The Rook - Daniel O'Malley 2012-01-11
Now a Starz® Original Series "Utterly convincing and engrossing---totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away." --Lev Grossman, Time
Myfanwy Thomas awakens in a London park

surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her

dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, THE ROOK is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime.

The World Walker - Ian Sainsbury 2016-04-21
Just outside Los Angeles, a prisoner hidden away for 70 years sits up, gets off the bed and disappears through a solid wall. In Australia, a magician impresses audiences by producing real elephants. Nobody realizes it's not an illusion. Across the world, individuals and ancient organizations with supernatural power suddenly detect the presence of something even they can't understand. At the center of it all, Seb Varden, a 32-year old musician with a secret in his past, slits his wrists, is shot dead and run over on the freeway. He's had better days. Seb is about to discover the universe is a far more complicated

place than he'd ever imagined.

Do Or Die - Suzanne Brockmann 2014

The City and The River - Arun Joshi 2018-11-12
The City and The River is a political fable. Using an artistically satisfying combination of fantasy, prophecy, and a startlingly real vision of everyday politics, this novel is truly a parable of the times. The City is all cities. The River is the mother of cities. The Grand Master rules the city by the river and is determined to become its unchallenged King. Things move smoothly in this earthly Eden, till a strange prophecy is made by

the palace astrologer. The learned man predicts the crowning of a new King in place of the Grand Master... With quiet humour and characteristic skill, Joshi plots the path of intrigue and corruption in high places. The Grandmaster is surrounded by a coterie of fawning councillors, whose sole aim is to remain in limelight and improve their hierarchical standing. The politics in the novel has unmistakable echoes of the Emergency period of 1974-75; acquisition of unlimited powers, presence of self-seeking sycophants, shadow of an heir apparent, and loss of individual freedom pose significant questions about identity, commitment and faith in a hostile society. The story is narrated in easy flowing prose blending political satire with philosophical and spiritual dimensions.

Onyx Moon - Constance Roberts 2014-12-02

What if you were forced to live a double life while you sleep, and pursued by Demons while you were awake? City girl Ora Gondry has spent all of her nights in a dreamless sleep, until one

night she finds herself awake in a foreign realm. Through the help of long forgotten heroes: a legendary swordsman and a former witch, Ora learns her soul teleports to a separate twin body while she slumbers. In Alethia, a land plagued by demonic legions, she must awaken her true power before the world falls to dark forces. While in the city, she struggles to pass exams and keep her best friend from joining a wannabe vampire cult. Oblivious to just how connected these two worlds are, Ora must wager which new friends are true allies, and which are Demons in disguise. But after a crushing betrayal, she is left questioning everything. Armed with only faith and unseen Angels, Ora learns to fight for beliefs and a courageous power she never knew she possessed.

Unbury Carol - Josh Malerman 2018-04-10
The New York Times bestselling author of Bird

Box returns with a supernatural thriller of love, redemption, and murder. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEWSWEEK “This one haunts you for reasons you can’t quite put your finger on. . . . [Josh Malerman] defies categories and comparisons with other writers.”—Kirkus Reviews Carol Evers is a woman with a dark secret. She has died many times . . . but her many deaths are not final: They are comas, a waking slumber indistinguishable from death, each lasting days. Only two people know of Carol’s eerie condition. One is her husband, Dwight, who married Carol for her fortune, and—when she lapses into another coma—plots to seize it by proclaiming her dead and quickly burying her . . . alive. The other is her lost love, the infamous outlaw James Moxie. When word of Carol’s dreadful fate reaches him, Moxie rides the Trail again to save his beloved from an early, unnatural grave. And all the while, awake and aware, Carol fights to free herself from the crippling darkness that

