**The Essential Scratch & Sniff Guide to Becoming a Wine Expert** - Richard Betts 2013

Presents a basic, scent-guided introduction to wines and wine appreciation, detailing wine's basic components to help the reader determine what kind of wine they like best.

[Civil Histories](#) - Peter Burke 2000-05-04

Sir Keith Thomas is one of the most innovative and influential of English historians, and a scholar of unusual range. These essays, presented to him on his retirement as President of Corpus Christi College, Oxford, concentrate on one of the broad themes illuminated by his work - changing notions of civility in the past. From the sixteenth century onwards, civility was a term applied to modes of behaviour as well as to cultural and civic attributes. Its influence extended from styles of language and sexual mores to funeral ceremonies and commercial morality. It was used to distinguish the civil from the barbarous and the English from the Irish and Welsh, and to banish superstition and justify imperialism. The contributors - distinguished historians who have been Keith Thomas's pupils - illustrate the many implications of civility in the early modern period and its shifts of meaning down to the twentieth century.

**Gardens Open for Charity** - 2007

[How Is Daniel Feeling?](#) - 2015-06-09

With amazing and fun smells like Mrs. Rabbit's blackberry pie and apples from the orchard, plus comforting scents of lavender and peppermint this is an interactive story like no other!

Essential Scratch & Sniff Guide to Becoming a Whiskey Know-It-All - Richard Betts 2015-10-06

A clever distillation of America's favorite libation, by the New York Times best-selling authors of *The Essential Scratch & Sniff Guide to Becoming a Wine Expert* Whiskey fever is sweeping the nation. Every day, craft distilleries are popping up in remote counties and urban centers, offering a wealth of great choices to consumers--and just as many puzzlements. Does the introduction of a simple "e" to go from whisky to whiskey mean anything? What's the difference between Scotch and Rye? What's Canadian whisky anyway? And what about the whiskeys of Scotland, Japan, and Ireland? Where's a humble Joe to start? In this witty kid-style book on an adult topic, Richard Betts boils down his know-how into twenty pages, cooling our "brown-sweat" anxieties and dividing whiskey into three simple categories: Grain, Wood, and Place. While most whiskey tomes are about as fun as a chemistry lesson, Betts makes the learning slide down easy, reassuring us that this exalted spirit is just distilled beer and, through a nasal romp, helping us figure out which kinds we love best. Humorous illustrations and scratch-and-sniff scents (vanilla, sandalwood, grass, and more) help would-be connoisseurs learn their personal preferences. Language label and Map to Your Desires included.

**Llama Llama Yum Yum Yum!** - Anna Dewdney 2016-10-18

A new generation of children love Daniel Tiger's Neighborhood, inspired by the classic series Mister Rogers' Neighborhood! Daniel goes apple-picking in this delicious scratch-and-sniff board book based on Daniel Tiger's Neighborhood! It's a crisp fall day, and Daniel's family is picking apples at the Enchanted Garden. Daniel isn't big enough to reach all the apples, but he learns that he can still help out in his own special way. This board book includes scents on every page that smell just like fall! © 2020 The Fred Rogers Company

Vintage Scratch & Sniff Sticker Collector's Guide - Neil A. Galin 2006-12-01

In the late 1970s, scratch and sniff stickers were used by teachers to reward their students for a job well done. By the early '80s, thousands of different styles had been produced. These stickers became so popular that children of all ages made collecting and trading them their favorite hobby. With '80s nostalgia becoming more and more popular today, many people are rediscovering these stickers and collecting them again. This guide is the ultimate resource for vintage scratch and sniff sticker collectors. Features include: Extensive company backgrounds for more than 40 sticker manufacturers; detailed checklists and price information; over 1400 photos of individual stickers and sheets to help you quickly and easily identify stickers by both manufacturer and scent name; licensed character, advertising, and foreign stickers; collecting tips, resources, and more! Relive your childhood while organizing and rebuilding your childhood sticker empire!

**Glue** - Irvine Welsh 2001-05-17

An epic novel about the bonds of friendship from the author of *Trainspotting*. The story of four boys growing up in the Edinburgh projects, *Glue* is about the loyalties, the experiences, and the secrets that hold friends together through three decades. The boys become men: Juice Terry, the work-shy fanny-merchant, with corkscrew curls and sticky fingers; Billy the boxer, driven, controlled, playing to his strengths; Carl, the Milky Bar Kid, drifting along to his own soundtrack; and the doomed Gally, exceedingly thin-skinned and vulnerable to catastrophe at every turn. We follow their lives from the seventies into the new century—from punk to techno, from speed to E. Their mutual loyalty is fused in street morality: Back up your mates, don't hit women, and, most important, never snitch—on anyone. *Glue* has the Irvine Welsh trademarks—crackling dialogue, scabrous set pieces, and black, black humor—but it is also a grown-up book about growing up—about the way we live our lives, and what happens to us when things become unstuck. "Stocked with his usual quirky, sympathetic characters, this rollicking new tale sparkles with the writer's trademark satiric wit. Its heft and narrative breadth should convince any remaining skeptics that Welsh—now effectively the grand old man of in-your-face Scottish fiction—is a writer to be taken seriously."—Publishers Weekly starred review

Berry Best Gardening Book - Megan E. Bryant 2004

A tie-in to a new Strawberry Shortcake video helps budding gardeners learn about planting bulbs and seeds as well as growing their own berry patch, and includes a glossary and sidebars to teach about different plants, tools, and garden facts. Original.
