The Molecule of More - Daniel Z. Lieberman 2018-08-14

Why are we obsessed with the things we want only to be bored when we get them? Why is addiction perfectly logical to an addict? Why does love change so quickly from passion to indifference? Why are some people die-hard liberals and others hardcore conservatives? Why are we always hopeful for solutions even in the darkest times—and so good at figuring them out? The answer is found in a single chemical in your brain: dopamine. Dopamine ensured the survival of early man. Thousands of years later, it is the source of our most basic behaviors and cultural ideas—and progress itself. Dopamine is the chemical of desire that always asks for more—more stuff, more stimulation, and more surprises. In pursuit of these things, it is undeterred by emotion, fear, or morality. Dopamine is the source of our every urge, that little bit of biology that makes an ambitious business professional sacrifice everything in pursuit of success, or that drives a satisfied spouse to risk it all for the thrill of someone new. Simply put, it is why we seek and succeed; it is why we discover and prosper. Yet, at the same time, it's why we gamble and squander. From dopamine's point of view, it's not the having that matters. It's getting something—anything—that's new. From this understanding—the difference between possessing something versus anticipating it—we can understand in a revolutionary new way why we behave as we do in love, business, addiction, politics, religion—and we can even predict those behaviors in ourselves and others. In *The Molecule of More: How a Single Chemical in Your Brain Drives Love, Sex, and Creativity—and will Determine the Fate of the Human Race*, George Washington University professor and psychiatrist Daniel Z. Lieberman, MD, and Georgetown University lecturer Michael E. Long present a potentially life-changing proposal: Much of human life has an unconsidered component that explains an array of behaviors previously thought to be unrelated, including why winners cheat, why geniuses often suffer with mental illness, why nearly all diets fail, and why the brains of liberals and conservatives really are different.

Don't Get It Twisted, Love Is a Beautiful Thing - John Estrellas 2015-11-05

What are the secrets to finding a love that lasts? If you want to know and experience real love in your life or you have a great relationship you want to last forever, keep reading. Also, if you loved Gary Chapman's *5 Love Languages* or *A Lifelong Love* by Gary Thomas...then you'll love this book as well!

Hidden Depths - Emma Holly 2011

James and Olivia have been happily married for many years. A harmless kink here or there spices up their love life, but they can't imagine the kinks they'll encounter while sneaking to the beach for a long, hot weekend. Anso has ruled the wereseals for one short month. He hardly needs his authority questioned because he's going crazy from mating heat. Then Anso's best friend and male lover Ty offers to help find the human mate his genes require. To Ty's amazement, Anso's quest leads him to claim not one partner but a pair. Ty would object, except he too

finds the human couple hopelessly attractive . . . "The most captivating and titillating story I have read in some time . . . Flaming hot . . . even under water"-Tara's Blog

Final Hours (Love in Time Book One) - Cate Dean 2014-04-13

One man's death will change the future. Only two people can save him - if they have the courage to trust each other. Elizabeth Barritt fought hard for the life she has, finally putting the ugly memories of a childhood trapped in the foster care system behind her. She has the chance to move forward, to reach out for a new, exciting future, surrounded by the art that is her passion. All she has to do is take the first step. Enter Jackson Kane, who bursts into her life, literally out of thin air. He is a time traveler, on the hunt for a rogue agent. Colliding with Elizabeth is not on his agenda, as much as she intrigues him. When Kane is injured protecting Elizabeth from that agent, she makes a decision that will change her life, in ways she can't even begin to grasp. She takes him home. Once he is healed enough to travel, Kane goes after the agent, chasing him back to war-torn London. But his journey back takes a sideways turn, forcing Elizabeth to make another choice. She follows him into the past, to help him stop one man from changing their future. Together, they learn to trust. What they don't expect is the connection between them - a connection so strong they can't fight it, even as they try. Because how can it work, when their lives are centuries apart?

