Thunder and Ashes - Z.A. Recht 2010-11-23

A LOT CAN CHANGE IN THREE MONTHS: Wars can be decided, nations can be forged . . . or entire species can be brought to the brink of annihilation. The Morningstar virus has swept the face of the planet, infecting billions. Its hosts rampage; its victims don't die, but are reborn as cannibalistic shamblers. SCATTERED ACROSS THE WORLD, EMBATTLED GROUPS HAVE PERSEVERED. For some, survival is the pinnacle of achievement. Others hoard goods and weapons. And still others leverage power over the remnants of humanity with a mysterious cure. Francis Sherman and Anna Demilio want only a vaccine, but to find it they must cross a ravaged landscape of the infected and the lawless living. THE BULK OF THE STORM HAS PASSED, leaving echoing thunder and softly drifting ashes. But for the survivors, the peril remains, and the search for a cure is just beginning. . . . Returning to the terrifying vision of his "awesome zombie novel" (David Moody) *Plague of the Dead*, Z.A. Recht "will once again make you turn your lights on" (J.L. Bourne) with this chilling apocalyptic thriller.

The Apocalypse Exile - Peter Meredith 2015-11-05

The Apocalypse Exile The journey across the zombie-filled country does

not get easier for the Renegades. The Great Plains, the heart-land of America is now home to vast herds of the undead. These savage hordes sometimes stretch as far as the eye can see. Among them live the Azael-men who have regressed back to the savage and chaotic roots of our collective ancestors where only the strong or the blood-thirsty survive. These far-flung tribes control the interior of the country, using great armies of zombies to inflict their will upon their neighbors. For the moment they are at peace with the soldiers of Colorado and for the moment they only see in Neil and the Renegades a way to make easy money escorting them across their lands at a steep price. It's a moment that can't last. The specter of death lurks among the group. It haunts them and strikes again and again until its appetite is wetted to a point where it can no longer hide behind the innocent face of Jillybean. What skulks in the depths of her mind is driven by ferocious desires, chief of which is the hunger for death. It's a hunger that will never be satiated not until each and every one of them has breathed their last. Betrayal, murder, war-The Apocalypse Exile.

A New Kind of Bleak: Journeys Through Urban Britain - Owen

Hatherley 2012-07-31

An anatomy of failed-state Britain, by the author of A Guide to the New Ruins of Great Britain. In A Guide to the New Ruins of Great Britain, Owen Hatherley skewered New Labour's architectural legacy in all its witless swagger. Now, in the year of the Diamond Jubilee and the London Olympics, he sets out to describe what the Coalition's altogether different approach to economic mismanagement and civic irresponsibility is doing to the places where the British live. In a journey that begins and ends in the capital, Hatherley takes us from Plymouth and Brighton to Belfast and Aberdeen, by way of the eerie urbanism of the Welsh valleys and the much-mocked splendour of modernist Coventry. Everywhere outside the unreal Southeast, the building has stopped in towns and cities, which languish as they wait for the next bout of self-defeating austerity. Hatherley writes with unrivalled aggression about the disarray of modern Britain, and yet this remains a book about possibilities remembered, about unlikely successes in the midst of seemingly inexorable failure. For as well as trash, ancient and modern, Hatherley finds signs of the hopeful country Britain once was and hints of what it might become.

The Apocalypse - Peter Meredith 2013-12

Greed, terrorism, and simple bad luck conspire to bring mankind to its knees as a viral infection spreads out of control, reducing those infected to undead horrors that feed upon the rest. It's a time of misery and death for most, however there are some who are lucky, some who are fast, and some who are just too damned tough to go down without a fight. This is their story.

World War Z - Max Brooks 2013

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Reissue. Movie Tie-In.

Resident Evil: Caliban Cove - S.D. Perry 2012-09-11

Combat medic and biochemist Rebecca Chambers, the sole survivor of Bravo Team, joins a new S.T.A.R.S. strike force when rumor comes of

another Umbrella experiment: hidden beneath the rocky cliffs of Caliban Cove, Maine, someone is building an army of the undead. Now the S.T.A.R.S. must battle more unspeakable horrors and stop a madman from unleashing the biohazard upon the world.