binds her—summoning her own fierce will to survive. As the players in this drama of life and death fight to decide her fate, Carol must in the end battle to save herself. The haunting story of a woman literally bringing herself back from the dead, *Unbury Carol* is a twisted take on the *Sleeping Beauty* fairy tale that will stay with you long after you’ve turned the final page. Praise for *Unbury Carol* “Fantastically clever. A breakneck ride to save a life already lost, proving sometimes death is only the beginning.”—J. D. Barker, internationally bestselling author of *The Fourth Monkey* “Breathtaking and menacing . . . an intricately plotted, lyrical page-turner about love, betrayal, revenge, and the primal fear of being buried alive.”—Booklist (starred review) “*Unbury Carol* is a Poe story set in the weird West we all carry inside us, and it not only hits the ground running, it digs into that ground, too. About six wonderful feet.”—Stephen Graham Jones, author of *Mongrels* “Bleakly lyrical à la Cormac

McCarthy and Flannery O'Connor."—Library Journal (starred review) "With vivid prose and characters that leap off the page, guns a-blazing, Unbury Carol creates its own lingering legend, dragging you along like an obstinate horse toward a righteous storm of an ending."—Delilah S. Dawson, New York Times bestselling author of *Star Wars: Phasma*
Winter's Reach - Craig Schaefer 2014-12-01

Aristoi - Walter Jon Williams 2015-05-02
Written with care, intelligence, and grace, [Aristoi] depicts a future society based on highly developed computers and biological engineering, the key skills of which are controlled by an elite known as the Aristoi. This world is depicted meticulously and vividly, and so is the near war of all against all that is unleashed when one of the Aristoi falls prey to the corruption of power. A fine, thoughtful work, highly recommended; Williams seems to grow with each book. --- Roland Green, Chicago Sun-Times Beneath the

facade of universal prosperity, however, lurks a tide of dissension and madness that can only be fought from within. Williams tests the borders of imagination in a novel that combines brilliant hard science and speculative vision with a firm grip on the central humanity of his characters. A priority purchase for sf collections. ---Library Journal In this complex and rewarding novel, Williams has created a future which features many of the wonders SF has been promising us for years: virtual reality, genetic engineering, faster-than-light travel, artificial intelligence, nanotechnology, telepathic links with computers, and more. ---Publishers Weekly Gabriel is one of the Aristoi, the elite class that hold dominion over a glittering interstellar culture, their rule more absolute than that of any Old Earth tyrant. When another of the Aristoi is murdered, Gabriel finds that the foundations of his civilization are tottering, and that his own power may have its roots in the greatest lie in all history. In order to defend himself and the interstellar order,

Gabriel must go on a quest into the heart of barbarism and chaos, and discover within himself his own lost, tattered humanity.

Don't Let the Devil Know Your Name - Amy Cross 2020-05-21

A girl goes missing. Her body is later found dumped in the forest. Soon a video starts circulating, showing her agonizing death in great detail. It's an old story, but this time one man is determined to set things right. When he realizes that the police are moving too slowly, retired cop Merrick Richards decides to take matters into his own hands. He knows who's behind a series of killings in Bridgeford, and he's determined to make sure that justice is done, even if that means that he has to cross over to the dark side. Soon he has the culprit in chains, trapped in an isolated basement. The tables have been turned, but how far is Merrick willing to go in order to extract a confession? Don't Let the Devil Know Your Name is the story of a man who decides to sacrifice his good name for the safety

of his town, and of a horror that soon grows to engulf an entire family.

The Last of the First - Ian Sainsbury 2018-08-10
The conclusion of the Amazon and Audible bestselling Halfhero series When The Deterrent comes out of hiding and kidnaps the titans, it triggers the biggest manhunt in history. On one side, the military might of the United States and Air Commodore Fiona Bardock, Britain's most talented investigator. On the other, three halfheroes, one human, and a puddle of slime. Daniel Harbin hopes to get through this alive and track down the children he never knew existed. What no one realises is they're about to confront the greatest danger of all. Reviews for the Halfhero series: Love the style and originality of everything Mr Sainsbury writes gripping and unputdownable Ian W Sainsbury could well be the 21st century equivalent of Arthur C Clarke A rollercoaster that never heads where you think it's going If you like the works of Charley Stross, Neil Gaiman, people of that ilk, give this, and its

