Harbingers - F. Paul Wilson 2007-04-01

A hang-onto-your-hat-and-heart thriller of triumph and tragedy that barrels along at F. Paul Wilson's trademark breakneck pace, Harbingers It starts off so simply: Jack, still feeling down after the tragic events of Infernal, is hanging in Julio's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning; the police say it's too early to worry, but Timmy knows something bad has happened. Jack says he'll put the word out on the street. This innocent request triggers a chain of seemingly coincidental events that lead Jack into the darkest days of his life. As has become evident in the series, Jack has been singled out, unwillingly, as the champion of one of the two supernatural forces contending for control of all human life on Earth. Neither of these forces are good or evil, just dangerous and amoral. They value and notice individual humans about as much as we do mosquitos.

Jack is desperate . . . and the last thing you want to do is make Jack desperate. That's when things begin to blow up and people begin to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Wormwood Prophecy** - Thomas Horn 2019-12-03

Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

**Truth Matters, Life Matters More** - Hank Hanegraaff 2019-11-12

America's Bible Answer Man contributes a treatise on the importance of absolute truth in a time of turmoil, doubt, and ambiguity. But after his own life-altering bout with cancer, longtime popular theologian and radio personality Hank Hanegraaff also affirms that theological truth is not the goal but rather a roadmap on the path to the ultimate truth of union with God. Is there more to the Christian life than what you're currently experiencing? Leading Christian apologist Hank Hanegraaff has dedicated his life to defending truth, because truth matters. However, his life and ministry were radically transformed by this three-word phrase: life matters more. In essence, Truth Matters, Life Matters More is two

books in one. Because truth matters, part 1 explicates the essentials of the Christian faith in a memorable way to equip readers to communicate Christian truth. In part 2, Hank explains why life matters more and how we can experience the height of human existence—union with God. Simply put, the map is not the territory. The menu is not the meal. We cheat ourselves of unadulterated union with Christ when we elevate the message above the Messenger. Truth Matters, Life Matters More is a modern classic and the magnum opus of one of the great theological minds of our time. Prepare to discover the unexpected beauty of an authentic Christian life.

[A Simple Guide to Experience Miracles](#) - J. P. Moreland 2021-11-16  
Does God Still Do Miracles Today? A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry. Internationally renowned philosopher J. P. Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus-follower. He also shows how to distinguish a real miracle from a mere coincidence. Miracles bring comfort to believers, strengthening faith in God and creating boldness in our lives. While miraculous healings have occurred frequently throughout church history, Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity. Today, he argues, the church should humbly expect to see more of these miraculous works of God than we do. Moreland looks at topics like: The relationship between sickness and suffering, along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives, how they appear to us, and how to combat demonic influence The biblical basis for most Near-Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort. Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus. Filled with inspiring, credible, motivating accounts of miracles, he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic.

*The Return of the Gods* - Jonathan Cahn 2022-09-06

NEW YORK TIMES Best-Selling Author From the author that brought you 6 New York Times best-selling books including *The Harbinger*, *The Book of Mysteries*, *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world...and that they now have returned? *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written. It is so explosive and so revealing that no description here could do it justice. Jonathan Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. *The Return of the Gods*, Cahn takes the reader on a journey from an ancient parable, the ancient inscriptions in Sumer, Assyria, and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America. Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming? Who is the Possessor? The Enchanter? The Destroyer? And the Sorceress? Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia? And if so, what does it actually mean? Could the gods have returned to New York City and an ancient mythology played out on the streets in real time? Is it possible that the gods lie behind everything from what appears on our computer monitors, our televisions and movie screens; to the lessons given in our classrooms; to the breakdown of the family; to wokism; to the occult; to our addictions; to the Supreme Court; to cancel culture; to children's cartoons; to every force and factor that has transformed the parameters of gender; to that which appears in our stores, on our T-shirts, and on our coffee mugs—to that which is, at this very moment, transforming America and much of the world? Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia? This and so much more, most of which we can't even reveal in this description, will be uncovered. *The Return of the Gods* is not only one of the most explosive books you'll ever read but also one of

the most profound. It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations. You will see things, even in your world, in a whole new light. With such chapters as "The House of Spirits," "The Avatar," "The Masters," "The Deep Magic," and "The Day of the Goddess," *The Return of the Gods* will take readers on a fascinating, unforgettable, and mind-blowing journey that will leave them stunned and with the ability to see the world as they never have before. Be prepared to be blown away as you open up Jonathan Cahn's most explosive book ever, *The Return of the Gods*!

