World of Reading Star Wars Trapped in the Death Star! (Level 2) - Disney Book Group 2016-11-01

Han, Luke, Leia, and Chewie are trapped in the Death Star! Can C-3PO and R2-D2 save the day before Darth Vader finds them?

The Making of Star Wars (Enhanced Edition) - J. W. Rinzler 2013-10-22

This enhanced eBook transforms *The Making of Star Wars* into an immersive multimedia experience worthy of the original film. It features exclusive content pulled from the Lucasfilm archives by author J. W. Rinzler: • 26 minutes of rare behind-the-scenes video* • 29 minutes of rare audio interviews with the cast and crew • New bonus photos and artwork not found in the print edition After the 1973 success of *American Graffiti*, filmmaker George Lucas made the fateful decision to pursue a longtime dream project: a space fantasy movie unlike any ever produced. Lucas envisioned a swashbuckling SF saga inspired by the Flash Gordon serials, classic American westerns, the epic cinema of Japanese auteur Akira Kurosawa, and mythological heroes. Its original title: *The Star Wars*. The rest is history, and how it was made is a story as entertaining and exciting as the movie that has enthralled millions for more

than thirty years—a story that has never been told as it was meant to be. Until now. Using his unprecedented access to the Lucasfilm Archives and its trove of “lost” interviews, photos, production notes, factoids, and anecdotes, Star Wars scholar J. W. Rinzler hurtles readers back in time for a one-of-a-kind behind-the-scenes look at the nearly decade-long quest of George Lucas and his key collaborators to make the “little” movie that became a phenomenon. It’s all here: • the evolution of the now-classic story and characters—including “Annikin Starkiller” and “a huge green-skinned monster with no nose and large gills” named Han Solo • excerpts from George Lucas’s numerous, ever-morphing script drafts • the birth of Industrial Light & Magic, the special-effects company that revolutionized Hollywood filmmaking • the studio-hopping and budget battles that nearly scuttled the entire project • the director’s early casting saga, which might have led to a film spoken mostly in Japanese—including the intensive auditions that won the cast members their roles and made them legends • the grueling, nearly catastrophic location shoot in Tunisia and the subsequent breakneck dash at Elstree Studios in London • the who’s who of young film rebels who pitched in to help—including Francis Ford Coppola, Steven Spielberg, and Brian DePalma But perhaps most exciting, and rarest of all, are the interviews conducted before and during production and immediately after the release of Star Wars—in which George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Sir Alec Guinness, Anthony Daniels, composer John Williams, effects masters Dennis Muren, Richard Edlund, and John Dykstra, Phil Tippett, Rick Baker, legendary production designer John Barry, and a host of others share their fascinating tales from the trenches and candid opinions of the film that would ultimately change their lives. No matter how you view the spectrum of this phenomenon, *The Making of Star Wars* stands as a crucial document—rich in fascination and revelation—of a genuine cinematic and cultural touchstone. *Video may not play on all readers. Please check your user manual for details.

Heir to the Empire: Star Wars Legends -

Timothy Zahn 2011-09-06

Here is a special 20th anniversary edition of the

#1 New York Times bestselling novel that reignited the entire Star Wars publishing phenomenon—featuring an Introduction and annotations from award-winning author Timothy Zahn, exclusive commentary from Lucasfilm and Del Rey Books, and a brand-new novella starring the ever-popular Grand Admiral Thrawn. The biggest event in the history of Star Wars books, *Heir to the Empire* follows the adventures of Luke Skywalker, Han Solo, and Princess Leia after they led the Rebel Alliance to victory in *Star Wars: Episode VI Return of the Jedi*. Five years after the Death Star was destroyed and Darth Vader and the Emperor were defeated, the galaxy is struggling to heal the wounds of war, Princess Leia and Han Solo are married and expecting twins, and Luke Skywalker has become the first in a long-awaited line of new Jedi Knights. But thousands of light-years away, the last of the Emperor’s warlords—the brilliant and deadly Grand Admiral Thrawn—has taken command of the shattered Imperial fleet, readied it for war, and pointed it at the fragile heart of the New Republic. For this dark warrior has made two vital discoveries that could destroy everything the courageous men and women of the Rebel Alliance fought so hard to create. The explosive confrontation that results is a towering epic of action, invention, mystery, and spectacle on a galactic scale—in short, a story worthy of the name Star Wars. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Her Perfect Life - Vicki Hinze 2006

It's been six years since U.S. Air Force pilot Katie Slater was shot down over Iraq and taken prisoner. Now, Katie is back home--only it's not home anymore and her perfect life has become a total mystery. Includes bonus features. Original. [Star Wars: The Fallen Star \(The High Republic\)](#) - Claudia Gray 2022-01-04

In this gripping sequel to *Star Wars: The Rising Storm*, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary, but victorious thanks to its Jedi protectors—and there is no monument to their

cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the furthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover—from the pain of their injuries and the grief of their losses. But the storm they thought had passed still rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet—one designed to snuff out the light of the Jedi.

