Love, Lucas - Chantele Sedgwick 2015-05-05
A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels

nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas.

As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? The Book of the Damned -

Charles Fort 1972

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to

this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--

Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

named Giselle transformed Max into a warrior with extraordinary strength, speed, and endurance. Bound by spellcraft, Max has no choice but to fight as Giselle's personal magic weapon -- a Shadowblade -- and she's lethally good at it. But her skills are about to be put to the test as they never have before.... The ancient Guardians of the earth are preparing to unleash widespread destruction on the mortal world, and they want the witches to help them. If the witches refuse, their covens will be destroyed, including Horngate, the place Max has grudgingly come to think of as home. Max thinks she can find a way to help Horngate stand against the Guardians, but doing so will mean forging dangerous alliances -- including one with a rival witch's Shadowblade, who is as drawn to Max as she is to him -- and standing with the witch she despises. Max will have to choose between the old life she still dreams of and the warrior she has become, and take her

place on the side of right -- if she survives long enough to figure out which side that is....

The Space Vampires -

2013-04-02

Circa 2100 A scourge of sex and death from an alien spaceship WHEN CAPTAIN CARLSEN ENTERED THE VAST DERELICT SPACESHIP, he was shaken by the discovery of its immobilized humanoid passengers. Later, after three of the strange aliens had been transported to Earth, his foreboding was more than justified. The creatures were energy vampires whose seductive embraces were fatal, whose lust for vitality was boundless. As they took over the willing bodies of their victims and sexual murders spread terror throughout the land, Carlsen worked toward their destruction-even while he was erotically drawn to the most beautiful vampire of all! "Thoroughly intriguing" - Chicago Sun-Times (1976) "New slant on horror...unique rendering of the age-old enigma of the kiss of death" - Chicago Tribune (1976) COLIN

WILSON is the author of more than 100 fiction and nonfiction books. *The Outsider* (1956), published at the age of 24, earned him worldwide critical acclaim. *The Space Vampires*, his first book, was translated into Spanish, Japanese, French, Dutch and Swedish and was later adapted for screen in the movie *LIFEFORCE*, directed by Tobe Hooper (*SALEM'S LOT*, *POLTERGEIST*, *THE TEXAS CHAIN SAW MASSACRE*). The movie failed however to capture the true spirit of the cult classic reprinted here by popular demand.

Abraham Lincoln: Vampire Hunter - Seth Grahame-Smith
2010-03-02

Indiana, 1818. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call "Milk Sickness." "My baby boy..." she whispers before dying. Only later will the grieving Abe learn that his mother's fatal affliction was

actually the work of a vampire. When the truth becomes known to young Lincoln, he writes in his journal, "henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and body. And this mastery shall have but one purpose..." Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon *The Secret Journal of Abraham Lincoln*, and became the first living person to lay eyes on it in more than 140 years. Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time—all while