*Includes an exclusive preview of *First Breath*, Book Two of the *Love in Time* series.

Ontological Mysticism, an Experience of God - Ben Gilberti 2011-03-01
Mysticism, the full realization of God cannot be attained through thoughts or words. The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. Mr. Gilberti's tome is more than his personalized writing, but rather takes you through the maze of thought to new realizations. Using Carl Jung's concept of archetype symbols and Aristotle's method of reasoning you are led to the brink of your mind in *An Experience of God*. There will be those who will no longer run from the fear, who will go into free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.

Use It - Cheryl Hunter 2012-06

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Water Signs - Daria Anne Digiovanni 2016-07-07

Madeline Rose is a sweet, sheltered and eternally youthful young woman of 25—the youngest child of a prominent Philadelphia neurosurgeon. Despite the unending support of a loving, close family, she battles formidable insecurities, thanks to a recent, bitter break-up with her first real boyfriend and a turbulent adolescence characterized by a few extra pounds. Unsure of her future, she struggles to live up to her potential as well as her highly educated pedigree, given her fortunate placement in an impressive ancestral heritage. Still adjusting to civilian life after four

years in the United States Navy, handsome, affable and ambitious Ken Lockheart has two goals: to rise above his blue-collar, Shore town roots and to marry his true love. Though the epitome of the classic, all-American male with his boyish good looks, six-foot frame and broad, muscular body, he retains a basic humility borne of a relentless work ethic and an inner drive to succeed. When a chance encounter in a Somers Point nightclub initiates an unexpected relationship, neither one of them is prepared for the ensuing odyssey of heartbreak, personal growth and spiritual development that fuels their individual life lessons and leads them full-circle to a divinely guided conclusion.

The Moral Molecule - Paul J. Zak 2012

Why are men less faithful than women? Why are some people altruists and others cold-hearted bastards? Why do some businesses succeed while others collapse? In his entertaining and groundbreaking book, Paul Zak uses neuroscience and the fundamentals of economics to answer essential questions about human nature and explore exactly what goodness is.

The Good the Bad and the Difference - Michael Sabbeth 2013-03

A guide to essential conversations that parents need to have with their children about being critical, independent thinkers and good people.

The Moral Molecule - Paul J. Zak 2012-05-24

Human beings can be so compassionate. They can also be shockingly cruel. What if there was a master control for human behaviour? Switch it on and people are loving and generous. Switch it off and they revert to violence and greed. Pioneering neuroeconomist Paul J. Zak has discovered just such a master switch: a molecule in the human brain. Zak's colleagues call him Dr Love. They also call him the vampire economist. He and his research team have travelled from his laboratory in California to the jungles of Papua new Guinea via a summer garden in Devon, taking blood from people as they attend a wedding, make decisions with money, play football on the field, even jump from an aeroplane. Their experiments to measure a chemical in the bloodstream called oxytocin reveal the answers to those mysteries about why we make the decisions we do: why we are sometimes rational, at other times irrational; why men cheat more than women; how the moral molecule operates in the market place, and most importantly, once we understand the moral molecule, how we can consciously use it to make our lives better.

Trust Factor - Paul Zak 2017-01-02

Why is the culture of a stagnant workplace so difficult to improve? Learn to cultivate a workplace where trust, joy, and commitment compounds naturally by harnessing the power of neurochemistry! For decades, business leaders have been equipping themselves with every book, philosophy, reward, and program, yet companies everywhere continue to struggle with toxic cultures, and the unhappiness and low productivity that go with them. In Trust Factor, neuroscientist Paul Zak shows that innate brain functions hold the answers we've been looking for. Put simply, the key to providing an engaging, encouraging, positive culture that keeps your employees energized is trust. When someone shows you trust, a feel-good jolt of oxytocin surges through your brain and triggers you to reciprocate. Within this book, Zak explains topics such as: How brain chemicals affect behavior Why trust gets squashed How to stimulate trust within your employees And much more! This book also incorporates science-based insights for building high-trust organizations with successful examples from The Container Store, Zappos, and Herman Miller. Stop recycling the same ineffective strategies and programs for improving culture. By using the simple mechanisms in Trust Factor, you can create a perpetual trust-building cycle between your management and staff, thus ending stubborn workplace patterns.

