**Barbarian Lover** - Ruby Dixon 2022-07-12

The third novel in the Ice Planet Barbarians series, an international publishing phenomenon—now in a special print edition with bonus materials and an exclusive epilogue! Kira plans on remaining single on this alien planet—she doesn't want a mate anyway. At least, that's what she tells herself. But when Aehako comes along, everything changes. . . . As one of the humans stranded on the ice planet, I should be happy that I have a new home. Human women are treasured here, and one alien in particular has made it clear that he's interested in me. It's hard to push away the sexy, flirtatious Aehako when I long to grab him by his horns and insist he take me to his furs. But I've got a terrible secret—a few of them, actually. I'm convinced that Aehako can never love me if he knows the full truth. More worryingly, the aliens who abducted me are back, and thanks to the translator in my ear, they can find me. My presence here endangers everyone . . . but can I give up my new life and the man I desire more than anything? And will he even want me if he knows my secrets?

[Barbarian's Mate](#) - Ruby Dixon 2016-04-02

'Resonance' is supposed to be a dream - that's when your soulmate is chosen for you. And everyone on the ice planet has hooked up with a big, hunky soulmate of their own...except me. So do I want a mate? Heck yeah. More than anything, all I've ever wanted is to be loved by someone. Except that the soulmate chosen for me? My least favorite person on the darn ice planet. Haeden's the most cranky, disapproving, unpleasant, overbearing male alien...so why is it that my body sings when he gets close? Why is

he working so hard to prove to me that he's not as awful as I think he is? I hate him...don't I?

**Barbarian's Hope** - Ruby Dixon 2016-11-23

Seasons ago, I resonated to the quietest of tribesmates, a male content to love me from afar while I was the center of attention. We could have been happy. Despite our differences, I loved him and he loved me. But then a terrible thing happened...and my world was never the same again. Now resonance is giving us a second chance, but...I'm afraid. What if what I have with my mate is too broken to be fixed? What if there's no hope left for us at all?

[Claimed by the Mountain Man](#) - Gemma Weir 2021-11-30

Infuriating, sexy and seemingly everywhere, Penn Barnett is far too sexy for his own good. It seems like every woman in Rockhead Point has had a taste of the mountain man, and I can definitely see the appeal. When I literally fall into his orbit, he tells me I'm his the moment our eyes meet. But my life is anything but simple, and right now I just don't have the time or energy for another complication in my world... no matter how hot he is. Only he isn't prepared to take no for an answer... and he's determined to make me his. Now he's everywhere I am, following me home and trying to take over my life. But I'm not the only woman who wants to be claimed by him and his ex has open access to my life, especially when I'm staying in her mom's house. If I'm his and he's mine, how come everything is trying to tear us apart? He wants to claim me, and I might want that too, but my life isn't my own, and for the first time ever... the Barnett brothers' legacy might not be as powerful as real life.

*Barbarian's Rescue* - Ruby Dixon 2017-06-12

Bad day? Try mine on for size. Rogue slavers have landed on the ice planet and captured the tribe. The only ones not snatched? Me, a walking human motormouth with no skill except that of incoherent babbling, and Warrek, who's as silent as he is attractive. Two more unlikely people have never been paired together. And now we're supposed to form a rescue team. Saving the others is either going to bring us closer together - or drive us completely apart. I'm pretty sure the feelings I'm having for my alien companion are as unrequited as they are inappropriate, but since we aren't going to make it out alive, what harm is one teeny, tiny kiss? Who knew that one kiss could change everything?

### **Barbarian's Seduction: A Scifi Alien**

**Romance** - Ruby Dixon 2019-03-16

The long-awaited story of the romance of Marlene and Zennek.

*Barbarian's Heart* - Ruby Dixon 2016-10-16

I've never spent a day without my mate since arriving on the ice planet. I'm happy and in love, and we have a beautiful child together. All that changed when the world shook. My mate nearly died. He wakes up from his coma...and he can't remember me. Or our son. Every memory of the past two years is gone. And that changes everything between us. How can I love someone that doesn't remember me? How can I not, when I know he's still my mate underneath it all?

*Barbarian's Lady* - Ruby Dixon 2017-03-15

You'd think a tall woman would fit in on a planet of seven-foot-tall aliens, but even on the ice planet, I'm still a weirdo and an oddity. I'm everything all the other cute, dainty human women aren't. One guy in particular - the alien Harrec - is determined to embarrass me by pretending he's interested. He's a jokester that flirts like mad and hits on me constantly just to make me feel foolish. He gets under my skin. He makes me so frustrated I want to scream. When a side-trip to a glacier turns into a nightmare and the two of us are forced to survive alone, I see another side to the enticing blue alien. Even with no one else around, his compliments keep coming and I start wondering if the attraction between us...is real.