Afterland - Lauren Beukes 2020-07-28

Children of Men meets The Handmaid's Tale in this "smartly written" and "splendid" thriller about how far a mother will go to protect her son from a hostile world transformed by the absence of men (Stephen King). Most of the men are dead. Three years after the pandemic known as The Manfall, governments still hold and life continues—but a world run by women isn't always a better place. Twelve-year-old Miles is one of the last boys alive, and his mother, Cole, will protect him at all costs. On the run after a horrific act of violence—and pursued by Cole's own ruthless sister, Billie—all Cole wants is to raise her kid somewhere he won't be preyed on as a reproductive resource or a sex object or a stand-in son. Someplace like home. To get there, Cole and Miles must journey across a changed America in disguise as mother and daughter. From a military base in Seattle to a luxury bunker, from an anarchist commune in Salt Lake City to a roaming cult that's all too ready to see Miles as the answer to their prayers, the two race to stay ahead at every step . . . even as Billie and her sinister crew draw closer. A sharply feminist, high-stakes thriller from award-winning author Lauren Beukes, Afterland brilliantly blends psychological suspense, American noir, and science fiction into an adventure all its own—and perfect for our times.

American Cities in Post-Apocalyptic Science Fiction - Robert Yeates 2021-11-15

Visions of the American city in post-apocalyptic ruin permeate literary and popular fiction, across print, visual, audio and digital media. American Cities in Post-Apocalyptic Science Fiction explores the prevalence of these representations in American culture, drawing from a wide range of primary and critical works from the early-twentieth century to today. Beginning with science fiction in literary magazines, before taking in radio dramas, film, video games and expansive transmedia franchises, Robert Yeates argues that post-apocalyptic

representations of the American city are uniquely suited for explorations of contemporary urban issues. Examining how the post-apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century, this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible. Chapters present media-specific analyses of these texts, situating them within their historical contexts and the broader history of representations of urban ruins in American fiction. Original in its scope and cross-media approach, *American Cities in Post-Apocalyptic Science Fiction* both illuminates little-studied texts and provides provocative new readings of familiar works such as *Blade Runner* and *The Walking Dead*, placing them within the larger historical context of imaginings of the American city in ruins.

Pop Culture and the Dark Side of the American Dream - Paul A. Cantor 2019-05-17

The many con men, gangsters, and drug lords portrayed in popular culture are examples of the dark side of the American dream. Viewers are fascinated by these twisted versions of heroic American archetypes, like the self-made man and the entrepreneur. Applying the critical skills he developed as a Shakespeare scholar, Paul A. Cantor finds new depth in familiar landmarks of popular culture. He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White. Beginning with *Huckleberry Finn* and ending with *The Walking Dead*, Cantor also uncovers the link between the American dream and frontier life. In imaginative variants of a Wild West setting, popular culture has served up disturbing—and yet strangely compelling—images of what happens when people move beyond the borders of law and order. Cantor demonstrates that, at its best, popular culture raises thoughtful questions about the validity and viability of the American dream, thus deepening our understanding of America itself.

[The Apocalypse Fugitives](#) - Peter Meredith 2014-10-01

Beaten and battered in mind and body, the fugitives limp west, unaware that the human world is fading all around them, unaware that the last remnants of the goodness of man is being ground under the heel of evil at every turn. When confronted with that evil, fight or flight are their only choices, however, Neil's small group is hamstrung, forced to take on more refugees who come to them empty-handed, unarmed, and hungry. Neil is faced with the disturbing prospect of guiding them across two thousand miles of zombie-plagued-land, only to stumble at his first hurdle: the mighty Mississippi has become a river of death and, like the fabled River Styx, the only way to pass is to pay the river man his fee. His price: warm bodies.