Love Poems for Cards and Letters - Ara John Movsesian 2007-12-11

Love Poems for Cards & Letters contains over 175 short but powerful poems perfect for use in romantic greeting cards and love letters.

I Am Not My Hair - Shwneda 2013-04-29

The previous scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun and freedom as she enters her mid fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had.

Love & Daisies - Jennifer L Rowlands 2016-10-27

Ella has spent her life in a small town surrounded by loyal friends, the

scent and beauty of her floral shop, and calm predictability. Everything changes when she runs over a newcomer in town. The usually level-headed businesswoman falls clumsily into a future she couldn't have predicted, and finds herself entangled with a past never forgotten. Despite her resistance, Ella tumbles through romance and comedy into the arms of the man she never imagined she'd find.

Monk's Monster House - Sam Ward 2015-03-20

Don't be scared Mom and Dad. Mr. Sam's monsters are friendly. Take a reading journey with your child through Monk's world where all sorts of happy-go-lucky characters hang out. Pursuing his lifelong passion to be an author, Mr. Sam - a.k.a. Sam Ward - has put together one of the most innovative and engaging reading books of our time. His creative approach to beginning reading is matched by his dynamic illustration ability. This is not a traditional ABC book. A few years ago, the author's son was diagnosed with a language disability. The writing of this book is an attempt to understand and communicate with him. The process led down a path of discovery of tools that can benefit all beginning readers. *The Dating Mirror: Trust Again, Love Again* - Diana Dorell 2016-01-31 This book is not the same old dating BS about the differences between men and women and how they think. It's about becoming an intuitive woman, understanding and using your intuition to guide you to the right person for you, and breaking out of the dating/relationship pattern that keeps you stuck. In this book you will learn: How to spot red flags BEFORE you go on a date Why you keep dating the same guy with a different face Simple techniques to help you get over your ex, once and for all How to stop wasting time and energy on partners who aren't right for you The most overlooked step you need to take before attracting your ideal partner "Since everything in life operates by Law, you are already attracting everything into your life. When you begin to follow the tools presented in this humorous and enlightening book, you'll attract the mate of your dreams." -Bob Proctor, Author and Teacher from the movie, The Secret "The Dating Mirror will teach you how to date with your eyes wide open. Dating while seeing clearly will net a much better result." - Lissa Coffey, Bestselling Author of What's Your Dosha, Baby? Discover the Vedic Way for Compatibility in Life and Love "If you're ready to change your thinking about what's possible and are committed to using this belief, you can truly have whatever your heart desires. The Dating Mirror: Trust Again, Love Again is your ticket back to yourself. The question is: Are you going to take it?" -Adam Markel, Bestselling Author, Transformational Trainer, Attorney, and CEO of New Peaks (formerly Peak Potentials) "

Heartbreak Therapy - D. Foy Hutchins 2015-12-02

In his first book, Pastor D. Foy Hutchins candidly shares his journey of emotional healing after a season of loss, pain, and disappointment. Once happily married and budding in ministry, Hutchins found his world caving in when he seemed to have lost it all. After a heartbreaking divorce and devastating church failures, he found the inner strength to rebound and recover. Heartbreak Therapy is designed to help you rediscover the possibilities that seem so bleak. As you read, you will find that emotional healing is possible and you can recover.

Goodnight Sister - Kali-Nicole Campbell 2015-02-07

In this Christian early reader, two sisters and their furry friend enjoy weekend adventures and most importantly each other. As the two sisters work and play together, early developmental routines are reinforced for young readers. Using bright colors and many pre-primer and primer words, "Goodnight Sister" will capture your budding reader's attention and encourage a love of reading.