Death Troopers - Joe Schreiber 2010-10

A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

Star Wars and History - Lucasfilm 2012-11-13

At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga. Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, *Star Wars and History* explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. *Star Wars and History* shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, *Star Wars Features* 11 essays by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm. Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others) Includes both

stunning photos from the Lucasfilm Image Archives and historical photos that demonstrate the parallels between both worlds Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, Star Wars and History is an essential companion for every Star Wars fan.

Death Star Manual - Ryder Windham 2013

The Death Star is a spherical space station, the size of a small moon, highly armoured and armed to destroy anything from enemy spaceships to whole planets. Using cutaway

drawings, exploded diagrams and photographs, backed by detailed technical specifications and descriptions of the onboard systems, this owner's manual reveals the technology contained within and lays bare the awesome power (and weaknesses) of the Empire's ultimate weapon.

Patterns of Force: Star Wars Legends (Coruscant Nights, Book III) - Michael Reaves 2009-01-27

After the Empire's bloody purge of the Jedi, one lone Knight still fights for those who cannot, unaware that he's about to be swept into a cataclysmic battle against the Master of Darkness himself. Throughout the galaxy, a captured Jedi is a dead Jedi, even in Coruscant's most foul subterranean slums, where Jedi Knight Jax Pavan champions the causes of the oppressed with the help of hard-nosed reporter Den Dhur and the wisecracking droid I-5YQ. But Jax is also involved in another struggle—to unlock the secrets of his father's death and his own past. While Jax believes that I-5YQ holds some of those answers, he never imagines that the truth could be shocking enough to catapult him to the frontlines of a plot to kill Emperor Palpatine. Worse yet, Darth Vader's relentless search for Jax is about to end . . . in triumph. The future looming over the valiant Jedi and his staunch pals promises to be dark and brief, because there's no secret whatsoever about the harshest truth of all: Few indeed are those who tangle with Darth Vader . . . and live to tell the tale.

Star Wars: Death Star - Michael Reaves 2008
The Death Star is one of the great icons of the science fiction genre. Now veteran Star Wars authors Michael Reaves and Steve Perry join forces to tell the story of the Death Star, from the start of its construction to its final destruction at the hands of Luke Skywalker and the Rebel Alliance. New characters flesh out the human aspect of the tale with pathos and bathos; familiar characters, like Darth Vader and Moff Tarkin, the architect of the Death Star, also have their parts to play. Even Luke, Princess Leia, Han Solo, and Chewbacca the Wookiee, show up in cameo roles, from the familiar movie scenes when they were captured on and then escaped from the Death Star. DEATH STAR is a book for all Star Wars fans -- not just the core fans who read everything the so-called "expanded universe" has to offer, but also all those who loved the original movies.

Star Wars Origami - 2012-08-07

Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. Star Wars® Origami marries the fun of paper folding with the obsession of Star Wars. Like *The Joy of Origami* and *Origami on the Go*, this book puts an original spin on an ancient art. And like *Star Wars® Scanimation®* and *Star Wars® Fandex®*, it's a fresh take on Star Wars mania. Chris Alexander is a master folder and founder of the popular website StarWarsOrigami.com, and here are 36 models, clearly explained, that range in difficulty from Youngling (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book's unique folding paper, two sheets for each figure. Illustrated with original art, it makes each creation—the essential lightsabers, the Death Star, and much more—true to the movies. *Star Wars Origami* includes a foreword by Tom Angleberger, author of the New York Times bestsellers *The Strange Case of Origami Yoda* and *Darth Paper Strikes Back*, and is scheduled to be published at the

same time as Angleberger's upcoming book, *The Secret of the Fortune Wookiee*.