Barbarian Mine - Ruby Dixon 2022-09-13

The fourth novel in the international publishing phenomenon the Ice Planet Barbarians series,

now in a special print edition with bonus materials and an exclusive epilogue! Harlow receives the shock of her life when she wakes up to see Rukh, a stranger who has clearly been on his own his whole life, but she soon learns that there is much more to this gruff, barbaric alien than the savage he appears to be. The ice planet has given me a second lease on life, so I'm thrilled to be here. Sure, there are no cheeseburgers, but I'm healthy and ready to be a productive member of the small tribe. What I didn't anticipate? That there'd be a savage stranger waiting nearby, watching me. And when he takes me captive, the unthinkable happens...I resonate to him. Resonance means mating, and children...but I don't know if this guy's ever been around anyone before. Rukh is utterly wild. He's completely uncivilized, can't speak more than a few words and doesn't know what clothes are. A human—a human woman—is mystifying to him. He's truly a barbarian in all ways, and like Tarzan in the stories, he's kidnapped me and claimed me for his own. Being with him means I'm going to have to teach him to speak, how to kiss, and how to be human. Or even alien. It should be a terrifying prospect...so why is it that I crave his touch and hunger for more?

2021-11-30

The international publishing phenomenon Ice Planet Barbarians, now in a special print edition! Fall in love with the out-of-this-world romance between Georgie Carruthers, a human woman, and Vektal, an alien from another planet, in this expanded edition with bonus materials and an exclusive epilogue—in print only! You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now the aliens are having ship trouble, and they've left their cargo of human women—including me—on an ice planet. We're not equipped for life in this desolate winter wasteland. Since I'm the unofficial leader, I head out into the snow to look for help. I find help all right. A big blue horned alien introduces himself in a rather . . . startling way. Vektal says that I'm his mate, his chosen female—and that the reason his chest is purring is because of my presence. He'll help me and my people survive, but this poses a new problem. If Vektal helps us survive,

I'm not sure he's going to want to let me go.

**Barbarian's Choice** - Ruby Dixon 2016-12-22

I might be the only unmated female in my tribe, but it doesn't mean I've given my heart. I'm waiting. I want resonance, and I won't settle for anything less. But when an alien ship lands and a handsome stranger steps out, I know he's the one. His name's Mardok and he's fascinatingly different - and distractingly appealing. But Mardok can't stay on the ice planet, and he says he can take me with him. Now, I must make a choice. Do I stay and lose my mate forever? Or do I follow him to the stars and leave behind everything I know?

**Lauren's Barbarian** - Ruby Dixon 2017-10-22

A lush, tropical island on an icy planet makes no sense. Then again, not much makes sense anymore after waking up and finding myself not in bed, but on a strange world populated by aliens. Since that moment, I've learned that nothing is normal anymore and I've got to roll with the punches. But it isn't long before I learn that the tropical island paradise is a death trap and we're in grave danger, aliens and humans alike.

**Barbarian's Touch** - Ruby Dixon 2016-06-11

When I wake up on the ice planet, I'm scared of everything: this place is cold, silent, and the locals look more like blue devils than aliens. To make matters worse, one of the strangers decides I'm going to be his girlfriend and kidnaps me away from my sister. I'm completely and utterly alone. What's a girl to do? Well, this girl escapes. Of course, that means I go from frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero appears. Sure, he's blue, horned, and has a tail. He's also fierce, protective, makes me purr...and thinks I'm perfect. But is what we have real or just a mating instinct?

**Barbarian's Prize** - Ruby Dixon 2016-03-04

It's hard being the most popular girl on the ice planet. The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs. But they don't know my secrets - none of them do. And they don't realize that behind my smile, I just wish they'd go away. I don't want any of them. I want someone else - someone with a gorgeous blue body, big horns, and the most intense gaze ever. He's the only one that knows the truth. Maybe with him, I can work through my fears of the past....but I'm pretty sure he wants more than just friendship. He wants forever, and I'm not sure I can give it.

**The Barbarian Prince** - Michelle M. Pillow 2005

DRAGON LORDS: Book One The four Qurilixian Princes have no problem with commitment. In one night, using the power they were born with, they will meet and choose their life mate in a simplistic ceremony involving the removing of masks and the crushing of crystals. With very

few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go.... Breaking up was never so hard... Going undercover at Galaxy Brides as one of the prospective mates to these Viking-like barbarians, Morrigan has no intention of getting chosen to stay. But when Ualan of the Draig picks her to be his wife with the aid of his mystically glowing crystal, it is all she can do to say no. Waking up from a drug-induced night of torturous and unfulfilling pleasures, Morrigan discovers her spaceship has left without her and Ualan is claiming she is his wife. It's not exactly the story this reporter had in mind. And to make matters worse, Ualan refuses to take no for an answer. Being cursed by the Gods was never so frustrating... Prince Ualan is like all others of his race on the male dominated planet of Qurlixen. He is raised to trust the mystic powers around him and when it comes time to marry, he is ready to follow those powers to choose his life mate. When the stubborn, yet achingly beautiful, Morrigan refuses to accept their shared fate and his supreme authority over her, it is all he can do not to break her lovely neck. Rating: Contains graphic sexual content, adult language, and violence.

