Janey the Vet - Janey Lowes 2020-03-19

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Women in Christianity - Hans Küng 2010-07-15

For two years Küng guided a research project on Women and Christianity, funded by the Volkswagen Foundation. For most of the religions of the world, women are a problem. From time immemorial they have been subordinate to men, second class in the family, politics and business with limited rights and even limited participation in worship. It is not only in Christianity that equal rights for women has been a scandalously neglected issue. By an examination of the history of women in Christianity, Küng points to the scandals of the past. The prohibition of women servers at Mass and of the ordination of women to the diaconate and the priesthood are symptomatic of a male dominated Church, which takes a consistently 'negative' attitude towards contraception, abortion and divorce. Roman Catholic Canon Law is androcentric and male dominated. From his position of intellectual freedom, as an independent Professor at the University of Tübingen, Küng is free to analyse the mistakes of the past and to sketch out a new theology of Women in the Church. This is not stridently feminist but sees the role of women as being vital for the development of the Church as an institution and for preaching the Christian Gospel.

Irish Opinion and the American Revolution, 1760-1783 - Vincent Morley 2002-07-18

This study traces the impact of the American Revolution and of the international war it precipitated on the political outlook of each section of Irish society. Morley uses a dazzling array of sources - newspapers, pamphlets, sermons and political songs, including Irish-language documents unknown to other scholars and previously unpublished - to trace the evolving attitudes of the Anglican, Catholic and Presbyterian communities from the beginning of colonial unrest in the early 1760s until the end of hostilities in 1783. He also reassesses the influence of the American revolutionary war on such developments as Catholic relief, the removal of restrictions on Irish trade, and Britain's recognition of Irish legislative independence. Morley sheds light on the nature of Anglo-Irish patriotism and Catholic political consciousness, and reveals the extent to which the polarities of the 1790s had already emerged by the end of the American war.

Chaka - Thomas Mofolo 2013-05-21

Chaka is a genuine masterpiece that represents one of the earliest major contributions of black Africa to the corpus of modern world literature. Mofolo's fictionalized life-story account of Chaka (Shaka), translated from Sesotho by D. P. Kunene, begins with the future Zulu king's birth followed by the unwarranted taunts and abuse he receives during childhood and adolescence. The author manipulates events leading to Chaka's status of great Zulu warrior, conqueror, and king to emphasize classic tragedy's psychological themes of ambition and power, cruelty, and ultimate ruin. Mofolo's clever nods to the supernatural add symbolic value. Kunene's fine translation renders the dramatic and tragic tensions in Mofolo's tale palpable as the richness of the author's own culture is revealed. A substantial introduction by the translator provides valuable context for modern readers.

The Buddha In Daily Life - Richard Causton 2011-07-31

Nichiren Daishonin Buddhism encourages the belief that, through its faith and practices, spiritual and material blessings and benefits can be available to everyone in this life. Needs can be met, and success achieved, not merely for oneself but for others (and the world) through dedication to the Lotus Sutra, a central teaching of Buddhism. It combines these personal objectives with the commitment to world peace, ecology and the easing of suffering, especially, AIDS. Attracting such well known followers as Jeff Banks, Sandie Shaw, Tina Turner and Roberto Baggio, Nichiren Daishonin Buddhism is rooted in a Buddhist tradition going back to the teachings of Nichiren in the 13th century, and is part of an international movement based in Japan.

Il Buddha, Geoff e io. Una storia moderna - Edward Canfor-Dumas 2007

The Reluctant Buddhist - William Woollard 2007

This book is about Buddhism, and the pursuit of happiness. The author takes us on an intensely personal journey into the practice of Nichiren Buddhism, which has now been embraced by many millions of people around the world. It is not in any way about a remote, abstract, inaccessible, philosophy. It is about Buddhism in daily life; about learning in a wholly practical way, how to build a better and happier life for yourself, and for those whom your life touches, no matter what the circumstances. You don't have to conform to a specific lifestyle. You don't have to be especially knowledgeable or dedicated or indeed religious in any way. Nichiren Buddhism teaches the extraordinary truth that happiness is not a matter of chance or accident, but essentially, a matter of choice, and that we can all learn how to make that choice.