sequel a go

Master of Darkness - K T Kaye 2019-06-03
Hidden in the darkest shadows, an army of demons is rising. Bloodthirsty, ferocious, and heartless, this army of horrific undead creatures is set on world domination. But hope is at hand, for Lightning Squad, a unique team of paranormal beings, led by the shapeshifting Captain Angel Night, have found the Master of Darkness. A reincarnated hero with extraordinary powers, the Master of Darkness has returned to rid the world of demons. Or at least that's what the legends claim. However the new reincarnation, clumsy, naive and panic-

attack prone Jason Dragonheart isn't quite as legendary as expected. Charmingly dark and humorous, Master of Darkness is the first instalment in a gripping fantasy series from the imaginative mind of debut author K.T. Kaye.

Clockwork Sherlock - Ian Sainsbury
2021-02-05

□□□□ Absolutely brilliant. Sherlock Holmes brought right into the 21st century□□□□ A thrilling new adventure featuring literature's favourite detective like you've never seen him before. Clockwork Sherlock follows ex-soldier Captain Jo Barnes. The mysterious Virtual Reality detective singles her out as his own Dr Watson, but he's about to find out she's no fawning sidekick. When tech giant Robert Fairfield is found dead of a suspected drug overdose, fingers are pointed at the two women who stood most to gain from his death: his fiancée and leader of the New Ludds, Greta Blackstone, and Beth Fairchild, Robert's ambitious daughter. But when Beth is found

dead and the evidence shows she was killed before her father, the suspect is obvious. To everyone, that is, except Sherlock Holmes. Using futuristic tech and good, old-fashioned sleuthing, Captain Barnes and the famed detective set out to find the killer. With rooftop pursuits, gangland bosses and plenty of action - Clockwork Sherlock will appeal to fans of Ben Aaronovitch, Paul Cornell, and Jim Butcher. □□□□A unique and riveting take on the traditional Sherlock construct. My book of the year. Loved it□□□□□

Do or Die - Suzanne Brockmann 2014-09-30
NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND KIRKUS REVIEWS Suzanne Brockmann's seamless blend of heroic military action and intense passion inspired USA Today to call her "a superstar of romantic suspense"—and for years her award-winning Troubleshooters books have been must-reads for fans of sizzling stories of action and adventure. Now the New York

Times bestselling author shoots to thrill again with *Do or Die*. Navy SEAL Ian Dunn went rogue in a big way when he turned his talents to a lawless life of jewel heists and con jobs. Or so the world has been led to believe. In reality, the former Special Ops warrior is still fighting for good, leading a small band of freelance covert operatives who take care of high-stakes business in highly unofficial ways. That makes Ian the hands-down choice when the U.S. government must breach a heavily guarded embassy and rescue a pair of children kidnapped by their own father, a sinister foreign national willing to turn his kids into casualties. Shockingly, Ian passes on the mission for reasons he will not—or cannot—reveal. But saying no is not an option. Especially not for Phoebe Kruger, Ian's beautiful and unexpectedly brash new attorney. Determined to see the abducted children set free, Phoebe not only gets Ian on board but insists on riding shotgun on his Mission: Impossible-style operation, whether he likes it

or not. Though Phoebe has a valuable knack for getting out of tight spots, there's no denying the intensely intimate feelings growing between Ian and Phoebe as the team gears up for combat. But these are feelings they both must fight to control as they face an array of cold-blooded adversaries, including a vindictive mob boss who's got Ian at the top of his hit list and a wealthy psychopath who loves murder as much as he loves money. As they dodge death squads and play lethal games of deception, Ian and Phoebe will do whatever it takes to save the innocent and vanquish the guilty—or die trying. Praise for *Do or Die* "This is action-adventure on steroids with an interwoven romance or two, maybe three or even four in full bloom or on the cusp of blossoming. From the start, I'm recommending that you keep an eye out for the next book in this *Reluctant Heroes* series. Here's a vote for Martell Griffin's story. [Suzanne Brockmann writes with the imagination running free and on the wild side. What's not to love