The Moral Molecule - Paul J. Zak 2013-11-26

"Philosophy, economics, and biology have rarely been so entertaining."—Matt Ridley, author of *Genome* Paul J. Zak's proclivity for taking blood samples has earned him a nickname as the "vampire economist." But his sanguinary habit is backed by his scientific quest: What if there was a master switch for human behavior? On, and people are loving and generous. Off, and they revert to violence and greed. By studying thousands of blood samples, Zak has pinpointed just such a switch: a brain chemical called oxytocin. Sprinting around the globe and into the human brain, *The Moral Molecule* is a dazzling narrative as erudite and entertaining as bestsellers like *Flow*, *Drive*, and *Why We Love*.

Embracing Greatness - Sophia Ellen Falke 2017-06-21

Embracing Greatness: A Guide for Living the Life You Love takes the lid off previously held beliefs you have about yourself and the world around you. In this book, you'll learn how to shine a conscious light of inquiry and understanding on those beliefs. The process revealed in *Embracing Greatness* helps you uncover the special contributions you're meant to

make in the world and action steps toward them. Get ready to transform your life - your relationships; your physical, emotional, and spiritual health; your financial freedom; your joy in life; your business and creative expression; and the ability to do what you want, when you want, where you want, and with whom you want. Find out more at www.EmbracingGreatness.com. Even before its publication, here's what people who received advance copies said about *Embracing Greatness: A Guide for Living the Life You Love*. "Sophia Falke has nailed it! In her own inimitable way Sophia helps you discover the beauty and purpose in your uniqueness ... Please read this book!" Mike Rayburn, CSP, CPAE, Hall of Fame Keynote Artist. "If you're ready to live the life you would love, ... You will forever thank yourself for reading and applying this wonderful book." Mary Morrissey, International Speaker, Best-Selling Author, CEO Consultant. "Embracing Greatness is for anyone who wants to discover and cast aside long-held barriers to personal success." Kathleen Quinlan, MSW, LCSW, Author/Producer of *The Land of Love*. "As a business owner who left corporate life to start my own business, I was inspired by Sophia's message..." Deborah Armstrong, Small Business Owner. "Embracing Greatness is like taking a walk on a warm spring day with a much respected mentor while getting the pep-talk of a lifetime. Filled with inspiration, doable exercises, and heartwarming stories of real people making tremendous positive changes, this personal-growth handbook is a true gem!" Cate Montana, MA, Author of *The E Word: Ego, Enlightenment & Other Essentials*.

[The Science of Good and Evil](#) - Michael Shermer 2005-01-02

From bestselling author Michael Shermer, an investigation of the evolution of morality that is "a paragon of popularized science and philosophy" *The Sun* (Baltimore) A century and a half after Darwin first proposed an "evolutionary ethics," science has begun to tackle the roots of morality. Just as evolutionary biologists study why we are hungry (to motivate us to eat) or why sex is enjoyable (to motivate us to procreate), they are now searching for the very nature of humanity. In *The Science of Good and Evil*, science historian Michael Shermer explores how humans evolved from social primates to moral primates; how and why morality motivates the human animal; and how the foundation of moral principles can be built upon empirical evidence. Along the way he explains the implications of scientific findings for fate and free will, the existence of pure good and pure evil, and the development of early moral sentiments among the first humans. As he closes the divide between science and morality, Shermer draws on stories from the Yanamamö, infamously known as the "fierce people" of the tropical rain forest, to the Stanford studies on jailers' behavior in prisons. *The Science of Good and Evil* is ultimately a profound look at the moral animal, belief, and the scientific pursuit of truth.

