**Shahnameh** - Abolqasem Ferdowsi 2016-03-08

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Teacher, Preacher, Soldier, Spy* - Christopher Grasso 2021-08-04

The epic life story of a schoolteacher and preacher in Missouri, guerrilla fighter in the Civil War, Congressman, freethinking lecturer and author, and anarchist. A former Methodist preacher and Missouri schoolteacher, John R. Kelso served as a Union Army foot soldier, cavalry officer, guerrilla fighter, and spy. Kelso became driven by revenge after pro-

Southern neighbors stole his property, burned down his house, and drove his family and friends from their homes. He vowed to kill twenty-five Confederates with his own hands and, often disguised as a rebel, proceeded to track and kill unsuspecting victims with "wild delight." The newspapers of the day reported on his feats of derring-do, as the Union hailed him as a hero and Confederate sympathizers called him a monster. *Teacher, Preacher, Soldier, Spy: The Civil Wars of John R. Kelso* is an account of an extraordinary nineteenth-century American life. During Reconstruction, Kelso served in the House of Representatives and was one of the first to call for the impeachment of President Andrew Johnson. Personal tragedy then drove him west, where he became a freethinking lecturer and author, an atheist, a spiritualist, and, before his death in 1891, an anarchist. Kelso was also a strong-willed son, a passionate husband, and a loving and grieving father. The Civil War remained central to his life, challenging his notions of manhood and honor, his ideals of liberty and equality, and his beliefs about politics, religion, morality, and human nature. Throughout his life, too, he fought private wars--not only against former friends and alienated family members, rebellious students and disaffected church congregations, political opponents and religious critics, but also against the warring impulses in his own character. In Christopher Grasso's hands, Kelso's life story offers a unique vantage on dimensions of nineteenth-century American culture that are usually treated separately: religious revivalism and political anarchism; sex, divorce, and Civil War battles; freethinking and the Wild West. A complex figure and passionate, contradictory, and prolific writer, John R. Kelso here receives a full telling of his life for the first time.
