blossom, growing bright and free in the shadows of the night, may these gentle pages inspire you to bloom, bursting with poetry, in the most unexpected of moments. From celebrated Australian artist Tess Guinery comes *The Moonflower Monologues*, her second book of beautifully designed poetry and prose. This collection is many things: an exploration of strength and femininity, an invitation to let

things go wrong, a reminder that growth comes in many forms, and an acknowledgment that “some things can’t be written in sugar, only salt.” Some of the writings are extravagant, some are sparse, but all are infused with Guinery’s introspection, stillness, and kindness.

2020-01-28

This thrilling YA retelling of Kurosawa’s Seven Samurai features a girl tasked with saving the world from eternal darkness. Perfect for fans of Six of Crows and Marie Lu. And she’s also plagued with a secret: She can see yokai, the ghosts and demons that haunt the streets of Kyoto. But things accelerate from bad to worse when she learns that Shuten-doji, the demon king, will rise at the next blood moon to hunt down an ancient relic and bring the world to a catastrophic end. Not exactly skilled at fighting anything, much

less the dead, Kira enlists the aid of seven powerful death gods to help her slay Shuten-doji. They include Shiro, a kitsune with boy-band looks who is more flirtatious than helpful, and O-bei, a regal demon courtier with reasons of her own for getting involved. As the confrontation with Shuten-doji draws nearer, the fate of Japan hangs in the balance. Can Kira save humankind? Or will the demon king succeed in bringing eternal darkness upon the world?

**Old Monarch** - Courtney Marie Andrews

2021-04-06

Some people are like monarch butterflies—solitary by nature, on a passionate search for somewhere. Critically acclaimed songwriter Courtney Marie Andrews presents her first poetry collection. This poetry collection reads like a transformation, me, the narrator, being the figurative Old Monarch. Documenting this journey, the book is separated into three sections, "Sonoran Milkweed," "Longing In Flight," and "Eucalyptus Tree (My Arrival to Rest)." In the first stage of my journey, I explore my childhood in Arizona, and the naive assumptions of youth. At this stage in my journey, I am impressionable, seeing the world with all its nuances for the first time. Through the landscape of the Sonoran Desert, I explore some dark family dynamics and what a child sees. Several characters turn up in the early poems including my cowboy grandpa, and the single mother who raised me, despite many forthcoming. The early poems also explore my desire to see a brighter world of possibility

beyond the dusty desert island, and see humans more clearly within the confounds of discovery. In the second stage, I have left home. I am falling in love for the first time, as I become a young woman. Finally, the last stage is the old monarch's arrival to the garden. There are a lot of metaphysical and philosophical poems in this section. I arrive at the figurative garden, and I finally understand the journey at the edge of my life. There are a lot of poems in the context of a garden here, accepting mortality and the ever-changing world. These are meant to be wise old woman poems.

*Work. Love. Body* - Jane Gilmore 2021-11-14  
In 2020, the lives of Australian women changed irrevocably. With insight, intelligence and empathy, Jane Gilmore, Santilla Chingaibe and Emily J. Brooks explore this through the lenses of work, love and body, and ask: Will the Australia of tomorrow be more equal than the one we were born into? Or will women and girls remain left behind? While our country was shrouded in smoke in the early months of 2020, Australian women went about their daily

business. They worked, studied, cleaned, did school runs, made meals. And they postponed looking after themselves because life got in the way. Then, in March, Australians were told to lock down. For all the talk of equality, it was primarily women who held the health of our communities in their hands as they took on the essential jobs to care, to nurse and to teach, despite an invisible danger. One year later, women across the country would march on behalf of those who were not safe in workplaces and their own homes. Never before has change been thrust so abruptly on modern Australian women - 2020 impacted our working lives, relationships and our health and wellbeing. And as a growing number of women agitate for change, it is time to demand what women want. So where do we go from here? One thing is very clear: the future is now, and it is female.

This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched

thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. *Smaller and Smaller Circles*, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives.