**Barbarian's Treasure** - Ruby Dixon 2020-04-25  
Everyone knows Megan and Cashol hit it off the moment they resonated...didn't they? But when Josie goes into labor, an off-hand comment makes Megan point out to her friend that no, things weren't always so smooth. Just because resonance is immediate doesn't mean it's immediately perfect. But also...just because it's an instant bond doesn't mean it's wrong. Sometimes it's very, very right.

*A Baby for the Alien Prince: Celestial Mates (the Alva Book 1)* - Miranda Martin 2020-08-22

**Yonder** - Jabari Asim 2022-01-11  
The Water Dancer meets The Prophets in this spare, gripping, and beautifully rendered novel exploring love and friendship among a group of enslaved Black strivers in the mid-19th century. They call themselves the Stolen. Their owners call them captives. They are taught their captors' tongues and their beliefs but they have a language and rituals all their own. In a world that would be allegorical if it weren't saturated in harsh truths, Cato and William meet at Placid Hall, a plantation in an unspecified part of the American South. Subject to the whims of their tyrannical and eccentric captor, Cannonball Greene, they never know what harm may befall them: inhumane physical toil in the plantation's quarry by day, a beating by night, or the sale of a loved one at any moment. It's that cruel

practice—the wanton destruction of love, the belief that Black people aren't even capable of loving—that hurts the most. It hurts the reserved and stubborn William, who finds himself falling for Margaret, a small but mighty woman with self-possession beyond her years. And it hurts Cato, whose first love, Iris, was sold off with no forewarning. He now finds solace in his hearty band of friends, including William, who is like a brother; Margaret; Little Zander; and Milton, a gifted artist. There is also Pandora, with thick braids and long limbs, whose beauty calls to him. Their relationships begin to fray when a visiting minister with a mysterious past starts to fill their heads with ideas about independence. He tells them that with freedom comes the right to choose the small things—when to dine, when to begin and end work—as well as the big things, such as whom and how to love. Do they follow the preacher and pursue the unknown? Confined in a landscape marked by deceit and uncertainty, who can they trust? In an elegant work of monumental imagination that will reorient how we think of the legacy of America's shameful past, Jabari Asim presents a beautiful, powerful, and elegiac novel that examines intimacy and longing in the quarters while asking a vital question: What would happen if an enslaved person risked everything for love?

*Barbarian Alien* - Ruby Dixon 2022-01-25

The second novel in the Ice Planet Barbarians series, the international publishing phenomenon—now in a special print edition with bonus materials and an exclusive epilogue! Liz Cramer swears she'll find a way off of this alien planet she's stuck on—then she meets Raahosh, the surliest and stubbornest alien, who won't leave her alone, and she just might be okay with that... Twelve humans are left stranded on a

wintry alien planet. I'm one of them. Yay, me. In order to survive, we have to take on a symbiont that wants to rewire our bodies to live in this brutal place. I like to call it a "cootie." And my cootie's a jerk, because it also thinks I'm the mate to the biggest, grumpiest alien of the bunch. Raahosh believes the cootie's right, so he steals me away from the group, determined to make me fall for him—or else. He has no idea who he's up against. And if I didn't want his insufferable self so much (thanks, cootie), I'd let him know exactly what I'm thinking. As it is, I'm doing my best to fight this instant attraction. Just because the symbiont thinks we're supposed to be together doesn't mean I have to go along with it. And if we fool around a little, it's merely biology. It doesn't mean I'm in love—or that I'm destined to be his.

Princess Helena's life is changed forever when her half-brother, the newly crowned king, offers her as tribute to a band of barbarian raiders in return for a halt to their pillaging. Though she does her best to view the arrangement as a sacrifice for the good of her people, Helena is shocked to discover that she will be claimed as a bride by not one, but two of the tribe's warriors. Not only do Helena's new husbands prove more than ready to correct any disobedience with a firm hand applied to her bare bottom, the two huge, handsome brutes have no qualms about enjoying her beautiful body anytime and anywhere they please, even in full view of the rest of the tribe. But when custom demands that they share their new mate with the other warriors, will they follow tradition or risk tearing their society apart to keep Helena for themselves? **Barbarian's Taming** - Ruby Dixon 2016-09-03 As a newcomer to the alien tribe, I've struggled to find my place. It might be because I'm a tad headstrong at times. And yes, I might have thrown a few things at people's heads. But I had a good reason to pitch a fit - my shy sister was stolen away right under my nose. Of course, now

she's back and mated. Everyone's happy...except me. I need...affection. Attention. Okay, I'm lonely. Really lonely. Strangely enough, the only person that I think understands what I'm going

through is the same blue-skinned brute that stole my sister. It's wrong to hook up with him, even as a mindless fling. Except...I'm not so good with the whole 'rules' thing. And he's not so great with the 'fling' thing.
