Come Back to Bed - Kayley Loring 2019-03-26

Dear grouchy neighbor: I'm considering your offer and need clarification before proceeding. Despite being an artist, I think you know that as a busy New Yorker, I am also practical and straightforward. That said, I need to make sure you know that this could never turn into anything serious. I don't care if you're trying to get over your ex-girlfriend or hoping she'll eventually want to get back together with you--just don't project your messy feelings about her onto me. Because, despite your resemblance to an underwear model, I won't be falling for you. Ever. Yours, with clear boundaries, Bernadette p.s. I'd like to be very clear that regardless of whether or not we do this, nothing will change my feelings for your dog (and we both know she loves me too). Dear nutty neighbor: As a lawyer, I must clarify that I never made an offer. It was a suggestion regarding the possibility of a non-permanent, no-strings-attached arrangement between two consenting adults whose beds are separated by a wall. As a man who shares your disdain for messy feelings, I applaud your confidence in your ability to not fall for me. Hold onto that. I'd also like to make it clear that I don't care if you want to get over your crush on your boss or if you still hope he'll realize you're the woman of his dreams. That said, I definitely wasn't thinking about my ex-girlfriend when I kissed you in the laundry room, and I'm quite sure you weren't thinking about your boss. As a dog daddy, I'm glad you're so taken with my girl. But if you try to steal her I will get all Liam Neeson up in your pretty face. As a busy New Yorker, I think clear boundaries are hot. I have one hour free to blow your mind tonight. So turn off Netflix, put down that glass of wine, and let's do this. Yours for now, Matt

The Assassin - Clive Cussler 2015-03-03

Detective Isaac Bell tracks a killer across the nation's oilfields in this adventure in the #1 New York Times-best-selling historical series. As Van Dorn private detective Isaac Bell strives to land a government

contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin—shooting with extraordinary accuracy at seemingly impossible long range—kills Bell's best witness. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But the murders—shootings, poisonings, staged accidents—have just begun as Bell tracks his phantom-like criminal adversary from the "oil fever" regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all.

Come Back to Me - Mila Gray 2015-12-08

In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—someone she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have. Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far greater than either of them expected. Jessa's finally found the man of her dreams and Kit's finally discovered there's someone he'd sacrifice everything for. When it's time for Kit to redeploy, neither one is ready to say goodbye. Jessa vows to wait for him and Kit promises to come home to her. No matter what. But as Jessa stands waiting for the Marine Chaplain to break her heart, she can't help but feel that Kit has broken his promise... Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her?

Cocky Senator's Daughter - Faleena Hopkins 2017-03-11

I know I'm not good enough to be her forever... but I'd sure love to give her one hell of a ride tonight. HANNAH COCKER You've probably heard about me, but I wish you hadn't. My dad's the youngest Senator that Georgia's had in 200 years. Our crazy and tragic story made the headlines when I was a little girl... The media still won't leave us alone. Not only that but I've got the worst luck with men. Yet another guy has hurt me. Can you blame me for escaping on this road trip with Sophia? I should have warned my overly protective father I was leaving Atlanta. But I just want to be free. TOBIAS KYRKOS Life doesn't hand you what you want. You have to take it. Two years ago I lost my Champion title here in Florida. Now's my chance to turn the tide. Never expected a distraction like her to pop up. When I spot Hannah, I've got no clue she's famous in Georgia. I just know there's no way in hell I'm good enough for her. I'm an MMA fighter with a secret I can't tell anyone. How could a girl like her ever understand?

Dates From Hell - Kim Harrison 2009-10-13

She thought her date was out of this world. Actually, he was not of this world . . . We've all been on bad dates, nightmare dates, dreadful experiences that turned out to be uniquely memorable in the very worst way. But at least our partners for these detestable evenings were more or less . . . human! Now Kim Harrison, Lynsay Sands, Kelley Armstrong, and Lori Handeland -- four of the very best writers currently exploring the dangerous seduction of the supernatural -- offer up dating disasters (and unexpected delights) of a completely different sort: dark, wicked, paranormally sensual assignations with werewolves, demon

lovers, and the romantically challenged undead. Sexy, witty, chilling, and altogether remarkable, here is proof positive that some love matches are made someplace other than heaven.