Escape From Chernobyl - Andy Marino 2021-12-07

From Andy Marino, author of *The Plot to Kill Hitler* series, comes another fast-paced historical thriller chronicling one family's desperate bid to escape the deadly Chernobyl disaster. 26 April 1986 01:18 Alina & Lev are two siblings living in Pripjat, one of the Soviet Union's proud nuclear cities. Both are asleep in their beds. Their cousin, Yuri, is a custodian at the Chernobyl Nuclear Power Plant, where he's fiercely attacking a spill in the hallway with a mop. Alina's best friend, Sofiya, sleeps just a few doors down. Her father is an engineer at the plant, a fact that has always filled her with pride. In five minutes, Reactor No. 4 will explode in a ball of fire. It will expel radiation across their town for nine days before it's finally contained. For the people of Pripjat, it will be far too late. — Two young siblings flee the Chernobyl disaster with their parents, but the Communist party is on their heels. Meanwhile, the friends and family they were forced to leave behind must contend with a disinformation campaign that's determined to pretend nothing is wrong—even as deadly radiation spills into the air.

The Zombie Stories of H. P. Lovecraft - H. P. Lovecraft 2015-06-29

"A fantastic anthology by the true master of horror fiction. Highly recommended." — Book Nutter's Book Reviews "This is an excellent collection of Lovecraft's 'zombie' stories, which serves both as a treat to old fans and a sampler to people who haven't read Lovecraft before. I would highly recommend this collection." — Of Stacks and Cups Joyce

Carol Oates, Stephen King, and other experts on horror fiction deem H. P. Lovecraft the master teller of weird tales. These six chilling stories — all published between 1921 and 1933 — offer compelling journeys into the land of the undead. The collection begins with "The Outsider," the tale of a recluse whose overwhelming loneliness emboldens him to seek out human contact. Subsequent stories include "Herbert West—Reanimator," written as a satire of Frankenstein and used as the source for a popular horror film; "In the Vault," in which an undertaker experiences supernatural revenge; "Cool Air," an account of a doctor's fanatical obsession with defying death; and "Pickman's Model," focusing on an artist's gallery of nightmares. "The Thing on the Doorstep" concludes the compilation with the compelling tale of a man whose body is preyed upon by a spirit that refuses to die. "Highly recommended. A great way to re-animate Lovecraft's standing as a master of the horror genre." —Looking for a Good Book "A delightfully horrific collection of tales that will thrill any horror fan!" — A Universe in Words

The Apocalypse Executioner - Peter Meredith 2016-11-27

Jillybean, the child genius, is back. She's been facing horrors on her own for months and has become cold and distant, despite her relief at being reunited with her family. Meanwhile, Sadie and Captain Grey leave camp with a group of military men, hoping to find and loot a military base in Wyoming.

The Circle - Dave Eggers 2013-10-08

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity.

There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

A Perfect America - John Galt 2013-06-01

Phil Tarsus is a dreadful instrument of State justice. He's an Inquisitor, a man who makes a living rooting out and executing those people who have been charged with treason. Guilt or innocence mean little to him-- he has quotas to fill after all. Yet when he unwittingly stumbles upon a secret involving someone high up in the new American government, he becomes a target himself. Unfortunately for Phil, there's nowhere to run that the government can't find him. In the year 2122, in the perfect state of America, the government owns everything...from the shoes you wear, to the apple you eat, to your next door neighbor. The government owns everything and is everything. Under these conditions Phil can trust no one but the man he's slated to murder next.

Generation Z - peter Meredith 2018-01-18

It's been twelve years since the undead hordes swept over the earth forcing mankind to the brink of extinction. We now live like rats, scavenging in the ruins of our fallen civilization as the dead hunt us night and day. There is little left to scavenge, however. Grocery stores were emptied ages ago, gas tanks have long been dry and bullets are so precious that a man is lucky to have two to his name. Still, we survive. But for how much longer? Instinct and love have combined to turn Darwin's theory on its head. The strongest didn't survive in this world. They were the first to die, leaving behind a generation of orphans. It's a generation that's never had a full belly. It's a generation that has no idea

what an Xbox did, or what algebra is for. It's a generation of children who never laugh out loud, and who have learned to cry softly because the dead are always near and the dead are always so very, very hungry.

