What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage.

Blindsight - Peter Watts 2006-10-03

Blindsight is the Hugo Award-nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (*The Globe and Mail*). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks

and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if you knew what was waiting for them. . . . **Rogue World** - B. V. Larson 2017-03-20

The Galactics arrived with their Battle Fleet in 2052. Rather than being exterminated under a barrage of hell-burners, Earth joined a vast Empire that spanned the Milky Way. Today, Battle Fleet 921 is returning to Earth. It hasn't been seen by human eyes since our blissful day of Annexation. But what should be a joyful occasion, a chance to grovel at the feet of superior lifeforms, is rapidly becoming a nightmare. Over the last century, Humanity has engaged in many activities that our Overlords find... questionable. A panic ensues, and Legion Varus is deployed to erase certain "mistakes" our government has made. Projects must be purged to stop Imperial military action. Among the thousands marching to war is one man no politician has ever enjoyed dealing with. One man who's destined to follow his own unique path through Galactic Law, Morality and the Stars themselves.James McGill is about to make history.ROGUE WORLD is the seventh book of Undying Mercenaries Series, a novel of military science fiction by bestselling author B.