Ex-marine and dark ops expert Kyle Suarez is chief enforcer for the Zeta cartel. Ruthlessly efficient, he is feared by his enemies. When he claims Chloe, he simply expects to enjoy a well-deserved and disposable bonus. Has Chloe made a huge mistake, or will her choice prove her salvation - and his?

Swarm and Steel - Michael R. Fletcher 2017-08-22

Zerfall awakens in an alley, wounded and unable to remember her past. Chased by an assassin out into the endless wastes of the desert, she is caught, disfigured, and left for dead. Her scabbard is empty, but the need for answers—and the pull of her sword—will draw her back to the city-states. When Jateko, a naïve youth, accidentally kills a member of his own tribe, he finds himself outcast and pursued across the desert for his crimes. Crazed from dehydration, dying of thirst and hunger, he stumbles across Zerfall. Hunted by assassins and bound by mutual need, both Zerfall and Jateko will confront the Täuschung, an ancient and deranged religion ruled by a broken fragment of Zerfall's mind. Swarm, the Täuschung hell, seethes with imprisoned souls, but where gods—real or imagined—meddle in the affairs of man, the cost is high. In Swarm and Steel, the power of belief can manifest and shape reality, and for political and religious leaders, faith becomes a powerful tool. But the insane are capable of twisting reality with their delusions as well, turning increasingly dangerous as their sanity crumbles. It is here that a long prophesied evil will be born, an endless hunger. The All Consuming will rise.

[Olivia Twist](#) - Lorie Langdon 2018-03-06

Olivia Twist is an innovative reimagining of Charles Dickens' classic tale Oliver Twist, in which Olivia was forced to live as a boy for her own safety until she was rescued from the streets. Now eighteen, Olivia finds herself at a crossroads: revealed secrets threaten to destroy the "proper" life she has built for herself, while newfound feelings for an arrogant young man she shouldn't like could derail her carefully laid plans for the future. Olivia Brownlow is no damsel in distress. Born in a workhouse and raised as a boy among thieving London street gangs, she is as tough and cunning as they come. When she is taken in by her uncle after a caper gone wrong, her life goes from fighting and stealing on the streets to lavish dinners and soirees as a debutante in high society. But she can't seem to escape her past ... or forget the teeming slums where children just like her still scabble to survive. Jack MacCarron rose from his place in London's East End to become the adopted "nephew" of a society matron. Little does society know that MacCarron is a false name for a boy once known among London gangs as the Artful Dodger, and that he and his "aunt" are robbing them blind every chance they get. When Jack encounters Olivia Brownlow in places he least expects, his curiosity is piqued. Why is a society girl helping a bunch of homeless orphan thieves? Even more intriguing, why does she remind him so much of someone he once knew? Jack finds himself wondering if going legit and risking it all might be worth it for love.

Winters Heat - Cristin Harber 2013-09-21

A WOMAN ON A MISSION After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. Uninterested in his white knight act, she'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. AND THE MAN SENT TO STOP HER Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. MUST PARTNER TO SURVIVE When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret—he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. If they make it out alive, can he reconcile duty and desire? Does Mia trust her heart to a man who willingly walks into kill-zones?

Sexy Nerd - Kayley Loring 2019-01-17

Not gonna lie to you. When he walked into my restaurant, I thought he was the hottest man I'd ever seen in person. And then he spoke. And I realized who he was. The world now knows him as John Brandt--ridiculously wealthy handsome genius workaholic startup founder and tech entrepreneur. I will always think of him as the annoying geek who was my brother's best friend. He yanked my pigtailed and called me Tiny Dancer. I put rubber snakes in his sleeping bag and called him Johnny B. Nerdballs. Market research has told him that he needs a girlfriend for an important business trip and gala event. He says he doesn't want to bring someone that he has to impress or make an effort with, so he thought of me and figures I could use a nice vacation from my life right now. He is one cocky nerd. Even if he's right. I need the money and he can actually help me with my career, but I think he needs to be schooled in the art of treating a lady right. Lucky for him, I am just the woman to finally teach him... Turns out his total lack of social skills does not correspond to a lack of skills in the bedroom. At all. He even teaches me a few new tricks. Every time he opens his obnoxious mouth, I can't believe this guy's for real. Every time he touches me, every time he reminds me of who I was before I started to lose myself in the big city, I can't believe that what we have right now is fake. I'm afraid that by the end of the month, either I will have punched him in the face or the last man on earth that I ever thought I'd fall in love with will have broken my heart. Or both.***please note that Sexy Nerd was originally published as Cocky Nerd. Only the title has changed. The content is the same.