The Moral Molecule - Paul J. Zak 2012-05-10

A Revolution in the Science of Good and Evil Why do some people give freely while others are cold hearted? Why do some people cheat and steal while others you can trust with your life? Why are some husbands more faithful than others—and why do women tend to be more generous than men? Could the key to moral behavior lie with a single molecule? From the bucolic English countryside to the highlands of Papua New Guinea, from labs in Switzerland to his campus in Southern California, Dr. Paul Zak recounts his extraordinary stories and sets out, for the first time, his revolutionary theory of moral behavior. Accessible and electrifying, *The Moral Molecule* reveals nothing less than the origins of our most human qualities—empathy, happiness, and the kindness of strangers.

Sweet Madness - Heather Snow 2013

Dedicating herself to studying the maladies of the mind, particularly treating traumatized soldiers of the Napoleonic Wars, Lady Penelope Bridgeman, haunted by her own husband's tragic death, is unprepared for her attraction to Lord Gabriel Devereaux and his unpredictable bouts of madness. Original.

A book about two men in a very loving relationship. When one is taken away in a horrific accident the other is left to find his way through life and grief. Eighteen months of life reflections tracking the journey from loss to life.

[A Rainwater Book of Kin](#) - Lorinda Rainwater 2018-08-17

A RAINWATER BOOK OF KIN VOLUME 4.22 is a continuation series of just a journal to my Unborn Baby LOVE!* and YET the reason I AM...sharing IT is because of what I discovered by keeping one...* A VENUS BIRTH!* (Volume 2 "You're Having a Venus Birth" which for me was a two hour next to no pain... *ALL JOY, LOVE AND PLEASURE BIRTH MIRACLE!* I later learned from ANASTASIA* of The Ringing

Cedars Series that my easy breezy beautiful childbirth was because of my keeping of a journal, which she calls, *The Book of Kin*...* I HOPE that mine here serves as a POSITIVE example for YOU and then for your future generations TOOO!* *AMEN BLESSED BE NAMASTE OM PEACE AND LOVE* Also considered *A Book of Shadows* in some Spiritual Circles...as IT is filled with Readings from the S P I R I T S* through Cards and Oracles with much Sacred Knowledge on VENUS BIRTH* as well as another special twist and turn! In this volume I AM...pregnant and journaling through to 68 months gestation!!!* As of this back cover writing I AM...almost 6 years pregnant...OMG! and so the series continues...

[What's Wrong with Pauly?](#) - B. J House 2013-08

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

Calliope - Mark Pucci 2013-07-21

Calliope is a literary novel. In its simplest form, it is the story of a man longing to become the young, idealistic person he once was when the world seemed completely open to promise. It is the desire to re-experience life with all the naiveté and hope of romantic youth. In its allegorical form, the story explores such themes as purpose, morality, social convention, materialism and happiness. When the protagonist meets an orange-haired girl, his life is forever altered. Her name is Calliope, and what occurs throughout the rest of the novel is a wild, episodic fugue. The flight becomes a frenetic interlacing through wilderness and civilization, this being an allusion to Jean-Jacques Rousseau's *Discourse on Inequality*. The wilderness comes to represent a path back to the primal self, while civilization is more dubious representing both the potential for corruption, as well as the great heights of artistic and rational endeavors. Yet while on the journey, the protagonist is forced to look at life anew in part due to the somewhat unscrupulous efforts of Calliope. Morality is examined through the eyes of Calliope, who is by all intensive purposes Greek, which means pre-Christian. Her moral code is not affected by the guilt of Christianity. Her nakedness throughout the novel in part symbolizes a complete lack of shame. As for her beliefs, an understanding of Friedrich Nietzsche's perspectivism best represents her values. This allows the protagonist an opportunity to erase everything that he has learned. All custom, all forms of etiquette, religious belief, habit and convention must be forgotten in order to re-experience the world with the sense of wonderment he so eagerly longs for. With no ties to the world, he embarks upon an epic voyage of silliness and profound examination. Lured along by this electric, orange-haired muse, he becomes convinced that she is either bent upon his supreme salvation or utter damnation. What is so amazing about the entire journey is where they both end up—a location which seems to be the last place the protagonist was in complete control of his destiny. Therefore, a true chance to begin again is perhaps realized.