The Apocalypse Renegades - Peter Meredith 2015-05-10

Nothing is simple anymore in this new Undead world. Crossing the street, making tea, meeting new people, all can turn deadly in a twitch of an eye. For the Renegades who are unarmed and hounded across half the state by bounty hunters, there's only one thing that they can say is simple: dying. Surrounded by enemies and without the help of the imprisoned Captain Grey, they flee from one trap into another with little besides the wit of Jillybean and Neil's steadfast leadership to keep them alive. Is it enough? Not by a long shot. They have to dig deep and take wild chances to stay out of the clutches of the River King...and they find out the hard way that there are consequences to rolling the dice against the devil.

The Great Hunt - Robert Jordan 1991-10-15

As Moiraine Sedai recognizes young Rand al'Thor as the Dragon Reborn, the prophesied hero who alone can stand against the power of the Dark One, the Horn of Valere, destined to play a key role in the final confrontation, is stolen

Punk 57 - Penelope Douglas 2016-10-18

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts

everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

The Apocalypse Sacrifice - Peter Meredith 2017-05-16

The Living - Isaac Marion 2018-11-13

The New York Times bestselling Warm Bodies Series has captivated readers in twenty-five languages, inspiring a major film and transcending the zombie genre to become something "poetic" (Library Journal) "highly original" (Seattle Times) and "ultimately moving" (Time Out London). Now the story of a dead man's search for life reaches its conclusion on a scale both epic and intimate. Before he was a flesh-eating corpse, R was something worse. He remembers it all now, a life of greed and apathy more destructive than any virus, and he sees only one path to redemption: he must fight the forces he helped create. But what can R, Julie, and their tiny gang of fugitives do against the creeping might of the Axiom Group, the bizarre undead corporation that's devouring what's left of America? It's time for a road trip. No more flyover country. This time they'll face the madness on the ground, racing their RV across the wastelands as tensions rise and bonds unravel—because R isn't the only one hiding painful secrets. Everyone is on their own desperate search: for a kidnapped daughter, a suicidal mother, and an abused little boy with a gift that could save humanity... if humanity can convince him it's worth saving. All roads lead home, to a final confrontation with the plague and its shareholders. But this is a monster that guns can't kill. A battle only one weapon can win... p.p1

Zom-B Fugitive - Darren Shan 2015-09-22

After learning the dark secrets hidden in Mr. Dowling's twisted mind, B is on the run. She escapes the clown's clutches and weaves her way through London's abandoned Underground, only to find that Mr. Dowling has laid siege to the Angels' base in County Hall. And when B learns of the history between Mr. Dowling and someone she trusted, she realizes that she can't rely on anyone--B, and B alone, is the only one who can save humanity.

The Apocalypse Origin - Peter Meredith 2020-02-13

The nights are long and cold. The days are endlessly silent, except when the monsters sniff out a survivor. Then the screams drill into your ears and the grinding sounds of teeth on bone is enough to drive a little girl to madness.***In the beginning there were sleepovers and best friends and pizza on Fridays. Then the monsters came. First it's the human monsters, raping, murdering and stealing everything they can get their hands on. Then come the real monsters and survival is no longer a matter of luck. To survive the dead, a little girl has to become something else. She has to become more than human while at the same time she has to sink into depravity that's beyond the bounds of society. Within this book are four stories of survival that paint a picture of true madness coupled with raw innocence and a breathtaking genius. The origin of Jillybean has been shrouded in mystery, until now. This is a collection of the following novellas: The Courage to Survive The Witch: Jillybean in the Undead World The First Giants The Apocalypse Origin

Red Pyramid, The (The Kane Chronicles, Book 1) - Rick Riordan 2010-05-04

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the

Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.