*The Last Hour* - Amir Tsarfati 2018-09-04

Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

*The Harbinger* - David James 2012-09-01

In *The Harbinger: Fact or Fiction?* author David James exhaustively documents and responds to the serious flaws found throughout the New York Times best-seller from Charisma Media, *The Harbinger*. Messianic rabbi Jonathan Cahn believes he has discovered an "ancient mystery" in Isaiah 9:10 that "explains everything from 9/11 to the collapse of the global economy." As Cahn states at the beginning of his book "What you are about to read is presented in the form of a story, but what is contained within the story is real." Many have accepted Cahn's message as being genuinely from God. However, David James has clearly demonstrated that *The Harbinger* falls far short of meeting the biblical requirements for such a message from God, being based on the mishandling of Scripture, faulty theology, misleading statements, the selective use of historical facts, and unsupported speculation.

**The Late Great Planet Earth** - Hal Lindsey 2016-10-11

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into

what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

**God and Cancel Culture** - Stephen E. Strang 2021

FROM THE BEST-SELLING AUTHOR OF *GOD AND DONALD TRUMP*

64% of Americans believe cancel culture is a threat to their freedom. This book will help you realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good-to bring hope. It will document what is happening in our country, how believers can respond, and why we can look expectantly to the future. This is the time for neither religious fatalism nor political inaction. No matter how bad things get in the culture or in government, the Bible is true and God has plans and purposes we don't understand-and in the end we win. Things are chaotic in America. Liberal policies are advancing. A rash of executive orders appears to be moving the nation closer to socialism and a one-world government. And conservatives, including many Christians, are being censored as never before. There's even a term-cancel culture-which 64 percent of Americans believe poses a threat to their freedom, according to a Harvard CAPS-Harris Poll. (Among Republicans, that figure is even higher at 80 percent.) The term applies to all conservatives who oppose the politically correct crowd, but it's part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end and the Antichrist will appear at any time. You pick the cultural or political issue, and there likely is not even the semblance of widespread agreement. It seems that Christians are in an unprecedented season of

fragmentation, potential division, and actual separation on many fronts. Instead of going forward, much of the church seems to be moving backward or standing still, waiting for what's next. The body of Christ is a big, diverse family, and we must choose to cheer one another on rather than get into circular firing squads. We are called to advance on every front. This book will assess and affirm the different approaches playing out. The body needs clarity and unity- and has little of both right now. Wounded armies want hope, focus, and encouragement. This book will not throw anyone overboard who is standing for the truth in some positive way. Rather, it will allow readers to look critically at the various approaches vying for our allegiance and attention here in the middle of 2021. In the course of this survey, we will find reason to affirm where people are fighting on the battlefield and validate the perspectives they bring. Featuring interviews with a cross section of leaders, this book will document what is happening in our country, how believers can respond, and why we can look to the future with hope. Even though things are bad, we must understand that conditions have been this bad or worse in the past and God always came through. He has plans and purposes we don't understand. Christians must not lose heart. We must stand strong and not be intimidated. We must pray, and we must believe God for a great awakening. No matter how bad things get in the culture or in government, the Bible is true and "all things work together for good to those who love God" (Rom. 8:28, MEV). That's because we are called according to His purpose. A purpose never goes in reverse. This book will reveal what that looks like in its various forms in the day in which we live. It gives a great handle for promoting unity and appreciation of one another when that is breaking down so badly elsewhere. Indeed, maybe the love Jesus spoke about that makes us recognizable to the world will be seen as this book illuminates the supernatural unity among people of very diverse opinions and approaches while pointedly addressing these various hot-button areas.

