Hugo Grotius and International Relations - Hedley Bull 1990-07-26

While the works of Hugo Grotius (1583-1645) have long been held in high esteem by international lawyers, this book addresses the broader, and neglected, theme of his contribution to the theoretical and practical aspects of international relations. It critically reappraises Grotius' thought, examining it in relation to his predecessors and in the context of the wars and controversies of his time, and assesses the strengths and weaknesses of the 'Grotian' tradition of thought - one which accepts the sovereignty of states but at the same time stresses the existence of shared values and the necessity of rules.

*World Report on Ageing and Health* - World Health Organization 2015-10-22

The WHO World report on ageing and health is not for the book shelf it is a living breathing testament to all older people who have fought for their voice to be heard at all levels of government across disciplines and sectors. - Mr Bjarne Hastrup President International Federation on Ageing and CEO DaneAge This report outlines a framework for action to foster Healthy Ageing built around the new concept of functional ability. This will require a transformation of health systems away from disease

based curative models and towards the provision of older-person-centred and integrated care. It will require the development sometimes from nothing of comprehensive systems of long term care. It will require a coordinated response from many other sectors and multiple levels of government. And it will need to draw on better ways of measuring and monitoring the health and functioning of older populations. These actions are likely to be a sound investment in society's future. A future that gives older people the freedom to live lives that previous generations might never have imagined. The World report on ageing and health responds to these challenges by recommending equally profound changes in the way health policies for ageing populations are formulated and services are provided. As the foundation for its recommendations the report looks at what the latest evidence has to say about the ageing process noting that many common perceptions and assumptions about older people are based on outdated stereotypes. The report's recommendations are anchored in the evidence comprehensive and forward-looking yet eminently practical. Throughout examples of experiences from different countries are used to illustrate how specific problems can be addressed through innovation solutions. Topics explored range from strategies to deliver comprehensive and person-centred services to older populations to policies that enable older people to live in comfort and safety to ways to correct the problems and injustices inherent in current systems for long-term care.

Master Key to Wealth - Dr. Joseph Murphy 2021-01-01

The Master Key to Wealth in the Dr. Joseph Murphy Live! series is the only authorized edition in print. Dr. Joseph Murphy has been acclaimed as a major figure in the human potential movement, the spiritual heir to

writers like James Allen, Dale Carnegie, Napoleon Hill, and Norman Vincent Peale, and a precursor and inspirer of contemporary motivational writers and speakers like Tony Robbins, Zig Ziglar, and Earl Nightingale. He changed the lives of people all over the world and was one of the best-selling authors of the mid-20th century. Dr. Murphy wrote, taught, counseled, and lectured to thousands every Sunday as Minister-Director of the Church of Divine Science in Los Angeles. Over the years, Dr. Murphy has given lectures and radio talks to audiences all over the world. Millions of people tuned in his daily radio program and have read the over 30 books that he has written. His books have sold over 15 million copies. In his lectures he points out how real people have radically improved their lives by applying specific aspects of his concepts, and gives the listener guidelines on how they too can enrich their lives. Never say, "I can't." Overcome that fear by substituting the following, "I can do all things through the power of my own subconscious mind." Make his teachings a part of your life with Dr. Joseph Murphy Live!

Scenes of Subjection: Terror, Slavery, and Self-Making in Nineteenth-Century America - Saidiya Hartman 2022-10-11

The groundbreaking debut by the award-winning author of *Wayward Lives, Beautiful Experiments*, revised and updated. Saidiya Hartman has been praised as "one of our most brilliant contemporary thinkers" (Claudia Rankine, *New York Times Book Review*) and "a lodestar for a generation of students and, increasingly, for politically engaged people outside the academy" (Alexis Okeowo, *The New Yorker*). In *Scenes of Subjection*—Hartman's first book, now revised and expanded—her singular talents and analytical framework turn away from the "terrible spectacle" and toward the forms of routine terror and quotidian violence characteristic of slavery, illuminating the intertwining of injury, subjugation, and selfhood even in abolitionist depictions of enslavement. By attending to the withheld and overlooked at the margins of the historical archive, Hartman radically reshapes our understanding of history, in a work as resonant today as it was on first publication, now for a new generation of readers. This 25th anniversary edition features a

new preface by the author, a foreword by Keeanga-Yamahtta Taylor, an afterword by Marisa J. Fuentes and Sarah Haley, notations with Cameron Rowland, and compositions by Torkwase Dyson.

