**Dead Souls (Annotated)** - Nikolai Gogol  
2020-12-09

Dead Souls (Russian: Мёртвые души, Mjórtvyje dúshi) is a novel by Nikolai Gogol, first published in 1842, and widely regarded as an exemplar of 19th-century Russian literature. The novel chronicles the travels and adventures of Pavel Ivanovich Chichikov (Russian: Павел Иванович Чичиков) and the people whom he encounters. These people are typical of the Russian middle-class of the time. Gogol himself saw it as an "epic poem in prose", and within the book as a "novel in verse". Despite supposedly completing the trilogy's second part, Gogol destroyed it shortly before his death. Although the novel ends in mid-sentence (like Sterne's Sentimental Journey), it is usually regarded as complete in the extant form.

**Early Echoes** - Carol Frith 2016-03-02

In this collection, the "early echoes" are the isolating sirens of patrol cars and ambulances in the darkness, along with poems of morning glories in urban alleyways, of seedy coffee shops and neglected stone fountains in vacant back yards. These poems explore the present by reworking it in terms of the past. Sonnets and villanelles alternate with free verse as present and past subsume and modify the solitary echoes of experience lived and reworded, abbreviated and re-amplified. Experience in these poems is concentric rather than linear, echoes of circles and spheres, of repetitions and refrains. The subject matter is time-self-referential hours and decades, time at once alternating and static, cyclic and monolithic, alienating and echoing, time circular and frozen as stone.

The sixth book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. What if the course of history was on your shoulders? 'To do what I do - go where I go - see what I see - it's a wonderful, unique, never-to-be-taken-for-granted privilege.' With great privilege comes great responsibility, something Max knows only too well, and as newly appointed Chief Training Officer at the St Mary's Institute of Historical Research, it's up to her to drum this guiding principle into her five new recruits. With a training programme that includes Joan of Arc, an illegal mammoth, a duplicitous Father of History, a bombed rat, Stone Age hunters and Dick the Turd, the question everyone is asking themselves is - what could possibly go wrong? **Knightingale** - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

**The Bone Forge** - Max Ingram 2012-04-04

"...all that I am, all my weakness, it is my crucible, my fire, my inferno, by which I am burned alive in glory." - excerpt from the poem 'Bone Forge' (pg 24). In this collection of poetry, the author explores the concepts of death, transcendence and transformation. He plumbs the depths of the human soul, laying bare his many faults and failings, exposing his weaknesses with painful honesty, and seeking as ever to illustrate an important chapter in the story of the human experience. Forty-two of his most powerful and evocative works are collected here, brought to readers for the first time in a

beautiful volume with cover illustration provided by the talented fantasy artist Ryan Wardlow.

*The Basketball Chronicles of Mister Jennings* - Keith Jennings 2016-03-16

My story is different, but I'm sure every small player that wanted to become a professional basketball player can relate to what I had to go through. I'm 5'7" and there are so many small basketball players that get overlooked because of their size. I want to be the voice for those players. I was blessed by God with the talent and love to be a basketball player. Through God's grace and timing, basketball has shown me parts of the world that I would've never visited and the great support that I received from my family and friends will never be forgotten or taken for granted...dream big, work for it and see what happens! Growing up in the Jennings' household during basketball season was something I loved and respected. Basketball in the morning, basketball in the evening, basketball at night, basketball in the house, basketball in the gyms, basketball at the dunk courts, basketball on television, basketball movies, basketball without a basketball, I just couldn't get enough and then it turned into a memory bank. Memories of family basketball, memories of high school basketball, memories of college basketball, memories of the NBA, memories of European basketball, memories of good games, bad games, great games, and injuries. If the good outweighs the bad you'll be happy to share your story with anyone that asks. You have to understand that a lot of people never gave me a chance. My family believed in me and I believed in myself, and I worked so hard I get chills just thinking about it. The memories don't stop until you stop. I found out very quickly that short basketball players need to be special. Looking back on it, I realized that the short players that I liked were special. Mugsy Boges was 5'3," Spud Webb was 5'7" and could dunk (he won the NBA dunk contest back in the day), Calvin Murphy was a flat out scorer, and the list goes on and on. At this present time there are only 10 basketball players under 6' that have played 3 years or more in the NBA. I felt like I was special because I played basketball on all major levels: high school, college, NBA and European professional basketball. I'm going to take you through a series of events that I believe gave me the

opportunity to not only have my basketball dreams come true, but to also be able to make money doing something I love. Have you ever been to a place where you feel at peace with yourself? If you haven't, I hope you find it before your time on this earth is done. My peace is basketball. It doesn't matter what is going on in my life, I can grab a basketball, find a rim and

the rim doesn't even have to have nets. I'll forget everything and just play. It's a great feeling. I believe dreams come true. Mine did and yours can too. You just need to be patient, work hard, don't listen to the negative people (haters), and believe in your own abilities. I did. I had to deal with all of those things and it shaped me to be the man that I am today.
