[Africa Reunite or Perish](#) - Nkuzi Mhango 2015-12-01
Africa Reunite or Perish is a daring and timely book that explores the essence and nefariousness of neocolonialism in a purportedly independent Africa. The book shows how Africa spends billions of dollars in pseudo threats among African countries due to colonially-entrenched fear and war mongering. The book is emphatic on deconstruction and decolonisation as a categorical imperative for the reunification of Africa beyond the narrow confines of current

nation states. Mhango takes a diagnostic-cum-prognostic approach in discussing Africa's predicaments, and in identifying and proposing solutions to problems confronting Africans. The book ascertains Africa's untapped potentials by proving how Africa can live without the infamy of excruciating dependency and beggarliness. It makes a compelling case for African unity beyond the tokenism of officialdom. It prescribes a truly pan-African driven reunification of Africa as the only means of reclaiming the glory she used to enjoy before she was savagely partitioned.

Souls Reunited - Sue Wakefield
2007

This is a story about a past life as communicated to me by my spirit guide, initially through automatic writing thirteen years ago which came as a complete surprise to all involved and more recently through clairvoyance which again, came as a surprise after a period of nine years during which there was no contact. This story is set in a period of history that is referred to as the Dark Ages and involves a partnership which spans the centuries of time. It begins in the eighth century when little

is known about life in England although it appears to be a relatively peaceful period in a history of tumultuous times. It is a story about Wulfgang, a Saxon warrior/farmer who was born in Germany and who eventually settled in a small Cornish village and Griselda whom he met there, fell in love with and married. Griselda's spirit stayed in the land where they lived after she died and was recalled several centuries later by a gentleman practising white witchcraft or pagan rituals on the same land. This gentleman brought forward the spirits of the earth and so he was brought together with the spirit of Griselda. My spirit guide today is Wulfgang and I was his wife, Griselda, in our past life. The gentleman carrying out the pagan practices was Eddie, my husband in this life. My investigations and research into corroboration of given facts from spirit have been rewarding and have led me to retrace my steps to the village in West Cornwall where I once lived. Two hundred and twenty-five years ago a political revolution took place in this country which swept power from the English monarchy and gave it to the people of the New World. Today, a spiritual revolution is underway in which spiritual power and responsibility are passing from institution to individuals. You'll be shocked to learn that the same people are at the heart of both world-changing movements. John Adams, Thomas Paine, Samuel Adams, the justices of the first Supreme Court and numerous other American Revolutionaries have been reincarnated as the political and spiritual leaders of today, including George W. Bush, Bill Clinton, Al Gore, Marianne Williamson, Shirley MacLaine, and others. Semkiw presents ample evidence that physical appearance, character traits, modes of thinking and expression, as well as family and karmic groups, often stay the same from lifetime to lifetime. He's also included photographs demonstrating the startling physical similarities

the individuals of the American Revolution share with today's revolutionaries. As further support of the basic premise and reality of reincarnation, Semkiw has included Dr. Ian Stevenson's groundbreaking findings of children who report past lives, as well as other case studies of individuals who have researched and written on their own past lives. Discusses new research into using DNA to prove reincarnation Find out how physical appearance, character traits, synchronistic events, karmic groups, and spiritual guidance can be used to detect one's past lives Includes numerous black & white photographs, dramatically illustrating the similar physical appearance of revolutionaries, past and present

Identical Strangers - Elyse Schein 2008-10-14

As seen in the hit documentary Three Identical Strangers • “[A] poignant memoir of twin sisters who were split up as infants, became part of a secret scientific study, then found each other as adults.”—Reader’s Digest (Editors’ Choice) WINNER OF A BOOKS FOR A BETTER LIFE AWARD Elyse Schein had always known she was adopted, but it wasn’t until her mid-thirties while living in Paris that she searched for her biological mother. What she found instead was shocking: She had an identical twin sister. What’s more, after being separated as infants, she and her sister had been, for a time, part of a secret study on separated twins. Paula Bernstein, a married writer and

mother living in New York, also knew she was adopted, but had no inclination to find her birth mother. When she answered a call from her adoption agency one spring afternoon, Paula’s life suddenly divided into two starkly different periods: the time before and the time after she learned the truth. As they reunite, taking their tentative first steps from strangers to sisters, Paula and Elyse are left with haunting questions surrounding their origins and their separation. And when they investigate their birth mother’s past, the sisters move closer toward solving the puzzle of their lives. Praise for Identical Strangers “Remarkable . . . powerful . . . [an] extraordinary experience . . . The reader is left to marvel at the reworking of individual identities required by one discovery and then another.”—Boston Sunday Globe “Absorbing.”—Wired “[A] fascinating memoir . . . Weaving studies about twin science into their personal reflections . . . Schein and Bernstein provide an intelligent

exploration of how identity intersects with bloodlines. A must-read for anyone interested in what it means to be a family.”—Bust “Identical Strangers has all the heart-stopping drama you’d expect. But it has so much more—the authors’ emotional honesty and clear-eyed insights turn this unique story into a universal one. Like Dreamers - Yossi Klein Halevi 2013-10-01
Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history

of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel’s destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel’s future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel’s capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-

depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Thirty years on and living in England, Sandi decided to return to the States to discover what had happened to her eleven fellow Gladyses and, in the process, revisit America. By turns hilarious and moving, this is a delightfully engaging story of friends united and a country rediscovered.