A Portion of Dragon and Chips - Simon Haynes 2018-08-20

Did you bring the salt? A creaky old robot shows up in a backward, medieval kingdom, promptly triggering all-out war. It's elves versus humans, humans versus dwarves, and pretty much everyone versus the goblins. At least there are no dragons to worry about, because they've been boned, filleted and barbecued to the brink of extinction. Hey, it's their own fault for being delicious. Throw in a wizard with pockets full of mysterious herbs, a volatile halfling with a hair-trigger temper and a barbarian who'd rather bed the nearest princess than wield his other mighty sword, and you have the makings of a crazed, epic trilogy. Can the robot survive this feudal insanity, or will he end up shared between the warring factions... literally? This is the first novel in a humorous fantasy trilogy. Each book continues plot lines and character arcs from the previous title, with everything wrapping up in book three. They're not stand-alones! Also available: an

omnibus edition containing all three titles, and an audiobook edition of the whole trilogy. Keywords: Humorous fantasy novel, book one in a trilogy, fantasy comedy book, fantasy humour, clean fantasy novels, young adult fantasy, ya comedy, parody novel, fantasy comedy novels, medieval humour, wizard humor, robot books

Ashley's Tale - Mike Duke 2015-10-31

Ashley, a young college girl with a horrific past, is immediately thrust into a living hell when she is kidnapped one night. In the lair of her captor she will be forced to choose between submission and defiance, between folding beneath his punishment or finding the strength to endure and seize an opportunity to kill the man and escape. But Ashley will also have to face the horrors of her past in this twisted game he has prepared for her. Can she prevail against the demons that have made her frail and weak as well as the sadist before her? And if so, what may she become in the process?

Burglars Can't Be Choosers - Lawrence Block 2009-10-13

Bernie Rhodenbarr is a personable chap, a good neighbor, a passable poker player. His chosen profession, however, might not sit well with some. Bernie is a burglar, a good one, effortlessly lifting valuables from the not-so-well-protected abodes of well-to-do New Yorkers like a modern-day Robin Hood. (The poor, as Bernie would be the first to tell you, alas, have nothing worth stealing.) He's not perfect, however; he occasionally makes mistakes. Like accepting a paid assignment from a total stranger to retrieve a particular item from a rich man's apartment. Like still being there when the cops arrive. Like having a freshly slain corpse lying in the next room, and no proof that Bernie isn't the killer. Now he's really got his hands full, having to locate the true perpetrator while somehow eluding the police -- a dirty job indeed, but if Bernie doesn't do it, who will?

9 Days and 9 Nights - Katie Cotugno 2018-05-01

In this sequel to the New York Times bestseller 99 Days, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

Righteous Assassin - Kevin Chapman 2021-04-10

2019 Kindle Book Award Semi-Finalist (Mystery/Thriller) -- top 20 of 2019! A MOB BOSS IS EATEN ALIVE BY TIGERS AT THE BRONX ZOO. A New Jersey factory owner is mutilated and left to bleed out under a Manhattan highway. A French pharmaceutical baron is tortured and frozen to death in Little Italy. A high-society fashion designer is poisoned in her Upper East Side apartment. Four months, four unsolved murders - each carried out on the last Saturday night of the month. The victims share no similar traits, have no connections to each other, have no common enemies, and were each killed in very different ways. NYPD Detectives Mike Stoneman and Jason Dickson pick up the trail based on the coincidental timing of the unsolved murders. Could these assassinations really be the work of a single serial killer? Why would a single killer choose such strange and disparate methods? Why spread your victims across all of New York? And most importantly, how do you track down someone with no pattern? Each new murder adds a piece to the killer's jigsaw puzzle, but even unravelling the clues and finding the killer's pattern may not be enough to catch him. Mike and Jason bring in help from FBI profiler Angela Manning, and together they start to close in. But will they be able to stop the elusive killer before he completes his decathlon of death? Each month is a race against the calendar. On the last Saturday of the month, there will be blood. Follow

Detective Mike Stoneman as he tries to outwit a most complex killer. Then, as a special free bonus, read the award-winning short story, Fool Me Twice, the very first episode in the Mike Stoneman saga.

