An innovative, collaborative venture.' The Bookseller. 'Moving, funny, terrifying and strikingly original.' SFX.

The Art of Eating Through the Zombie Apocalypse - Lauren Wilson 2014-10-28

Just because the undead's taste buds are atrophying doesn't mean yours have to! You duck into the safest-looking abandoned house you can find and hold your breath as you listen for the approaching zombie horde you've been running from all day. You hear a gurgling sound. Is it the undead? No—it's your stomach. When the zombie apocalypse tears down life and society as we know it, it will mean no more take out, no more brightly lit, immaculately organized aisles of food just waiting to be plucked effortlessly off the shelves. No

more trips down to the local farmers' market. No more microwaved meals in front of the TV or intimate dinner parties. No, when the undead rise, eating will be hard, and doing it successfully will become an art. The Art of Eating through the Zombie Apocalypse is a cookbook and culinary field guide for the busy zpc survivor. With more than 80 recipes (from Overnight of the Living Dead French Toast and It's Not Easy Growing Greens Salad to Down & Out Sauerkraut, Honey & Blackberry Mead, and Twinkie Trifle), scads of gastronomic survival tips, and dozens of diagrams and illustrations that help you scavenge, forage, and improvise your way to an artful post-apocalypse meal. The Art of Eating is the ideal handbook for efficient food sourcing and inventive meal preparation in the event of an undead uprising. Whether you decide to hole up in your own home or bug out into the wilderness, whether you prefer to scavenge the dregs of society or try your hand at apocalyptic agriculture, and regardless of your level of skill or preparation, The Art of Eating will help you navigate the wasteland and make the most of what you eat.

An Ethical Guidebook to the Zombie Apocalypse - Bryan Hall 2019-12-12

When your base camp is overrun by zombies, whom do you save if you cannot save everyone? Is it permissible to sacrifice one survivor to an undead horde in order to save a greater number of the living? Do you have obligations to loved ones who have turned? These are some of the troubling ethical questions you might face in a zombie apocalypse. Bryan Hall uses situations like these to creatively introduce the foundational theories of moral philosophy. Covering major thinkers such as Aristotle, Immanuel Kant, and John Stuart Mill, this is an introduction to Ethics like no other: a practical guidebook for surviving a zombie outbreak with your humanity intact. It shows you why moral reasoning matters as long as you still walk among the living. The book is written entirely from the perspective of someone struggling to survive in a world overrun by the undead. Each chapter begins with graphic art and a "field exercise" that uses a story from this world to illustrate an ethical problem. By considering moral controversies through the unfamiliar context of a zombie apocalypse, the morally irrelevant factors that get in the way of resolving these controversies are removed and you can better answer questions such as: · Do we have a moral obligation to help those less fortunate than ourselves? · Is it ever morally permissible to intentionally kill an innocent person? · Are non-rational but sentient beings morally considerable? Equipped with further reading sections and overviews of the theories that you would usually cover in an introductory Ethics course, this one-of-a-kind primer critically evaluates different procedures for moral action that you can use not only to survive but flourish in an undead world.

A Pound of Flesh - Shawn Chesser 2012-12-03

When the Omega virus antiserum is destroyed along with its creator and his assistant, Delta Force Captain Cade Grayson begins to formulate a plan that will send him hurtling on a collision course with the parties responsible for the terrorist attack.

The Zombie Apocalypse Survival Guide for Teenagers - Jonathan McKee 2013-08-15

The Zombie Apocalypse Survival Guide for Teenagers isn't a normal book. It's not even a normal Zombie survival guide. It's a story of three teenagers enduring and surviving against the odds, adapting where many adults failed. Not many teenagers survived "The Havoc," probably because most didn't acclimate and learn like these three. So what's the secret to their survival? Good question. The answer lies in these pages, a journal written by a teenager named Chris. Each section includes some discussion questions to help you digest what you just read. These questions will point to the Bible here and there for some wisdom that has stood the test of time: wisdom for surviving your real world.

[Living with the Living Dead](#) - Greg Garrett 2017-05-01

When humankind faces what it perceives as a threat to its very existence, a macabre thing happens in art, literature, and culture: corpses begin to stand up and walk around. The dead walked in the fourteenth century, when the Black Death and other catastrophes roiled Europe. They walked in images from World War I, when a generation died horribly in the trenches. They walked in art inspired by the Holocaust and by the atomic attacks on Japan. Now, in the early twenty-first century, the dead walk in stories of the zombie apocalypse, some of the most ubiquitous narratives of post-9/11 Western culture. Zombies appear in popular movies and television shows, comics and graphic novels, fiction, games, art, and in material culture including pinball machines, zombie runs, and lottery tickets. The zombie apocalypse, Greg Garrett shows us, has become an archetypal narrative for the contemporary world, in part because zombies can stand in for any of a variety of global threats, from terrorism to Ebola, from economic uncertainty to ecological destruction. But this zombie narrative also brings us emotional and spiritual comfort. These apocalyptic stories, in which the world has been turned upside down and protagonists face the prospect of an imminent and grisly death, can also offer us wisdom about living in a community, present us with real-world ethical solutions, and invite us into conversation about the value and costs of survival. We may indeed be living with the living dead these days, but through the stories we consume and the games we play, we are paradoxically learning what it means to be fully alive.

So... I Survived the Zombie Apocalypse and All I Got Was This Podcast - Chris W. Freeman 2013-12-03

In the middle of a zombie apocalypse, Mara Mitchell discovers that the zombies only eat males, and she goes on a mission to make friends with the undead.

[Undead War: Tales of the Zombie Apocalypse](#) - Dead Guns Press 2015-12-08

The Undead War means a battle of survival for the remaining pockets of humanity. It's the only thing that matters these days. Survive and win at all cost. The old ways of life mean nothing anymore. Those God-forsaken 9-to-5 jobs, the bills, the corporate empires, politicians bickering over stupid crap, all those laws on the books and everything that meant anything were swept aside. That includes those nice big screens

televisions, computers, jewelry, gold, those fancy cars and the money that everyone slaved their asses off to get - it don't mean a damn thing anymore. When those things came back to life, the governments said they were going to eradicate the undead, the zombies, zekes, ferals, walkers or whatever those damned things are being called these days, but instead the governments the world over just collapsed. There's nothing left of the old ways of life just the surviving and dying.

To save Sam, Alisha will have to leave her team behind and take to the road on her own. But trying to save your brother during a zombie apocalypse is no easy matter, especially when you have to survive both the zombies and the marauding survivalists that are on the road. If Alisha can't save Sam from himself, it's not just his humanity that's on the line... It's the entire world. Can Alisha save Sam and stop the zombie apocalypse? Find out in the thrilling conclusion to the zombie apocalypse call center series.

...But If a Zombie Apocalypse Did Occur - Amy L. Thompson 2015-07-29

Part pop culture trope, part hypothetical cataclysm, the zombie apocalypse is rooted in modern literature, film and mythology. This collection of new essays considers the implications of this scientifically impossible (but perhaps imminent) event, examining real-world responses to pandemic contagion and civic chaos, as well as those from Hollywood and popular culture. The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion.
