*Il Mio Drago ha paura! 12 storie per risolvere i problemi -*

Katrina Kahler 2018-12-05

Annotazione per i genitori

Questi 12 brevi racconti descrivono le paure che molti bambini in tenera età vivono.

Le storie hanno come protagonista Dan il Drago; attraverso i suoi racconti voi assieme ai vostri bambini potrete venire a conoscenza delle sue paure e di come riesce a superarle. Nella storia il bambino spesso non riconosce che egli ha paura o che ha commesso un errore; ma tende sempre a rimproverare il drago. Ho scritto i racconti da questo punto di vista perché ho potuto constatare che talvolta, quando i genitori cercano di aiutare il

loro bambino a superare delle difficoltà, quest'ultimo è troppo coinvolto dalla situazione che sta vivendo e, per questo, non è in grado di identificare e risolvere il problema. Questa situazione leggermente anomala in cui è invece il drago a dover affrontare il problema...consentirà ai bambini di focalizzare la loro attenzione verso la soluzione del problema stesso.

*Chocolates for Breakfast -*

Pamela Moore 2013-06-25

Precocious and shocking when first published in 1956,

Chocolates for Breakfast is a candid coming-of-age story of a young girl's sudden awakening to love and desire written by 18-year-old Pamela Moore. Disaffected, sexually precocious 15-year-old Courtney Farrell splits her time between her parents' homes in New York and Los Angeles. When a crush on a female teacher in boarding school ends badly, Courtney sets out to know everything fast—from tasting dry martinis to engaging in a passionate love affair with an older man. Considered an American response to French sensation Bonjour Tristesse, Chocolates for Breakfast is also a tale of Courtney's close and ultimately tragic friendship with her roommate, Janet Parker, and a moving account of how teenagers approach love and sex for the first time. This edition of Chocolates for Breakfast features 16 pages of insights into the book, including author interviews, recommended reading, and more.

**Hooked!** - Stephanie Kaza 2005-02-08

At one time or another, most of us have experienced an all-consuming desire for a material object, a desire so strong that it seems like we couldn't possibly be happy without buying this thing. Yet, when we give in to this impulse, we often find ourselves feeling frustrated

and empty. Advertisers, of course, aim to hook us in this way, and, from a global perspective, our tendency to get hooked fuels the rampant over-consumption that is having a devastating impact on the world's stability and on the environment. According to the contributors to this unique anthology, Buddhism can shed valuable light on our compulsions to consume. Craving and attachment—how they arise and how to free ourselves of them—are central themes of Buddhist thought. The writings in this volume, most of which have never been previously published, offer fresh perspectives and much-needed correctives to our society's tendency to believe that having more will make us happier. *Hooked!* includes a range of writings on how to apply Buddhist thought and ethics to understand and combat the problem of over-consumption as individuals and collectively. Contributors include popular Western teachers, Asian masters, scholars, and practitioners

such as: • Pema Chödrön—on what is actually happening at the moment we're "hooked," and how to get beyond that. • Joseph Goldstein—on how mindfulness training can help us stop "wanting to want." • Bhikshuni Thubten Chödrön—on how consumer mentality influences spiritual practice. • Judith Simmer-Brown—on how cultivating spiritually based activism and compassionate action can help us address the negative effects of consumerism. • Rita Gross—on how understanding moderation can curb overconsumption. • Santikaro Bhikkhu—on practicing generosity in a consumer world.

Collected Poems, 1920-1954 - Eugenio Montale 2012-01-03  
A strong, idiomatic translation of Italy's greatest modern poet. Eugenio Montale is universally recognized as having brought the great Italian lyric tradition that began with Dante into the twentieth century with unrivaled power and brilliance. Montale is a love poet whose deeply beautiful, individual work confronts the dilemmas of modern history, philosophy, and faith with courage and subtlety; he has been widely translated into English and his work has influenced two generations of American and British poets. Jonathan Galassi's versions of Montale's major works--Ossi di seppia, Le occasioni, and La bufera e altro--are the clearest and most convincing yet, and his extensive notes discuss in

depth the sources and difficulties of this dense, allusive poetry. This book offers English-language readers uniquely informed and readable access to the work of one of the greatest of all modern poets.

