Beyond the Therapeutic State - Del Loewenthal
2020-06-30

The therapeutic state is a pervasive set of practices and ideologies which have been ever present in the twentieth century. This book of

international contributors is about bringing into question many of these reified, dogmatic ideologies. Classifications, diagnosis and the treatments have been shown to be ineffectual for many populations across the globe, but still we

persist with redundant, defunct methods and techniques. Why? Because, as some would suggest, we have nothing better. The danger is that the state is taking away one of the last confidential spaces for people to allow thoughts to come to them has never been greater. This book invites readers to think beyond the state and its therapeutics. It will be relevant to many professions, professionals, service users, families, survivors and organisations; and those who are looking for something different. This book was originally published as a special issue of the European Journal of Psychotherapy & Counselling.

Corporate and Business Law - Association of Chartered Certified Accountants (Great Britain) 2007-11

ACCA Paper F4 - Corp and Business Law (Eng) Study Text - BPP Learning Media
2009-07-01

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The ACCA F4 UK syllabus seeks to develop knowledge and understanding of the English legal framework that is relevant to the business context in which accountants work.

Human Rights law is also important and students must appreciate the fact that further legal advice should be sought where necessary. The syllabus also covers how businesses are affected by the law, including: * The types of business that can be established * How companies are formed, administered, financed and closed down * How businesses trade * How a business deals with its employees * The impact of ethics and corporate governance. This examiner reviewed F4 UK text takes the reader on a journey from complete novice to an accountant who has a good understanding of the legal issues relevant to businesses. It comprehensively covers all the detail required to pass the ACCA's law exam and according to the examiner "makes the task of coming to terms with it almost enjoyable". BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
