New compositions for solo classic guitar by acclaimed guitarist and composer, David Pritchard. All solos are in standard notation. In addition to all the music I've written over the past twenty years for multiple acoustic guitars, I have on occasion felt inspired to write a smaller number of pieces for just one guitar. Exploring a meditative feel was my motivation for writing "A Pale View, A Silent Dream, and Restoration. A Silent Dream can be played either as a solo piece or it can be enhanced by having another guitarist play the second part. Arundo is basically a right hand study piece, alternating between two patterns both in different meters, while Orb Weaver is primarily a Latin rhythm study with much syncopation, alternating simply between two chords. Coryza was written with the acoustic steel string in mind using DADGAD tuning.

Christmas Carols for Flute & Guitar - MYCHAL GENDRON
2015-09-30

This volume contains some of the most popular traditional carols, arranged for flute and guitar. Modulations, imitative counterpoint and quotations from works by well-known composers will, hopefully, make these little pieces enjoyable for performers as well as listeners. for intermediate level flutists and guitarists. From Nomads to Pilgrims - Diana Butler Bass 2005-12-30

In *The Practicing Congregation* (Alban, 2004), Diana Butler Bass explored the phenomenon of "intentional congregations," an emerging style of congregational vitality in which churches creatively and intentionally re-appropriate traditional Christian practices such as hospitality, discernment, contemplative prayer, and testimony. Against the steady flow of stories highlighting "mainline decline," *The Practicing Congregation* suggested that there is a new and often overlooked renaissance occurring in mainline Protestant churches. The success of *The Practicing Congregation* made it clear that the next step was to provide examples that would illustrate the concepts laid out in that initial work. In *From Nomads to Pilgrims*, the editors continue to build this narrative, gathering specific stories of congregational vitality and transformation from participants in their research at the Project on Congregations of Intentional Practice, a Lilly Endowment Inc. funded study at Virginia Theological Seminary. Including stories from a variety of faith traditions across the U.S., *From Nomads to Pilgrims* explores: how intentional congregations develop ; how they negotiate the demands of interpreting traditional Christian practices in a postmodern culture ; how these practices lead to congregational and personal transformation. Each chapter is an instructive case study, illustrating a unique expression of the vitality experienced by a congregation that intentionally reclaims a traditional Christian practice. The pastors who have been involved in these congregations' stories share their practical wisdom gained through the experience of leading these churches.- how intentional congregations develop- how they negotiate the demands of interpreting traditional Christian practices in a postmodern culture- how these practices lead to congregational and personal transformation.