### MEDIOPOLI PRIMA PARTE - Antonio Giangrande

E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi,

parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare

e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Julia Jones The Teenage Years - Book 1... \*\*\* (BOOKS 1 - 3 ARE AVAILABLE IN PAPERBACK AS A COMBINED SET AT A DISCOUNTED PRICE! )\*\*\* "I stared in horror at what confronted me. The likeness was uncanny. It had the same long, brown hair and hazel eyes as my own, but the ghoulish grin was hideous. Numb with shock, I stood there, my mind reeling with confusion and panic. It took every last reserve of self-control, to contain the frightened screams that I felt bubbling inside. My mouth agape, I could not take my eyes from the ugly figure that had been shoved into the back of my locker..." This extract

*Rassegna storica del risorgimento* - 1943

*Materada* - Fulvio Tomizza  
2000

Francesco Koslovic—even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of

Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs.

Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

*Zhivago's Secret Journey* - Paolo Mancosu 2016-09-01  
Paolo Mancosu continues an investigation he began in his 2013 book *Inside the Zhivago Storm*, which the New York Book Review of Books described as "a tour de force of literary detection worthy of a scholarly Sherlock Holmes". In this book Mancosu extends his detective work by reconstructing the network of contacts that helped Pasternak smuggle the typescripts of Doctor Zhivago outside the Soviet Union and following the vicissitudes of the typescripts when they arrived in the West.

Mancosu draws on a wealth of firsthand sources to piece together the long-standing mysteries surrounding the many different typescripts that played a role in the publication of Doctor Zhivago, thereby solving the problem of which typescript served as the basis of the first Russian edition: a pirate publication covertly orchestrated by the Central Intelligence Agency (CIA). He also offers a new perspective, aided by the recently declassified CIA documents, by narrowing the focus as to who might have passed the typescript to the CIA. In the process, Mancosu reveals details of events that were treated as top secret by all those involved, vividly recounting the history of the publication of Pasternak's epic work with all its human and political ramifications.

*Translating Culture Specific References on Television* - Irene Ranzato 2015-09-16  
Translating Culture Specific References on Television provides a model for investigating the problems posed by culture specific references in translation,

drawing on case studies that explore the translational norms of contemporary Italian dubbing practices. This monograph makes a distinctive contribution to the study of audiovisual translation and culture specific references in its focus on dubbing as opposed to subtitling, and on contemporary television series, rather than cinema. Irene Ranzato's research involves detailed analysis of three TV series dubbed into Italian, drawing on a corpus of 95 hours that includes nearly 3,000 CSR translations. Ranzato proposes a new taxonomy of strategies for the translation of CSRs and explores the sociocultural, pragmatic and ideological implications of audiovisual translation for the small screen.

### **The Quest for the Lost Roman Legions** - Tony Clunn 2009-09-19

The story of an ancient ambush that devastated Rome—and the modern-day hunt that finally revealed its location and its archaeological treasures. In 9 A.D., the seventeenth, eighteenth, & nineteenth Roman legions and their auxiliary troops under the command of Publius Quinctilius Varus vanished in the boggy wilds of Germania. They died singly and by the hundreds over several days in a carefully planned ambush led by Arminius—a Roman-trained German warrior adopted and subsequently knighted by the

Romans, but determined to stop Rome's advance east beyond the Rhine River. By the time it was over, some 25,000 men, women, and children were dead and the course of European history had been forever altered. "Quinctilius Varus, give me back my legions!" Emperor Augustus agonized aloud when he learned of the devastating loss. As decades passed, the location of the Varus defeat, one of the Western world's most important battlefields, was lost to history. It remained so for two millennia. Fueled by an unshakable curiosity and burning interest in the story, a British Major named J. A. S. (Tony) Clunn delved into the nooks and crannies of times past. By sheer persistence and good luck, he turned the foundation of German national history on its ear. Convinced the running battle took place north of Osnabruck, Germany, Clunn set out to prove his point. His discovery of large numbers of Roman coins in the late 1980s, followed by a flood of thousands of other artifacts

(including weapons and human remains), ended the mystery once and for all. Archaeologists and historians across the world agreed.