**The Master Key System** - Charles F. Haanel 2021-07-23

The Master Key System is a personal development book by Charles F. Haanel that was originally published as a 24-week correspondence course. The ideas it describes and explains come mostly from New Thought philosophy. It was one of the main sources of inspiration for Rhonda Byrne's film and book *The Secret*. The book describes many beliefs such as the law of attraction, creative visualization and man's unity with God, and teaches the importance of truth, harmonious thinking and the ability to concentrate.

Leviathan - Thomas Hobbes 2021-02-09

Written by one of the founders of modern political philosophy, Thomas Hobbes, during the English civil war, *Leviathan* is an influential work of

nonfiction. Regarded as one of the earliest examples of the social contract theory, *Leviathan* has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run easily. In exchange for their sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking casualties. The first section, *Of Man* discusses the role human nature and instinct plays in the formation of government. The second section, *Of Commonwealth* explains the definition, implications, types, and rules of succession in a commonwealth government. *Of a Christian Commonwealth* imagines the religion's role government and societal moral standards. Finally, Hobbes closes his argument with *Of the Kingdom of Darkness*. Through the use of philosophical theory and historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though *Leviathan* was a work of controversy in its time, Hobbes' theories and prose has survived centuries, shaping the ideas of modern philosophy. This edition of *Leviathan* by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, *Leviathan* is accessible and applicable to contemporary readers.

Adventures in Dreaming - Rick Joyner 2016-10-18

"Some dreams convey messages to us, others are full-blown spiritual experiences. This book will help you to understand and receive both of these kinds of dreams. It is written not to merely dispense information,

but to impart revelation and help to activate your dream life. You are called to experience and enjoy adventures in dreaming. Would you like to understand the wild and sometimes confusing imagery and language in your dreams? Have you ever had a dream that was so vivid it seemed real? Have you considered that it may have been real? Do you desire to understand prophetic dreams, spiritual warfare dreams, generational dreams, warning dreams, and other supernatural experiences in the night? If you answer "Yest" to any of these questions, Adventures in Dreaming will be a powerful resource for you."--Back cover.

**The Queer and Transgender Resilience Workbook** - Anneliese A. Singh 2018-02-02

How can you build unshakable confidence and resilience in a world still filled with ignorance, inequality, and discrimination? The Queer and Transgender Resilience Workbook will teach you how to challenge internalized negative messages, handle stress, build a community of support, and embrace your true self. Resilience is a key ingredient for psychological health and wellness. It's what gives people the psychological strength to cope with everyday stress, as well as major setbacks. For many people, stressful events may include job loss, financial problems, illness, natural disasters, medical emergencies, divorce, or the death of a loved one. But if you are queer or gender non-conforming, life stresses may also include discrimination in housing and health care, employment barriers, homelessness, family rejection, physical attacks or threats, and general unfair treatment and oppression—all of which lead to overwhelming feelings of hopelessness and powerlessness. So, how can you gain resilience in a society that is so often toxic and unwelcoming? In this important workbook, you'll discover how to cultivate the key components of resilience: holding a positive view of yourself and your abilities; knowing your worth and cultivating a strong sense of self-esteem; effectively utilizing resources; being assertive and creating a support community; fostering hope and growth within yourself, and finding the strength to help others. Once you know how to tap into your personal resilience, you'll have an unlimited well you can draw from to navigate everyday challenges. By learning to

challenge internalized negative messages and remove obstacles from your life, you can build the resilience you need to embrace your truest self in an imperfect world.

Prosperity - Jane Golley 2018-04-09

A 'moderately prosperous society' with no Chinese individual left behind—that's the vision for China set out by Chinese President Xi Jinping in a number of important speeches in 2017. 'Moderate' prosperity may seem like a modest goal for a country with more billionaires (609 at last count) than the US. But the 'China Story' is a complex one. The China Story Yearbook 2017: Prosperity surveys the important events, pronouncements, and personalities that defined 2017. It also presents a range of perspectives, from the global to the individual, the official to the unofficial, from mainland China to Hong Kong and Taiwan. Together, the stories present a richly textured portrait of a nation that in just forty years has lifted itself from universal poverty to (unequally distributed) wealth, changing itself and the world in the process.