[How Being Consistent Changed Everything](#) - Jason DeZurik 2013-02-26

Having left his job in 2007 and not knowing where the Lord would take him, the author and his family began a journey of spiritual growth and insight they had never expected or experienced before.

Sea Glass Windows - Richard Morgan 2016-05-03

Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.

Killian James - T. J. Askren 2013-06-08

A provocative novel about sex, love, friendship, and family Killian James loves all kinds of women, but she doesn't always consider the consequences of giving into her desires. Fearing rejection from her family, Killian hides her sexual orientation and maintains a facade for her colleagues at Ohio Valley General where she works as an emergency nurse. Her best friend, a straight man named Joel, knows everything about her and tries to steady Killian's moral compass by steering her towards women who are more available. Throughout her life, when faced with conflict, Killian sought solace with her grandmother, the only family member who knows her truth. When her beloved grandmother dies, Killian discovers family secrets that make her understand the importance of being true to oneself. Killian James takes you through her erotic and tender journey toward understanding that true love never dies and the importance of friendship and family.

Mommy and Daddy Love You Exactly As You Are! - Wade Galt 2007-09

Babies are so easy to love. It feels so natural to love a newborn child unconditionally. The love just naturally flows out of us. Nobody has to teach us. Nobody has to ask us. Nobody has to convince us. It just happens. How wonderful it would be if we could always love, cherish, and appreciate our children as gorgeous, loving, angels. How great it would be to carry our love with us and maintain it powerfully forever. We can do that. We simply need to be nudged to remember. We just need to be reminded what we hold dear and precious. We only need to take time out for a few moments and bask in the memory (and the present moment reality) of what is so amazingly and divinely wonderful about our gifts from the divine. This book is one of those reminders. Read this to your children so they (and you) remember how much you love them.

Salem VI - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

Tree of Life - Nigel Shindler 2015-01-14

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

Uprising UK - George Hill 2010-11-16

The Ogre faces not just the undead, but also the demonic powers that control and drive them to feed on human flesh.

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Love Speaks - Flavien Shirandi 2016-12-13

"Love speaks" is a book containing my reflections on divine love, the love between communities, family or simply love itself. It has edifying tips for young singles, for married couples; revelations, inspirations... All ages can relate to this book. I speak of love in this book, not because I am an expert in love, but because I live by and I have been challenged by the same love. These quotes are largely the result of my reflections, Bible readings, my understanding of the Bible, personal experiences and much more. While these are not necessarily truths from the gospel, they are inspirational quotes, by the Grace of God, to make us a community of love, fulfillment and expansion. Love is a force that repairs errors and covers a multitude of people's sins. It helps people grow beyond their imperfections. If we put love first in our lives, relationships, communities, churches, families, companies, we will have less problems and more solutions to conflicts. Read and share this book. It will surely be a blessing to you. Language: English-French-Dutch/Nederlands

Preordained - Kelly Libsack 2011-01-01

Left alone in this world when her father dies, eighteen-year-old Faith Beshert learns that he took an ancient truth to his grave, a truth that would have explained the history of her bloodline and the role it plays in a wager between God and Satan. Faith isn't spiritual or religious. In-fact she doesn't believe in any of it. However, when two angels disguised as gorgeous young men enter her life and steal her heart, she's exposed to the existence of the other side and a responsibility she's meant to fulfill.

There's a New Dog in Town - Loukia Verhage 2017-02-13

Welcome to the first book in the Love Puppy Chronicles. Elvis is the top dog in the Love Family but all that is about to change. Open the book and enjoy a heartwarming story as change comes to the Love household. Beautifully illustrated in mixed media that will keep children of all ages and dog lovers entertained for hours.

Embracing Survival - Dydine Umunyana 2016-08-10

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.
