In the book's foreword, the authors say that we are encouraged to think for ourselves- "The stories of the Bible ... can be understood in many ways and on many different levels. ... As we grow up and change, we can see new questions in each story. Why does God tell Adam and Eve about one tree but not

another? Why does God ask Abraham to sacrifice his son?... To write the stories in this book, we looked at the Bible and asked many, many questions. How? What? When? Who? And of course, why? Why, why, why? And why not?" The authors' sensitive and perfectly pitched retellings aren't simply an introduction to the Bible - they inspire the next generation to carry on the tradition.

The book uses the fine arts to teach the Bible with beauty and reverence. Through pictures, comments, stories, and music, children are taught to understand and appreciate the Word of God. Each letter of the alphabet has a scripture followed by a brief commentary in plain and simple words. Scriptures are from the King James Bible because it is praised as a literary masterpiece. The commentary is illustrated by a beautiful color picture. It is a fact that children become more interested in and remember longer information that is illustrated. The comments include some of the fundamental doctrines of the Gospel and practical

The Bible Primer with Commentary encourages children to love God and lovingly obey his Word. It is full of sound guidance for everyday life, and hope, and joy. It is valuable not only as a book for teaching children to read or beginning to read the Bible, but also as a children's devotional or a book that may be read aloud at family worship.