*To my crush* - Brendon Thutso 2019-10-15

This book is a concoction of the poet's thoughts on a person they have an unquenchable crush on. The poet is not a very direct person and uses

metaphors, riddles, and many other language tricks to embody what they intend to say. In the poem, "The Dream", the poet talks about watching the earth flood as he sits at the brink of the cumulonimbus, but as he continues through the poem it unravels to the reader that the poet is not talking about the real flood or cumulonimbus, instead the poet uses all those meteorological terms as a way to censor their language. In many other poems like "imagine", the poet expresses their love and admiration for their crush and the things they wish they could do together. contact: brentee01@gmail.com (author)

The Truth of You - Iain S. Thomas 2021-03-23  
This is the truth of you. Because you are all I see. Because you are all I breathe. Because when I cannot find you, I am lost. Because when I'm with you, I am found. Because you have the fire of the universe in you, and sometimes you forget. So this book is here to remind you. Dear You, I want you to know that I see you. I want you to know that even if no one else does, even if you are a ghost in this bookshop, or just the static floating across the screen of your computer, wherever you're reading this, I see you. I see you in the dark and I see you in the grey. I see you as a story, as words I have spoken or may yet speak. Maybe only in a memory or a dream. I see your hands and your

arms and your body and your legs and your face and I see what you have been and what you will be. I see you and in looking at you, I want you to know that whoever you've had to be to survive all this, I will not look away. I want you to know that there's a space inside this book for you. So if you have the time and the inclination, you can sit here with me, just for a while. And perhaps between us, we can see everything that matters.

**The River at Night** - Erica Ferencik 2017-01-10

A "raw, relentless, and heart-poundingly real" (Ruth Ware, New York Times bestselling author) thriller set against the harsh beauty of the Maine wilderness, *The River at Night* charts the journey of four friends as they fight to survive the aftermath of a white water rafting accident. Winifred Allen needs a vacation. Stifled by a soul-crushing job, devastated by the death of her beloved brother, and lonely after the end of a fifteen-year marriage, Wini is feeling vulnerable. So when her three best friends insist on a high-octane getaway for their annual girls' trip, she

signs on, despite her misgivings. What starts out as an invigorating hiking and rafting excursion in the remote Allagash Wilderness soon becomes an all-too-real nightmare; a freak accident leaves the women stranded, separating them from their raft and everything they need to survive. When night descends, a fire on the mountainside lures them to a ramshackle camp that appears to be their lifeline. But as Wini and her friends grasp the true intent of their supposed saviors, long buried secrets emerge and lifelong allegiances are put to the test. To survive, Wini must reach beyond the world she knows to harness an inner strength she never knew she possessed. With intimately observed characters and visceral prose, *The River at Night* “will leave you gasping, your heart racing, eyes peering over your shoulder to see what follows from behind” (Mary Kubica, *New York Times* bestselling author). This is a dark exploration of creatures—both friend and foe—that you won’t soon forget.

**Romance or the End** - Elaine Kahn 2020-02-04  
“This book takes me right back to the Carnage Years—yours, too—sacrificed to love. If only I, you, had possessed Elaine Kahn’s wisdom and wit. These poems are lacerating, coy, bloody, and so true I wanted to memorize lines from them.” —Rachel Kushner, author of *The Mars Room* and *The Flamethrowers*  
*Romance or The End* takes up the tools of romantic narrative in order to perform the rupture between self and story that occurs at the onset of trauma. Using known and pathologized literary arcs, Elaine Kahn unspools the fundamental instability of truth, love, and language to create an experiential portrait of narrative’s power to both disfigure and restore. **ROMANCE or THE END**  
This is a book about love. And it is a book about lies. Love can be a lie, but it is also always true. This is a book about truth. This is a book about story. There is no such thing as a true story and so there are no stories in this book. Without a story, there is separation. This is a book about

separation. Everything is a story. Even the truth. There is nothing truer in this world than the lie of love.

[Karachi, You're Killing Me!](#) - Saba Imtiaz

2014-02-24

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered

body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoiled offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, *You're Killing Me!* is Bridget Jones's Diary meets *The Diary of a Social Butterfly*—a comedy of manners in a city with none.

*Chasers of the Light* - Tyler Knott Gregson  
2014-09-02

The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. *Chasers of the Light* features some of his most insightful and beautifully worded pieces of work—poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Baker, this edition also contains a list of principal dates in the life of Milton and a selected bibliography.

**The Space Between the Raindrops** - Justin Ker 2014

Contemplative and filled with possibility, each evanescent story in this collection inhabits the fleeting, unrepeatable place between the falling droplets on our island of rain. A bed thief breaks into a HDB flat every day, only to steal a few hours' rest. Singapore is interviewed as a psychiatric patient on National Day. *The Space Between the Raindrops* is a remarkable collection of short stories told by a startling new voice. This book is perfect for a brief subway ride or the interval spent waiting for the bus, as well as that languid afternoon spent contemplating a thunderstorm.