All the Tides of Fate - Adalyn Grace 2021-02-02

The thrilling sequel to instant New York Times bestseller *All the Stars and Teeth*, called "captivating" by Tomi Adeyemi, "Vicious and alluring" by Hafsa Faizal, and "phenomenal" by Adrienne Young. Now author Adalyn Grace is back with more high seas adventure in *All the Tides of Fate*, this electrifying fantasy, perfect for fans of Stephanie Garber's *Caraval* and Sarah J. Maas's *Throne of Glass* series. Through blood and sacrifice, Amora Montara has conquered a rebellion and taken her rightful place as queen of Visidia. Now, with the islands in turmoil and the people questioning her authority, Amora cannot allow anyone to see her weaknesses. No one can know about the curse in her bloodline. No one can know that she's lost her magic. No one can know the truth about the boy who holds the missing half of her soul. To save herself and Visidia, Amora embarks on a desperate quest for a mythical artifact that could fix everything—but it comes at a terrible cost. As she tries to balance her loyalty to her people, her crew, and the desires of her heart, Amora will soon discover that the power to rule might destroy her. An Imprint Book Praise for *All the Stars and Teeth*: "Jam-packed with swashbuckling adventure, swoonworthy romance, and dark, lush magic." - Christine Lynn Herman, author of *The Devouring Gray* "If an epic sea fantasy filled with strange pirates and vengeful mermaids speaks to your interests, well...we may have found your favorite book ever....a tale of magic and second chances that's fresh and thrilling in equal measure." -Entertainment Weekly One of Buzzfeed's "Most Anticipated YA Books of 2020"

Moonchild - Kate L. Mary 2016-06-09

In a world fueled by greed and corruption, where airships rule the skies and coalmines have been turned into prisons, Scarlett Moon has one goal: Survive. Being tough and looking out for herself is the only way to stay alive, but when her best friend, Rory, is arrested and returned to the mines, all of Scarlett's carefully built walls threaten to crumble. After being rescued by an airship full of pirates, led by the sexy and irresistible

Asher Kimura, Scarlett finds herself surrounded by cons and fugitives, and thrust into the middle of a coal-smuggling business. When they take her to Columbus, the one place she never wanted to set foot in again, she wants nothing more than to get away. And her discomfort only grows as she becomes increasingly drawn to Asher. But everything changes when she discovers there may be a way to rescue Rory. Enlisting the pirates' help, Scarlett sets out on a mission to save her friend, praying that her overwhelming attraction to Asher doesn't mean the end to her freedom in more ways than one.

Yama's Lieutenant - Anuja Chandramouli 2016-05-22

The inhabitants of the thousand hells of Yama have broken free from their prison and vowed to wreak havoc on the heavens, the earth and hell. With the asuras and rakshasas teamed up with Naganara, a terrifying necromancer hungry for power, the universe is headed for war and destruction—unless one human has something to do with it. Agni Prakash, a debonair young man whose world has been turned upside down by the death of his twin sister, Varu, has been enlisted to stop these forces and be Yama's very own lieutenant. As the mythical world clashes with his own, Agni discovers a manuscript left behind by his sister. Hauntingly, it draws parallels to the treacherous path upon which he has been thrust. Equipped with an acerbic wit and winning charm, and hardened by the grief of his sister's bereavement, Agni undertakes a battle, where the odds seem tipped wildly against him, and finds unlikely companions along the way. Will he be able to uncover the secret behind his sister's writings? And more importantly, will he be able to avert the destruction that seems imminent?

Resident Evil: Retribution - The Official Movie Novelization - John Shirley 2012-09-14

Resident Evil: Retribution in will be released in 3D on September 14, 2012. It is the fifth installment in the massively successful Resident Evil film series, based on the hugely popular Capcom survival horror video game series Resident Evil. The movie stars Milla Jovovitch and Wentworth Miller and is directed by Paul W.S. Anderson. In this official novelization, Alice fights alongside a resistance movement in the

continuing battle against the Umbrella Corporation and the undead.

The Apocalypse Survivor - Peter Meredith 2014-03-14

This is not an uplifting tale of heroes and heroines. Get that out of your head now. It's a tale of survival. It's a tale of dried blood beneath your nails, of new pain, of gnawing hunger and unrelenting loneliness, of fear and hatred, and yes, of courage. In The Apocalypse, the great majority of the men and women who fought with honor, with a sense of duty and loyalty, gave their lives for others, leaving those without honor to flourish and rule. Their rule is not marked by decency or civility, but by wicked brutality. Yet, in some very rare cases, the kind and the noble survived. These hardened survivors learned to live among the undead, but now they must learn how to stay alive among creatures that are far more monstrous: their fellow man.

