Flames of the Sun: A Novel of Dark Fantasy - Scott Reeves 2016-05-30

Flames of the Sun is a dark/Gothic/steampunk fantasy set against a bleak, moldering landscape of brass and iron where the sun is a literally a gigantic furnace swinging around high above the world at the end of an enormous shaft that rises from deep within the planet's core. But the sun has gone dark. The sun's fire was extinguished a thousand years earlier, by creatures that both abhor and absorb light and other forms of radiant energy. They literally drank the sun into darkness. This clockwork world of iron and brass is running down as the planet creaks away into the silent darkness of starless space. Acid and ash rain from the sky, the ground rusts, society deteriorates and life decays. The endless night is ruled by creatures that have crept forth from the labyrinthine underground catacombs, creatures that feed on mutant humans who carry the sun spark within them. Now, a young girl named Embra escapes her underground prison and flees across the crumbling world, bent upon a holy quest to reignite the darkened sun, returning daylight to the world and regenerating life. Her quest will reveal the long-forgotten true nature of her world, and lead her and her

species to a fateful encounter with the god of this dark universe.

Demonspawn: A Dark Fantasy Novel - Scott Reeves

In this dark epic fantasy that crackles with sinister sorcery and eldritch energy, ancient evil and prophecy collide as an unsuspecting medieval kingdom, still recovering from a hellish oppression that devastated the land a thousand years earlier, is about to be plunged once more into nightmare. The end of the world is nigh! Sharn is the insane descendant of a people who were once forcibly interbred with demons from an extra-dimensional netherworld that's separated from ours by the thinnest of sorcerous veils... ..a veil that was once torn asunder in an accident of sorcery, opening a rent through which the demons poured and overran the land, enslaving the population... ..demons that were eventually driven back beyond the veil by a noble wizard who foretold that one day the demons would return, and so would he. Evil stirs in the land, and demons covet the world of mortals! Captured by knights who have hunted the hybrid demonspawn to near-extinction, Sharn is imprisoned in the dank depths of the royal castle, where he becomes caught up in the nefarious plans of a scheming king's chancellor who is secretly practicing the darkest of magical arts. The queen has just given birth to a son, kicking off the fulfillment of ancient prophecy. Sharn, somehow granted a reprieve from his madness by the newborn prince, kidnaps the royal heir and escapes the castle. They wait impatiently behind a wall that is about to be torn down by black sorcery! And the hunt begins, as Sharn flees across a countryside where every hand is turned against him, heading toward destiny. Now, a king's evil chancellor schemes to reopen the Veil and once again unleash the demons. The world's only hope of salvation is an insane boy, himself the descendant of demonic/human hybrids, and the newborn baby he's kidnapped. keywords: dark fantasy, epic fantasy, demons, mutants, sorcery, wizards, kings and queens, novel

Meanwhile, Dekklis, now a senator, tries to keep the peace in Illharek by making allies of the powerful Academy and enlisting the Laughing God's help to control the Suburba. But when a godsworn assassin tries to kill her, the fragile peace shatters, and the Suburba erupts into violence. As Dekklis restores order on the tip of a legion sword, Snow and Veiko concoct a plan to defeat Tal'Shik. But as the Taliri army bears down on Illharek, their alliance--and friendship--starts to crack. Because this isn't a battle for Illharek's streets, it's a battle for Illharek's soul. Unleashed: A Dark Reverse Harem Romance - Bella Jacobs 2021-05-10

One woman on the run. Four dangerously sexy bodyguards. And a war brewing that will change the shifter world forever... I'm living on

borrowed time, fighting for survival against a deadly new virus that has no cure and a cult doing its best to brainwash me. But when a mysterious note shows up on my windowsill one night, its chilling message--Run, Wren--launches me out of the frying pan and into the fire. Within hours, everything I thought I knew about my life, my family, and my origins is obliterated, and I'm racking up enemies at an alarming rate.

Between the cult I've just escaped, a violent shifter faction out for my blood, and an ancient evil who eats "chosen ones" like me for breakfast, my last hope is to join forces with four dangerous-looking men who claim they were sent to guard my life. Luke, a werewolf with a rap sheet. Creedence, a lynx shifter who never met a mark he couldn't con. Kite, a bear kin with a mean right hook and heart of gold. And Dust, my childhood best friend and dude voted least likely to be a secret shape-shifting griffin. But are these men really what they seem? Or are my alpha guardians hiding a secret agenda of their own? I'm not sure, but one thing is for certain—choosing the right allies will mean the difference between life and death. For me, and everyone I love. UNLEASHED is book one in the Dark Moon Shifter's series. It is a true reverse harem featuring one woman and her four mates.
