*Birthdays Around the World* - Margriet Ruurs 2017-09-05

"Every child in the world has a birthday. But how children celebrate this occasion depends on where they live. In this latest addition to the *Around the World* series, award-winning author Margriet Ruurs explores the

fascinating ways that children experience birthdays. You'll meet fourteen kids from different countries, each celebrating a birthday according to their local traditions. Bram from Belgium never gets to sleep in on his birthday - his family wakes him up by clanging pots and pans. For Ninoshka in India, it's important to give thanks to the Hindu gods and share sweets with her classmates. And some kids don't celebrate their birthdays at all. Instead, Phúc Khang in Vietnam celebrates Tet, when everyone in the country turns one year older. A world map that pinpoints the countries in the book, a Note to Parents and Teachers with interactive activities and a glossary of foreign words and phrases help to enrich the reading experience. Based on interviews with real people from each country, Birthdays Around the World is an invitation to experience a different culture, think about your own birthday celebrations and even learn how to say "Happy Birthday" in another language (like Hawaiian: "Hau oli la hanau" [ho-O-lee LA HA-now])!!--