Warm Bodies - Isaac Marion 2012-12-25

Alienated from his fellow zombies because of his dislike of having to kill humans and his enjoyment of Sinatra music, "R" meets a living girl who sharply contrasts with his cold and dreary world and who he resolves to protect in spite of her delicious appearance. A first novel. Reprint.

The Apocalypse Revenge - Peter Meredith 2017-02-20

The Apocalypse Crusade War of the Undead Day One - Peter Meredith 2014-12-11

In an apocalypse there is definitely a beginning where mistakes are made and the seeds of evil are allowed to sprout and take shape. However, an end is not so certain. Once an Apocalypse occurs not even death is certain. Sometimes death is only the beginning. At first light that morning, Dr Lee steps into the Walton facility on the first day of human trials and can barely contain her excitement. The labs are brand spanking new and everything is sharp and clean. They've been built to her specifications and are a scientist's dream. It's where cancer is going to be cured once and for all. By midnight it's a place of fire, of blood and of death...a death that, like the Apocalypse, is seemingly never ending.

This Is Not a Test - Courtney Summers 2012-06-19

Barricaded in Cortège High with five other teens while zombies try to get

in, Sloane Price observes her fellow captives become more unpredictable and violent as time passes although they each have much more reason to live than she has.

[In the Shadow of the Sword](#) - Tom Holland 2012-05-15

The acclaimed author of *Rubicon* and other superb works of popular history now produces a thrillingly panoramic (and incredibly timely) account of the rise of Islam. No less significant than the collapse of the Roman Republic or the Persian invasion of Greece, the evolution of the Arab empire is one of the supreme narratives of ancient history, a story dazzlingly rich in drama, character, and achievement. Just like the Romans, the Arabs came from nowhere to carve out a stupefyingly vast dominion—except that they achieved their conquests not over the course of centuries as the Romans did but in a matter of decades. Just like the Greeks during the Persian wars, they overcame seemingly insuperable odds to emerge triumphant against the greatest empire of the day—not by standing on the defensive, however, but by hurling themselves against all who lay in their path.

Generation Z: The Queen Unchained - Peter Meredith 2019-07-26

In the thrilling conclusion to *Generation Z*, Peter Meredith has created a work of unsurpassed vision, power, and imagination. *The Queen Unchained* transports us to a world filled with zombies that are unlike any we have ever experienced before. But there are worse things than the undead. The Black Captain emerges victorious at every turn. To the south, Jenn Lockhart begins her reign as queen, isolated and vulnerable. The signs all point to a coming invasion, and yet she has a fleet that consists of only one ship and an army that's made up of broken ex-whores, a handful of children, and a few cowardly men who haven't run away only because they were afraid to leave. To the north, assassins and spies haunt the island of Bainbridge, turning the people against the idea of war and undercutting the leadership of Governor Deanna Grey at every turn. Her people cling in desperation to the idea that maybe the Corsairs can be reasoned with and that war can be avoided. Deanna knows it's the hope of fools. With no other choice, she decides to adopt Jillybean's craziest idea yet—she plans to blow up her own walls. To the

east, Corsairs and mountain bandits converge on the island, driving little Emily Grey before them. She has no choice but to flee from one danger to the next. If she's caught, she knows that her mother would trade all of Bainbridge to keep her safe. And in the middle of the Corsair lair is Jillybean, naked, chained, and collared like a dog. Although she's able to withstand the barbaric tortures inflicted on her, she breaks mentally, physically and emotionally when the people she swore to protect are horribly mutilated in front of her. Now, it's not just her body that's enslaved, it's her mind as well. And hers is a mind that can overcome every enemy.