about that? . . . Suspense remains high at octane levels, and the romance is served up with witty banter, ultrasexiness and very poignant moments."—USA Today "Fans of Suzanne Brockmann's military suspense novels need not worry. There's a new cast of intriguing, smart and buff characters (both the men and the women), but the adrenaline-driven pace and crafty plotting are pure Brockmann. . . . As the team members dispersed, I looked forward to reading their tales, knowing that master storyteller Brockmann will deliver them as she did in the seventeen *Troubleshooters* books."—Tampa Bay Times "Brockmann effortlessly and expertly tosses hundreds of details into the air and juggles them with brilliance. The first in her *Reluctant Heroes* series, the novel will captivate readers with its intense, action-filled plot, alpha-and-a-half hero, and his smart, perfect-for-him heroine, as well as secondary characters who contribute pathos and humor. Enthralling and breathtaking."—Kirkus

Effacement - Hieronymus Hawkes 2021-02

In the future, serious crime has all but disappeared. With the advent of BioNarratus's Vitasync neurochip, recording every aspect of your life has become the law. Without it you can't get a bank account, medical insurance, or a job. Unbeknownst to Cole Westbay, a government agency is bent on using the neurolink tools he helped develop to target and kill potential enemies. But before Cole can act, he wakes with his neurochip destroyed and his recent memory wiped. Now the centerpiece of a government conspiracy, he's on the run trying to solve the mystery before they shut him up permanently. In a fight against the clock a renegade caretaker and an enigmatic attorney become his new allies. With their help he tries to discover why he's being targeted by a single-

minded government agent and stop more innocents from being murdered.

Junkyard Veterans - Jamie McFarlane
2021-05-07

With a price on their heads, grumpy old vets will risk everything to bring alien assassins to justice. Someone is killing off the old team of vets who repelled Earth's first Korgul invasion.

With the end of a war precious few even knew was happening, life's been peaceful. Of course, Albert Jenkins isn't a bit surprised when that peace is shattered by the sounds of rocket propelled grenades fired over the Georgia swamps. To make matters worse, when he reports the alien's foiled attack to the Army, he's ordered to keep things quiet and stop causing trouble. The problem is AJ has only one gear and avoiding trouble isn't in his makeup. So instead of sitting around and waiting for the next RPG to be tossed his way, he takes to the stars and starts tracking bounty hunters the only way he knows how - up close and personal. Junkyard Veterans is the fourth installment of the popular Junkyard Pirate series. Buy Junkyard Veterans and help AJ put alien bounty hunters in their place.

Is He Popenjoy - Anthony Trollope 2021-07-09
One of Anthony Trollope's later tales, 'Is He Popenjoy?' is a comic novel which deals with themes of inheritance and illegitimacy. The

novel centres around the contested inheritance of Manor Cross, a large family estate. Having spent time abroad, the Marquis of Manor Cross returns to England with his new Italian wife and son, Lord Popenjoy, but soon reveals himself to be a tyrannical character. His brother Lord George Germain must vacate the property for his brother the Marquis, but questions soon arise as to the legitimacy of his marriage and heir. This Trollope tale is full of twists and turns, scheming and jealousy. Fans of the book may also enjoy Trollope's earlier novel 'He Knew He Was Right'. Anthony Trollope (1815 - 1882) was a Victorian writer and author of 47 novels. He also wrote an autobiography, short stories and plays, travel articles, reviews and lectures. A prolific writer, he made no secret of the fact that money was his motivation for writing - an admission which raised eyebrows among his literary contemporaries at the time. The amount of works Trollope authored are testament to his belief in hard work. His first successful novel

was *The Warden* followed by its sequel, *Barchester Towers*. The *Chronicles of Barsetshire* are perhaps his most well-known series of novels, though many of his works have been adapted for TV and radio, starring many familiar faces such as Alan Rickman, David Tennant, Bill Nighy and Tom Hollander. Alongside his literary career, Trollope also worked for some time for the Post Office and is credited with the introduction of the iconic post box to Britain. A memorial to Anthony Trollope was unveiled in Poets' Corner in Westminster Abbey in 1993.

