Violent Beginnings - C Hallman 2020-11-22

The deal was sealed the moment she stepped onto that stage. It was like seeing a ghost. Sunshine blonde hair, pale skin, and azure eyes that held a thousand secrets. I didn't know what caused her to end up on that auction block. And I didn't care either. All I knew was that I had to have her...no matter the cost. One-million dollars later and she became just that. Mine to break.

Mine to use. Mine to keep. We all have secrets, and when I discover hers, no one will be able to save her from me.*This is a complete standalone, 100k+ word novel. It contains dark themes, including violence and sexual situations. As always there is no cheating, and a happily ever after.*

The Golden Boys - Nikki Thorne 2020-10-08
West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty

of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match, and taking him down just became an inside job.***The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the

pages to find out what happens next. One-click and get lost in this series today! Smooches! RJ & NT

[Embodied Inquiry](#) - Jennifer Leigh 2021-05-20

Embodied inquiry is the process of using embodied approaches in order to study, explore or investigate a topic. But what does it actually mean to be 'embodied'? This book explores why and how we use our bodies in order to research, what an embodied approach brings to a research project, and the kinds of considerations that need to be taken into account to research in this way. We all have bodies, feelings, emotions and experiences that affect the questions we are interested in, the ways in which we choose to approach finding out the answers to those questions, and the patterns we see in the data we gather as a result. Embodied Inquiry foregrounds these questions of positionality and reflexivity in research. It considers how a project or study may be designed to take these into account and why multimodal and creative approaches to research may be used to capture embodied experiences. The book offers insights into how to analyse the types of data emerging from embodied inquiries, and the ethical

considerations that are important to consider. Accounting for the interdisciplinary nature of the field, this book has been written to be a concise primer into Embodied Inquiry for research students, scholars and practitioners alike.

The Oracle Queen - Kendare Blake 2018-04-03

The #1 New York Times bestselling author of the Three Dark Crowns series introduces readers to the Oracle Queen in this riveting prequel novella. Fans of the series will be enthralled with Queen Elsabet's genesis, riveted by her madness, and compelled by her tragic—and bloody—reign. Triplet queens born on the island of Fennbirn can be many things: Elementals. Poisoners. Naturalists. If an oracle queen is born, however, one with the gift of sight, she's immediately drowned, extinguishing her chance at ever taking the throne. But that's not how it always was. This cautionary practice started long ago, with Queen Elsabet—the legendary, and last, oracle queen—whose reign was tinged with blood and horror. Paranoid,

ruthless, and utterly mad, Elsabet's mistrust led to the senseless slaying of three entire houses of innocent people. At least, that's the unchallenged tale carried down from generation to generation. But what really happened?

Discover the true story behind the queen who, though born with the gift of sight, could not foresee her swift and sudden fall from power . . . until it was too late. Don't miss Five Dark Fates, the thrilling conclusion to the series!

The Worst Guy - Kate Canterbury 2021-12-28
Sebastian Stremmel is in one hell of a mood. He's been there for about 42 years. He's not about to change so don't bother asking. Another thing he doesn't want to do? Deal with the noisy new know-it-all reconstructive surgeon Sara Shapiro who won't stop stomping around his surgical floor like she has a single clue how to handle trauma cases. She doesn't, and he has no problem telling her as much... even if it lands them both in eight weeks of hospital mandated conflict resolution sessions. Eight weeks is a

long time to slog through communication exercises with someone you dislike on a cellular level, but as if that wasn't enough, she's moved into his apartment building too. Now, he can't turn around or close his eyes without seeing her golden hair shining back at him and hearing her throaty laugh in his head. He doesn't want to like her. She's loud and knows everything, and her snack preferences are absurd and she doesn't seem to wear panties under her scrubs, and he doesn't want to like her at all. He doesn't want to find comfort in the rare slice of softness she shows him and he doesn't want to discover desire like he's never known before in her bed. He doesn't. But even the worst moods are bound to change eventually.

The Bossy Prince - Lili Valente 2021-04-02

She claims to hate me more than karaoke and liverwurst, and that's before she finds out I'm her new boss. The scandalous royal bit? That's just our cover, a smokescreen we hide behind to keep our counterintelligence work covert. But

Princess Alexandria's hatred of me? Oh, that's real. Doesn't help that the first undercover mission I assign her to requires us to pose as lovers. I'm basically ordering her to pretend she finds me irresistible. You ask me, I have it tougher. Pretending I'm not getting addicted to the way she can't stop kissing me when no one's looking? Try impossible. Then she starts letting me in, showing me the sweet side she keeps hidden under her tough girl exterior. Ruining me for all other women. Being royal, I always knew very little would ever be just mine. Becoming a spy, I understood the future wouldn't be guaranteed. For Alexandria, I'm going to fight for both. Pretty Boy D - Nikki Thorne 2021-07

Dane Golden-Best friend. Temptation in football cleats. Roommate? I'm screwed. His followers don't call him Pretty Boy D for nothing. The guy is, literally, God's gift to women. I should know.

