2018-03-26

One hybrid Fury queen. Three pure-blood Dragon Princes. A reverse harem with a dark fairy tale twist and an epic flair! My name is Daisy. I've been cursed to serve a bad-tempered elemental in my beastly form for centuries. There's only one way to lift the curse: a kiss from three true loves. To acquire even one is nearly impossible. How am I going to get three? Then three gorgeous-as-sin, yet clueless dragon princes stumble into my lair. Only they do not come to kiss me. They come to slay me without knowing who I really am. Unless they cut the three heads of the Furies-my heads-or make the Fury Queen fall in love with them, they'll never shift back to dragons. Not surprisingly, the

princes all choose what they think is the easiest-to behead the beasts. Warning: This is a reverse harem fantasy/paranormal romance that features one strong woman and her three sexy-as-sin Dragon princes. It contains battles, steamy sex scenes, raw language, magic, swordfights, dark fae, dragon shifters, vampires, and otherworldly nightmares of creatures, and at last, true loves, with a happy ever after at the end of series.

## **Awakening Angel** - Eva Brandt 2019-04-26

Six men, one woman, a curse threatening to tear them all apart. I've never really believed in the idea of soulmates, but if I had, I suppose I might've seen it through the pink lenses of the romance movies that I enjoy more than I would like to admit. But movies aren't reality, and my luck has only ever been of one type--rotten. It stands to reason that my supposed love story and whirlwind soulmate romance turns out to be anything but rosy. It takes one single wrong decision, one night of reluctant clubbing, for my life to turn to hell. Suddenly I'm surrounded by shape-shifting assassins, vampires who say they want to devour me, and immortal princes who claim they can't feel. For some reason, more than one of them seems to think that I'm their soulmate, and that because of that, they need to die. To protect me from some awful, ancient curse, apparently, as if I'd ever ask for my life to be kept safe at the cost of their own. It's up to me to change their minds, because nobody else seems to have any sense whatsoever. Between having to wrangle suicidal soulmates, the mysterious voice that has suddenly popped up in my head and a strange power I hadn't even been aware I had, my hands are more than a little full. FML. Honestly, I really wish I'd stayed home and just watched a movie. How is this my

life? Awakening Angel is a 84.000 words reverse harem dark paranormal romance that contains M/M content, cussing, violence and dark themes. Some readers may find certain elements disturbing. But if you're in the mood for something edgier, by all means, join my insanity!

The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, very virile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift—the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

*Fated Hearth (Guarding Their Dragon Mate Collection 2)* - Layla Heart 2020-10-30

Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. The town Sophia grew up in is in a very bad state. Earth dragons are going missing, leaving young kids orphaned, and nobody knows what's going on or where they're taken. To make it even worse, a group of rebels who were supposed to bring supplies to the town haven't shown up, making everyone worried that they've been caught by the renegade fae soldiers. Sophia and her men turn to an unusual source in their desperation to find answers, a magically sealed room at the hidden dragon library. A place nobody has been able to get into in decades. When Sophia manages to finally unlock the room with a spell passed down from her witch father, everything she thought she knew changes. It seems her father was involved in things that nobody had any idea about, showing a side to him that Sophia doesn't know how to combine with what her mother told her about him. To top it off, she's confronted with a half-sister she had no idea existed, a half-sister with fae and witch blood. Can Sophia and her men find out what happened to the missing earth dragons? And how much is Sophia's father involved with what's going on in the town right

now? But most importantly, can they heal the town and the people in it, so that they can thrive again, like they used to? This collection includes the second three novellas in the Guarding Their Dragon Mate serial, Captured Dragon, Reclaimed Dragon and Ferocious Dragon, a six episodes long reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the first 10 parts of the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

*Wolf Shunned* - Laurel Night 2021-01-02

It's amazing to be a dominant wolf... if you're male. When you're a nineteen year-old girl who can beat the crap out of every wolf in your pack, suddenly it's not so great. Love isn't everything, I know; but even the most powerful she-wolf submits to her mate. If you can't be dominated, you can't be mated. And an unmated wolf has no place in the pack. My one hope is the clan gathering in the Blackwood Fortress. Every wolf in the continent attends, and a few seriously sexy wolves catch my eye. I'm bound to find at least one who can match me, right? Then there's my other problem: My alpha is a grade-A jerk. After treating me like a genetic freak my whole life, he suddenly decides to stake a claim. But I can't refuse the challenge, and my wolf won't back down. Either I submit to the alpha and become mated to his skeezy pelt, or I win the challenge and my freedom... by taking his place as alpha. Only no one has ever heard of a female alpha, and if I become one, I'll never find a mate. *Wolf Shunned* is the first book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. My name is Ace Bissett, and I'm a paranormal detective that doesn't believe in magic. Or at least, I didn't before I met them. The day I inherited my aunt's old house, everything changed. One moment, I was convinced that

magic was a hoax. The next, I'm surrounded by four winged, fanged, ridiculously hot guys who are definitely nothuman, and who insist that I'm the only one who can break the curse that binds them to the night. The detective in me has never been able to resist a mystery, and this one is just begging me to dig in. But all that will have to wait, because there's a new threat stalking my city. One with a taste for blood and bone, unable to be killed or captured by normal human means. It's a good thing I've got four new roommates to help me hunt them down.