The Apocalypse War - Peter Meredith 2016-01-17

The Action-Packed Conclusion to the Undead World Series! The people of the Estes Valley have found their peace destroyed as they are attacked by the single greatest army left in the world. Not only do they have to contend with an army of men equipped with the latest hi-tech military gear, they also have to battle a horde of undead half a million strong. But, perhaps worse than all of this, they have to deal with a seven year old girl—Jillybean. Cruelly coerced into helping her enemies, Jillybean bends her mind to the destruction of the valley, the death of kings and the loss of her own soul, and when Jillybean puts her mind to something there's no saving it, ever. Against this overwhelming force is pitted the iron in Grey's muscles, the quickness of Sadie's feet, the determination in Deanna's steel blue eyes and...and small and weak Neil Martin whose greatest gift is seeing the good in people and ruthlessly killing them if he has to. The Apocalypse War is upon them and survival is all that matters.

The Sacrificial Daughter - Peter Meredith 2012-12-25

Jesse Clarke, new to the town of Ashton, finds herself hated the moment she sets foot in her new high school. From her bus driver who is about to lose his job, to the principal who fears a revolt by his teaching staff, Jesse is the object of their anger and frustration. Her crime? She's the daughter of the new town manager, a conservative who is trying to save Ashton from sinking into bankruptcy under the weight of a bloated town government. He's making her life hell by cutting jobs left and right. Though he is untouchable in his high offices, Jesse isn't. She has to walk

amongst the friends and family of those who are out of work because of him and she must bear the brunt of their rage. And she has another problem. Ashton is home to its very own un-convicted serial killer. Mocking the police, he roams the forests in search of his next victim, looking for that 'special someone'. This year that someone is Jesse Clarke and the town is only too happy to sacrifice her to appease his ferocious lusts. Stalked by a ferocious murderer and set against an entire town, Jesse's life becomes a torturous hell that only grows worse when she falls for the one boy who can't possibly love her without killing her.

Plague of the Undead - Joe McKinney 2014-10-07

A Handful Of Survivors For thirty years, they have avoided the outbreak of walking death that has consumed America's heartland. They have secured a small compound near the ruins of Tulsa, Oklahoma. Isolated from the world. Immune to the horror. Blissfully unaware of what lies outside in the region known as the Dead Lands. Until now. . . A New Generation Of Explorers Led by a military vet who's seen better days, the inexperienced offspring of the original survivors form a small expedition to explore the wastelands around them. A biologist, an anthropologist, a photographer, a salvage expert--all are hoping to build a new future from the rubble, which they call the "Dead Lands." Until all hell breaks loose. . . A Land Of Death The infected are still out there. Stalking. Feeding. Spreading like a virus. Wild animals roam the countryside, hunting prey. Small pockets of humanity hide in the shadows: some scared, some mad, all dangerous. This is the New World. If the explorers want it, they'll

have to take it. Dead or alive. . . Praise for Joe McKinney's novels "A merciless, fast-paced and genuinely scary read that will leave you absolutely breathless." --Bram Stoker Award-winning author Brian Keene on *Dead City* "A rising star on the horror scene." --Fearnnet.com

Eat, Brains, Love - Jeff Hart 2013-10-01

A laugh-out-loud funny, surprisingly romantic, zombie road trip novel filled with heart—and brains. *Eat, Brains, Love* is perfect for fans of Isaac Marion's *Warm Bodies*. The good news: Jake's dream girl, Amanda Blake, finally knows his name. The bad news: it's because they both contracted a mysterious zombie virus and devoured the brains of half their senior class. Now Jake and Amanda are on the run from Cass, a teen psychic sent by the government's top-secret Necrotic Control Division to track them down. As Jake and Amanda deal with the existential guilt of eating their best friends and set off in search of a cure for the zombie virus, Cass struggles with a growing psychic dilemma of her own—one that will lead all three of them on an epic journey across the country and make them question what it means to truly be alive. Or undead.

John Marsden's *The Dead of the Night* - John Marsden 2010

Hell is still the safest place on earth. When you've run out of choices, you've only got yourself. As war rages, as the enemy closes in, as Ellie and her friends fight for their lives, they are left with nothing. Nothing but courage, spirit and pride. *The Dead of the Night* is the second volume in the award-winning *Tomorrow* series.