I've watched chicks throw themselves at him since puberty. Sharing his loft should be simple. Easy. But shortly after I settle in, we realize being "just friends" was so much easier when we weren't sleeping under the same roof. Seven years of thinking we had this down to a science goes out the window the night Dane sees my "Never Have I Ever" list. Now, he's on a mission to help me cross off the top four items. Some of which aren't quite as innocent as he'd expect. What he's proposing will break the rules we agreed to when I first came to stay here. He wants me to give in, to let my guard down and face my feelings for once. At least, that's what that wicked look in his eyes and the mounting heat between us suggests. This isn't how I imagined being roommates would go. But a girl can only stare temptation in its green eyes for so long and not weaken. My best friend wants to have his way with me and, right or wrong... I think I might let him. *** Pretty Boy D is a full-length standalone novel. This book can

absolutely be read on its own, but when you're done, it's recommended that you check out more from the Golden triplets and Joss in the complete enemies-to-lovers trilogy, *KINGS OF CYPRESS PREP*. Do you enjoy the frustratingly hot push and pull of a good friends-to-lovers or roommates-to-lovers romance? Then you'll love getting to know Dane and Joss. Due to adult themes and sexual situations, this one's only for the 18+ crowd. Expect an HEA and no trigger warnings needed. One-click and get lost in this story today! Smooches, RJ & NT

[Never His Girl](#) - Nikki Thorne 2020-12-23
West Golden-Football star. Playboy. Dead to me. Nothing puts the final bullet in a girl's rep like a leaked sex tape. Especially one starring her and the cocky quarterback who's had it out for her since day one. Yep, you guessed it. That girl is me. At Cypress Prep, West is king, but all I see when I look at him is the wicked prick who gets off on trying to break me. His plaything. Go ahead. Give him a round of applause for winning

that last round, but know this-hell hath no fury like a girl from the south side with a baseball bat. Hurt me once, shame on you. Hurt me twice... over my dead body.

The Wedding Date Disaster - Avery Flynn

2020-08-25

I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But

Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

He was the handsome stranger at the bar. I was the jilted bride sobbing into the train of my wedding dress. It was supposed to be one night...Fate had other plans."Come up to my room with me..."The invitation came in a deep, husky voice as I was sobbing into my floral arrangement and consuming all the alcohol during the lowest night of my life. Just for one night.I was never supposed to see him again. But two years later, he's here--in Copper

In this international bestseller, a “twisty tale of secrets and lies that reverberate across generations of a dysfunctional family” (Michele Campbell, author of *The Wife Who Knew Too Much*), a woman diagnosed with cancer sets out to discover if someone poisoned her before her time is up. Jennifer Barnes never expected the shocking news she received at a routine doctor’s appointment: she has a terminal brain tumor—and only six weeks left to live. triplets with wicked green eyes and bodies made for games. Their younger twin brothers, Kyle and Kameron are even bigger with piercing blue eyes and thighs so thick I practically swoon. She tells me the rumors she's heard about them, huge things I definitely don't want to know but keep me awake at night, aching. I'm not convinced until I give it a try and see the filthy gleam in their eyes. It's definitely not the way they should be looking at their stepsister! Then I overhear Kyle and Kameron talking. Mirrorland - Carole Johnstone 2022-01-04
Told with startling twists and haunting power, Mirrorland is a thrilling psychological suspense novel about twin sisters, the man they both love, the house that has always haunted them, and the childhood stories they can't leave behind. Cat lives in Los Angeles, far from 36 Westeryk Road, the imposing gothic house in Edinburgh where she and her estranged twin sister, El, grew up. As girls, they invented Mirrorland, a dark, imaginary place under the pantry stairs, full of pirates, witches, and clowns. These days, Cat rarely thinks about their childhood home, or the fact that El now lives there with her husband, Ross. But when El mysteriously disappears after going out on her sailboat, Cat is forced to return

to 36 Westeryk Road, which hasn't changed in twenty years. The grand old house is still full of shadowy corners, and at every turn Cat finds herself stumbling on long-held secrets and terrifying ghosts from the past. Because someone--El?--has left Cat clues: a treasure hunt that leads back to Mirrorland, where the truth lies waiting... A brilliantly crafted story of love and betrayal, redemption and revenge, Mirrorland is a propulsive, page-turning debut about the power of imagination and the price of freedom.

Hatemates - Mickey Miller 2020-03-08

Imagine: You arrive to college on the first day, ready to meet your roommate in the girl's dorm. A huge mistake puts you into the male dorm. Your roommate? He's DJ Dalton, football star and campus celebrity extraordinaire. You can look, but you can't touch. Because the prettiest packages come with the biggest consequences...Is he panty-meltingly handsome with an attitude to match? Sure. Do I accidentally

fantasize about him one (okay, maybe two) times? Fine, I'm honest enough to admit it. None of that matters, because we're opposites in all the ways that are important for getting along as college roommates: He comes from a perfect life and old money. I come from a broken home and bowls of ramen. He's at Greene State to party. I'm here to study. He's a popular jock. I wouldn't be caught dead playing sports. To say we get off to a rocky start would be an understatement. Ironically, that's what causes our sizzling attraction to boil over one night. But even that comes at a price. Because our story has a twist neither of us could see coming. One that changes both of our lives, 'till death do us part.