Star Wars Memories - Craig Miller 2019-11-03

Craig Miller was the original Director of Fan Relations at Lucasfilm, working on "Star Wars" and "The Empire Strikes Back". As part of that, he was a publicist, a writer, an editor, and a producer. He wrote press material and articles, created and ran the Official Star Wars Fan Club, oversaw a staff who opened and responded to the seeming tons of fan mail the films received, worked with licensees, created a telephone publicity stunt that accidentally shut down the state of Illinois' phone system, was the producer on projects ranging from episodes of "Sesame Street" to commercials for Underoos ("underwear that's fun to wear"), operated R2-D2, and spent weeks hanging out on the set of "The Empire Strikes Back". In "Star Wars Memories" he talks about all of that and more, including Mark Hamill barbecuing him a burger in London, having lunch in a Sunset Strip restaurant with Harrison Ford while he rolled and smoked a joint, and watching Carrie Fisher introduce "The Empire Strikes Back"'s British production crew to tacos. In the words of Gary Kurtz, producer of "Star Wars" and "The Empire Strikes Back", "'Star Wars Memories' gives a look at the original Star Wars films and Lucasfilm from Craig Miller's unique perspective. This isn't another 'making of' book with the same stories and information that have appeared in other books and countless magazine articles. It's a book of stories you haven't heard before; an insider's look from someone who, himself, is a fan and found the whole experience joyful and exciting. These stories are told in a way that brings you in and makes you feel like you were there."

Death Star: Star Wars Legends - Michael Reaves 2011-06-28

“THAT’S NO MOON.” -Obi-Wan Kenobi The Death Star’s name says it all, with bone-chilling accuracy. It is a virtual world unto itself—equipped with uncanny power for a singularly brutal purpose: to obliterate entire

planets in the blink of an eye. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and usher in a fearsome, totalitarian regime. But even with the dreaded Darth Vader enforcing Palpatine’s sinister will, the threat of rebellion still looms. And the Emperor knows that only abject fear—and the ability to punish dissent with devastating consequences—can ensure his unchallenged control of the galaxy. Enter ambitious and ruthless government official Wilhuff Tarkin, architect of the Emperor’s terrifying dream come true. From inception to completion, construction of the unprecedented Death Star is awash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. The brightest minds and boldest egos, the most ambitious and corrupt, the desperate and the devious, all have a stake in the Death Star—and its potential to control the fate of the galaxy. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and the evil—all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling, unforgettable adventure. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Star Wars: Tarkin - James Luceno 2015-07-02 'Of power, I could tell you much. One must seize the moment, and strike.' Grand Moff Wilhuff Tarkin He's the scion of an honourable and revered family. A dedicated soldier and distinguished legislator. Loyal proponent of the Republic and trusted ally of the Jedi Order. Groomed by the ruthless politician and Sith Lord who would be Emperor, Governor Wilhuff Tarkin rises through the Imperial ranks, enforcing his authority ever more mercilessly...and zealously pursuing his destiny as the architect of absolute dominion. Rule through the fear of force rather than force itself, he advises the Emperor. Under Tarkin's guidance, an ultimate weapon of unparalleled destruction moves ever closer to becoming a terrifying reality. When the so-called Death Star is completed, Tarkin is confident that

the galaxy's lingering pockets of Separatist rebellion will be brought to heel - by intimidation or annihilation. Until then, insurgency remains a genuine threat. Escalating guerrilla attacks by resistance forces and new-found evidence of a growing Separatist conspiracy are an immediate danger the Empire must meet with swift and brutal action. And to bring down a band of elusive freedom fighters, the Emperor turns to his most formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious, and Tarkin - whose tactical cunning and cold-blooded efficiency will pave the way for the Empire's supremacy...and its enemies' extinction.

The Denial of Death - ERNEST. BECKER
2020-03-05

Winner of the Pulitzer prize in 1974 and the culmination of a life's work, *The Denial of Death* is Ernest Becker's brilliant and impassioned answer to the 'why' of human existence. In bold contrast to the predominant Freudian school of thought, Becker tackles the problem of the vital lie - man's refusal to acknowledge his own mortality. The book argues that human civilisation is a defence against the knowledge that we are mortal beings. Becker states that humans live in both the physical world and a symbolic world of meaning, which is where our 'immortality project' resides. We create in order to become immortal - to become part of something we believe will last forever. In this way we hope to give our lives meaning. In *The Denial of Death*, Becker sheds new light on the

nature of humanity and issues a call to life and its living that still resonates decades after it was written.