[Autobiography of Lee Harvey Oswald](#): - Diane Holloway 2008-11-10

"This is a 'must read' for anyone with an interest in the Kennedy assassination, its impact on the American political system, and the controversies that surrounded it then."- Midwest Book Review (Oregon, WI) "Reading the words of this infamous man is more illuminating than a dozen volumes of analysis of his character. This book fills a definite niche in American history and is long overdue Holloway uses professionalism and competent knowledge of history to create an engaging biography of an enigmatic man."- Morgan Ann Adams, Charlotte Austin Review. "A breath of fresh air in the JFK assassination literature."- Judge Robert Finn, former FBI agent. Lee Harvey Oswald, accused assassin of President John Kennedy, has remained a mystery for 45 years. Using Oswald's letters, speeches, radio interviews, brief autobiography, job/college applications, diary, book about Russia, and words according to those who knew him, the editor has fashioned his autobiography from childhood to death. Jack Ruby's testimony and lie detector test are included for readers to learn his motivation in killing Oswald. New materials such as

papers given to President Clinton by Premier Boris Yeltsin and documents found in 2008 in the Dallas safe of District Attorney Henry Wade are included.

UNLOCKING HER INNOCENCE - Lynne Graham 2015-01-08

Ava was in a car accident on Christmas Day and lost her best friend. She was accused of being responsible for the crash despite her lost memory of that confusing night. After serving years of prison time, she freezes up in shock in the conference room of her new workplace. The man who controls the place is Vito, whom Ava used to admire. Vito is also the brother of her late best friend. Ava assumes he must hate her so much that he would want to kill her, not work with her. But he steals a kiss from her and asks her to plan this year's Christmas party. What is he thinking?

Survival of the Fittest - Jacqui Murray 2019-03-02

Five tribes. One leader. A treacherous journey across three continents in search of a new home. Written in the spirit of Jean Auel, *Survival of the Fittest* is an unforgettable saga of hardship and determination, conflict and passion. Chased by a ruthless enemy, Xhosa leads her People on a grueling journey through unknown and dangerous lands following a path laid out decades before by her father, to be followed only as a last resort. She is joined by other fleeing tribes from Indonesia, China, South Africa, East Africa, and the Levant, all similarly forced by timeless events to find new lives. As they struggle to overcome treachery, lies, tragedy, secrets, and Nature itself, Xhosa is forced to face the reality that her enemy doesn't want to ruin her People. It wants to ruin her. The story is set 850,000 years ago, a time in prehistory when man populated most of Eurasia, where 'survival of the fittest' was not a slogan. It was a destiny. Xhosa's People were from a violent species, one fully capable of addressing the many hardships that threatened their lives except for one: future man, a smarter version of themselves, one destined to obliterate all those who came before.

A Taxonomy of Love - Rachael Allen 2018-01-09

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

Black Leopard, Red Wolf - Marlon James 2019-02-05

"A fantasy world as well-realized as anything Tolkien made." —Neil Gaiman "Gripping, action-packed...The literary equivalent of a Marvel Comics universe." —Michiko Kakutani, The New York Times In this epic, internationally bestselling novel from Marlon James, the Man Booker Prize-winning author of *A Brief History of Seven Killings*, myth, fantasy and history merge in the stunning story of a mercenary's quest to

find a missing child. Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Hired to find a mysterious boy who has disappeared, Tracker breaks his own rule of always working alone when he finds himself part of a group assembled to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as the Leopard. As Tracker follows the boy's scent, he and the band are set upon by creatures intent on destroying them. As he fights for survival, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep the boy from being found? And perhaps most important of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, *Black Leopard, Red Wolf* is both

surprising and profound as it explores the fundamentals of truth, the limits of power, the excesses of ambition, and our need to understand them all.

Lightning Strikes - Rebecca Royce 2018-10-17

True love refuses to die...Whitney Lake has had a lot of time to contemplate the end of the world. In the blink of an eye, an infection wiped out most of the human population, and her life changed forever. In one of the few safe cities left, Whitney tries to keep her head down, and stay alive. But the world needs saving, and she may be the only one who can do it. When a letter from her long-dead best friend arrives, Whitney takes a chance. Can she save those she thought were lost? Out in the wilderness, where she never dared to go, she'll discover a world she never expected, and six men who would come back from the dead just to be with her. Will she fight for the men who chose her, or will she lose everything in the coming storm?