Discover what no book has ever revealed . . . until now! Are the unprecedented crises of our times, the signs and warnings of coming judgment? Does an ancient mystery hold the secret to the events of our times, and the future of America and the world? Is this mystery even behind the shakings that have now overtaken the world and America? How much time do we have left? In 2012, Jonathan Cahn caused a worldwide sensation with the release of his first book and massive bestseller *The Harbinger*. It was hailed as "stunning," "prophetic" "mind-blowing," and "astonishing." Cahn followed it with bestseller after bestseller but he has always held off on writing a sequel. But now, for the first time, Cahn opens up what could not be unlocked before - the mysteries that couldn't be revealed until the present time, the manifestations that have taken place since *The Harbinger* came out and up to the present hour, and the mysteries of what is yet to come. Ever since *The Harbinger* was released, people have been asking... Is an ancient mystery determining America's future? Have the harbingers of judgment continued to manifest on American soil? Is America closer now than ever before to judgment and what lies ahead for America and the world? *The Harbinger* ended by speaking of what was yet to come. That which was written is now coming true. After years of holding back, because he believed it wasn't yet the time, Jonathan Cahn has now written the sequel. *The Harbinger II* is being hailed as "a prophetic masterpiece" even more powerful and stunning than the first book and will take the mystery to new dimensions and disclose what could not be revealed in *The Harbinger* or until now. *The Harbinger II* will open up the mysteries of the Gate, the Watchmen, the Mystery Ship, the Word in the Ruins, the Book of Days, the Image, the Judgment Tree, the Children of the Ruins, the Convergence, the Handwriting on the Wall, and much more. It will ultimately reveal the mystery of what is yet to come,

including the Shakings, the Plague, the Western Terrace, the Island, the Day of the Watchman, and more. As in the first book, the mysteries and revelations of *The Harbinger II* are completely real and are determining the course of world events to this day. And the mysteries are, likewise, revealed through a narrative. In *The Harbinger II*, the reader will witness the return of Nouriel, Ana Goren, and the mysterious figure known as "the prophet." The prophet will now continue the revelation from where it left off and open up mysteries as stunning and mind-blowing as the first. As in the prophet's first appearance, the revelations will be unlocked, one by one, through the giving of ancient seals, but also through dreams, and a little girl as mysterious as the prophet. In *The Harbinger II* the reader will be taken on a mysterious and epic journey to uncover the new revelations: from an island in the waters of New England, to the steps of the Supreme Court, to the top of the tower at Ground Zero, to a primeval forest, to the House of Faces, to the pedestal of the Statue of Liberty. *The Harbinger II* will also reveal the answer and the keys we each need to have for the days that lie ahead. After reading *The Harbinger II*, you will never see the world the same way again. Prepare to be blown away!

**Focus on the Future** - Tim Clinton 2021-10

FOREWORD BY JAMES DOBSON The future is bright, victories are destined, and great things await the faithful who prepare. This book will equip you to protect your family, your society, and your convictions in a world that increasingly challenges your Christian faith. Tim Clinton an eminent American counselor and associate of the revered James Dobson, believes this moment in American history is a reprieve. It is a moment to take stock. It is a moment to prepare. It is a moment to focus on the future. We must know the season we are in and prepare to maximize our opportunities as we engage in the cultural battles that are sure to befall us. In his stirring new book, *Focus on the Future*, Clinton provides a learned overview of our embattled liberties, the intents of our Founding Fathers, and the heroic efforts of individuals such as Dobson to preserve those intentions. Clinton arms readers for the days ahead by tackling topics such as the following: The new war on the American family and

how we can change America one family at a time The power of righteous masculinity and the forces determined to destroy it The battle against abortion How neuroscience is changing our approach to healing the traumatized, our veterans, and our society as a whole Clinton is not just a wise counselor. He is also a warrior summoning other warriors to their great cause. He challenges readers by chronicling the global persecution of the Christian faith and by telling believers how they can make a difference. *Focus on the Future* is both a culmination of decades of learning and activism as well as a cutting-edge response to today's events. We can indeed have vital families in a thriving nation and see righteousness pervade our land.
