Labor Cases - 2010

A full-text reporter of decisions rendered by federal and state courts throughout the United States on federal and state labor problems, with case table and topical index.

Improving Organizational Performance - Richard E. Kopelman 2019-12-20

This book presents the Cube One framework, which provides a basis for understanding, diagnosing, and improving organizational performance. It is based on the premise that successful organizations enact practices that satisfy three key constituents: the enterprise itself, customers, and employees. This book offers a uniquely empirical approach by examining enterprise-, customer-, and employee-directed practices. Validity evidence is provided by survey research, studies of financial metrics, and the analysis of cases involving well-known organizations (such as Google, Four Seasons, and Mayo Clinic). The Cube One framework is equally applicable to organizations in the for-profit, nonprofit, and government sectors. After reading this book, students and scholars, as well as organizational practitioners in the fields of organizational behavior and management, will find a practical approach to improving organizational performance.

Results - Bruce A. Pasternack 2005-10-18

Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that's helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational DNA. Just as you can understand an individual's personality, so too can you understand a company's type—what makes it tick, what's good and bad about it. Results explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can't leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what's good and fix what's wrong. You'll feel the shock of recognition ("That's me, that's my company") as you find out whether your organization is: • Passive-Aggressive ("everyone agrees, smiles, and nods, but nothing changes"): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall • Fits-and-Starts ("let 1,000 flowers bloom"): filled

with smart people pulling in different directions • Outgrown ("the good old days meet a brave new world"): reacts slowly to market developments, since it's too hard to run new ideas up the flagpole • Overmanaged ("we're from corporate and we're here to help"): more reporting than working, as managers check on their subordinates' work so they can in turn report to their bosses • Just-in-Time ("succeeding, but by the skin of our teeth"): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest • Military Precision ("flying in formation"): executes brilliant strategies but usually does not deal well with events not in the playbook • Resilient ("as good as it gets"): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels For anyone who's ever said, "Wow, that's a great idea, but it'll never happen here" or "Whew, we pulled it off again, but I'm tired of all this sprinting," Results provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook From the Hardcover edition.

Anderson's Business Law & The Legal Environment - Comprehensive Edition - David P. Twomey 2021-01-01

Gain a strong understanding of business law as it's practiced today with the comprehensive, yet clear, approach found in today's number one business law resource with summarized cases: ANDERSON'S BUSINESS LAW & THE LEGAL ENVIRONMENT, COMPREHENSIVE VOLUME, 24E. This reader-friendly approach helps you grasp legal concepts and principles without overwhelming detail. You examine the latest developments in law today with new cases as recent as 2020 and examples drawn from current headlines. In addition to summarized cases, numerous examples of today's real legal dilemmas, meaningful applications and interesting learning features emphasize the relevance of what you are learning. You examine legal concepts within the context of real life with examples such as rapper 50 Cent's bankruptcy, Netflix's battle with Hollywood and popular online retailer Wayfair's legal battles. In addition, clearly identified content helps you prepare for the current CPA exam. Changing How the World Does Business - Roger Frock 2009-02

In a resort town turned internment camp, a female prisoner is brutally murdered Before the war, the hotels of Vittel hosted the wealthiest members of French society. Now, in the winter of 1943, two of France's most luxurious resorts have been converted into an internment camp for British and American women who failed to escape the country when the German army stormed across the border. For two years, the prisoners have lived quietly, surviving on Red Cross aid packages, but now they are beginning to die. An American woman is found stabbed through the heart with a pitchfork. By the time inspectors Jean-Louis St-Cyr and Hermann Kohler arrive from Paris, rigor mortis and the February frost have frozen her solid. In her pockets are Cracker Jacks and Hershey bars--bribes intended for one of the guards. To bring justice to Vittel, St-Cyr and Kohler will have to unravel the conspiracy that is at the heart of this luxurious, elegant hell.

[Counterfeit Community - John F. Freie 1998](#)

As Counterfeit Community shows, building genuine community means no quick fixes and no false appeals. The hard work of weaving relationships must be combined with political, economic, and social change to counter the counterfeit trend.

Managing Workplace Diversity, Equity, and Inclusion - Rosemary Hays-Thomas 2022-09-20

Managing Workplace Diversity, Equity, and Inclusion bridges the gap between social science theory and research and the practical concerns of those working in diversity, equity, and inclusion by presenting an applied psychological perspective. Using foundational ideas in the field of diversity, equity, and inclusion as well as concepts in the social sciences, this book provides a set of cognitive tools for dealing with situations related to workplace diversity and applies both classic theories and new ideas to topics such as United States employment law, teamwork, gender, race and ethnicity, sexual orientation, and other areas. Each

chapter includes engaging scenarios and real-world applications to stimulate learning and help students conceptualize and contextualize diversity in the workplace. Intended for upper-level undergraduates as well as graduate students, this textbook brings together foundational theories with research-based and practical, real-world applications to build a strong understanding of managing diversity, equity, and inclusion in the workplace.

Employment Law - Richard Carlson 2018-10-10

Employment Law introduces students to major issues and problems in labor policy and the practice of employment law, moving from one practical or policy area to the next, recalling and expanding students' understanding or basic legal principles in particular contexts, and introducing laws specially designed for the protection of employees and other individual workers.