**Prosperity** - Charles Fillmore 2009-01-01

American mystic CHARLES FILLMORE (1854-1948) was a founder of Unity Church, part of the early "New Age" movement called New Thought that was popular in the late 19th and early 20th centuries. Unity adheres to a "positive, practical Christianity," and this 1940 edition embodies that philosophy: it preaches that poverty is a sin, and that God wants us to be rich...a strain that has been picked up by some modern fundamentalist preachers in a way not entirely faithful to Fillmore's beliefs. Fillmore's lessons encompass... [ Spiritual Substance, the Fundamental Basis of the Universe [ Spiritual Mind, the Omnipresent Directive Principle of Prosperity [ Faith in the Invisible Substance, the Key to Demonstration [ Man, the Inlet and Outlet of Divine Mind [ The Law That Governs the Manifestation of Supply [ Wealth of Mind Expresses Itself in Riches [ God Has Provided Prosperity for Every Home [ God Will Pay Your Debts [ Tithing, the Road to Prosperity [ Right Giving, the Key to Abundant Receiving [ Laying Up Treasures [ Overcoming the Thought of Lack

**Angel Numbers** - Doreen Virtue 2005-04-01

"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-selling book *Healing with the Angels*, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, *Angel Numbers* has been created to serve as a pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, *Angel Numbers* provides an interpretation of more complex number sequences than was previously available in *Healing with the Angels*. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates, telephone numbers, the clock, or other locations, they're very real messages from the angels. *Angel Numbers* will help you instantly understand the meaning of these signs!

**The Master Key** - Lauron William De Laurence 1914

**222 Prosperity Affirmations:** - Justin Perry 2016-06-01

Prosperity is not something you attain, its something you tune into. Few people know that the very words they use, either attract or repel prosperity (Law Of Attraction). This book is a compilation of modern and ancient techniques on using the power of the spoken word to attract prosperity and abundance in one's life!

**The Power of Your Spoken Word** - Eddie Coronado 2016-06-12

This book includes 300 powerful affirmations for financial abundance, success and self-empowerment. This book gets right to the point by presenting powerful information that will clearly explain how you can harness the tremendous power of your spoken word to get the money, opportunities, success, or anything you want to manifest with the Law of Attraction. I have been studying the Law of Attraction for over two decades, and throughout the years I have manifested a number of wonderful things, including lottery prizes, financial prosperity, business success, relationships and romance. One important truth I have learned after many years of study is that your destiny lies in your words and in the way you use them. You can literally transform a situation through the

right use of words, and you can even change the course of your life through the dynamic power of your spoken word. Many people fail to get what they want from the Law of Attraction because they don't have a clear understanding about affirmations and how to harness the power of the spoken word. As a result, this book will discuss: \* How your words shape your destiny \* The true power behind all affirmations \* How to write your own powerful affirmations that work \* How to make your affirmations more enjoyable \* What to do if you don't feel like your affirmations are true \* The best time to repeat your affirmations \* The importance of aligning to your affirmations in thought and action. In addition, this book contains a list of 300 powerful affirmations for financial abundance, success and self-empowerment. It also contains a Question and Answer section that has a lot of helpful information about affirmations and how to make the most of them. Some of the questions covered are: How long should my affirmations be? How important is it for me to write my own affirmations? How often should I repeat my affirmations each day? What other technique can help me enhance the effectiveness of affirmations? What are declarations and how can I use them to create desired conditions? Is it necessary to memorize my affirmations? How can I use spoken blessings to enhance the quality of my life? If you are serious about creating lasting change through the Law of Attraction, then you should commit to learning as much as you can about the tremendous power of your spoken word and how you can use your words to make your dreams come true. Your desires are waiting for you to summon them into your life with the dynamic power of your spoken word.

**The Magic of Believing** - Claude M. Bristol 2019-05-15

"One of the greatest inspirational and motivational books ever written."  
— Norman Vincent Peale In this bestselling self-help book, a successful businessman reveals the secrets behind harnessing the unlimited energies of the subconscious. Millions of readers have benefited from these visualization techniques, which show you how to turn your thoughts and dreams into actions that can lead to enhanced income, happier relationships, increased effectiveness, heightened influence, and

improved peace of mind. World War I veteran Claude M. Bristol (1891-1951) wrote *The Magic of Believing* to help former soldiers adjust to civilian life. A pioneer of the New Thought movement and a popular motivational speaker, Bristol addressed those in all walks of life, from politicians and leaders to performers and salespeople. His timeless message of the powers of focused thinking and self-affirmation remains a vital source of inspiration and a practical path to achievement.

The Second Book of Samuel - William Garden Blaikie 1898

I Wish I Knew This 20 Years Ago - Justin Perry 2015-01-29

Life is not a series of random events, but is orchestrated through a set of natural laws that govern life on earth. Once we understand these laws,

we will have a better understanding of how life works. Once we understand how life works, we can make life work for us, instead of against us. This book is an intended guidebook to offer knowledge that you can use throughout life. If I can sum up this entire book in one statement it would be: Your mind is literally shaping the world around you. The Author of this book owns the largest Self-Help YouTube Channel, "YouAreCreators".
