NEW YORK TIMES BESTSELLER • Deepak Chopra joins forces with leading physicist Menas Kafatos to explore some of the most important and baffling questions about our place in the world. "A riveting and absolutely fascinating adventure that will blow your mind wide open!" —Dr. Rudolph E. Tanzi What happens when modern science reaches a crucial turning point that challenges everything we know about reality? In this brilliant, timely, and practical work, Chopra and Kafatos tell us that we've reached just such a point. In the coming era, the universe will be completely redefined as a "human universe" radically unlike the cold, empty void where human life is barely a speck in the cosmos. You Are the Universe literally means what it says--each of us is a co-creator of reality extending to the vastest reaches of time and space. This seemingly impossible proposition follows from the current state of science, where outside the public eye, some key mysteries cannot be solved, even though they are the very issues that define reality itself: • What Came Before the Big Bang? • Why Does the Universe Fit Together So Perfectly? • Where Did Time Come From? • What Is the Universe Made Of? • Is the Quantum World Linked to Everyday Life? • Do We Live in a Conscious Universe? • How Did Life First Begin? "The shift into a new paradigm is happening," the authors write. "The answers offered in this book are not our invention or eccentric flights of fancy. All of us live in a

The Secret Lives of Somerset Maugham - Selina Hastings 2012-07-01

He was a brilliant teller of tales, one of the most widely read authors of the twentieth century, and at one time the most famous writer in the world, yet W. Somerset Maugham's own true story has never been fully told. At last, the truth is revealed in a landmark biography by the award-winning writer Selina Hastings. Granted unprecedented access to Maugham's personal correspondence and to newly uncovered interviews with his only child, Hastings portrays the secret loves, betrayals,

integrity, and passion that inspired Maugham to create such classics as *The Razor's Edge* and *Of Human Bondage*. Portrayed in full for the first time is Maugham's disastrous marriage to Syrie Wellcome, a manipulative society woman who trapped Maugham with a pregnancy and an attempted suicide. Hastings also explores Maugham's many affairs with men, including his great love, Gerald Haxton, an alcoholic charmer. Maugham's work in secret intelligence during two world wars is described in fascinating detail—experiences that provided the inspiration for the groundbreaking Ashenden stories. From the West End to Broadway, from China to the South Pacific, Maugham's remarkably productive life is thrillingly recounted as Hastings uncovers the real stories behind such classics as *Rain*, *The Painted Veil*, *Cakes & Ale*, and other well-known tales.