The Trials of Renegade X - Chelsea M. Campbell 2013-09

Can a half villain ever be a full hero? Damien Locke didn't choose for his supervillain mom to disown him - just because he sort of defied her and ruined her evil plans to take over Golden City - and he didn't choose for his superpower to be flying, a superhero ability that involves his least favorite thing: heights. But now that he's

living with his dad's superhero family and enrolling at Heroesworth Academy, he's ready to embrace his new life, get his H, and finally belong somewhere. But belonging isn't as easy as signing up for classes, and Damien finds himself struggling to fit in more than ever. Just when he's sure his fate as a hero has been decided, though, he gets a new villain power that he can't control. And things only get worse when he accidentally screws up one of his sidekick Sarah's gadgets, altering her personality and turning her into a crazed, anti-supervillain vigilante - leaving him no choice but to team up with her annoying superhero boyfriend if he hopes to have any chance of getting the old Sarah back, before she captures - or kills - another supervillain like him.

The Twin Paradox - Charles Wachter 2020-07-14
"The Twin Paradox is one of the best science thrillers to come along since Andy Weir's The Martian." Chris Weitz, Screenwriter, Rogue One
With ten years passing for every three minutes

on a remote stretch of Texas coast, planes fall out of the sky, evolved species are on the hunt, and people die inside one of the most vicious ecosystems ever grown-all a result of the government's efforts to slow down time. A lot can happen in ten years. That's the point. Governments are always racing for supremacy, for scientific breakthroughs, for technological advantages-and these things take time. Until something goes wrong. With the grounded yet massive world building of *READY PLAYER ONE*, thrilling scientific questions of *JURASSIC PARK*, and the time-bending teen drama of *BEFORE I FALL*, Wachter's *THE TWIN PARADOX* is a brilliantly plotted tale that is both intimate and massive, relentless yet deliberate, and explores the themes of self-acceptance, self-confidence, and natural selection in a richly hued and unforgettable world. Ultimately the eternal question of Nature versus Nurture is boiled down into this fast-paced thriller told over the course of five days and culminates in one single

question: Do we get to choose who we are?

The Blurred Lands - Ian Sainsbury 2018-12-19
"Deliciously dark. A gripping read from the very start" RR Haywood, bestselling author of *Extracted* and *The Undead Series*. John Aviemore, still mourning the death of his wife, fears he's heading for another breakdown. In an abandoned cottage, he faces a mystery that grows more terrifying every night. And he's trapped there. Trapped in the place where worlds overlap. Trapped in the *Blurred Lands*. A disappearing city, a curse that unravels minds, and a caged, power-hungry god. John's only chance of escape lies with an ancient family secret and a character straight out of a fairytale. From the Amazon and Audible bestselling author of *The World Walker* and *Halfhero* series comes

a fantastical, terrifying journey into a realm we prefer to believe doesn't exist.

Empire of the Air - Tom Lewis 2021-09-15

Empire of the Air tells the story of three American visionaries—Lee de Forest, Edwin Howard Armstrong, and David Sarnoff—whose imagination and dreams turned a hobbyist's toy into radio, launching the modern communications age. Tom Lewis weaves the story of these men and their achievements into a richly detailed and moving narrative that spans the first half of the twentieth century, a time when the American romance with science and technology was at its peak. Empire of the Air is a

tale of pioneers on the frontier of a new technology, of American entrepreneurial spirit, and of the tragic collision between inventor and corporation.
