Right here, we have countless books **Aa Meeting Slip Pdf** and collections to check out. We additionally provide variant types and also type of the books to browse. The good enough book, fiction, history, novel, scientific research, as skillfully as various new sorts of books are readily manageable here.

As this Aa Meeting Slip Pdf , it ends happening visceral one of the favored ebook Aa Meeting Slip Pdf collections that we have. This is why you remain in the best website to see the unbelievable books to have.

Recovery - Russell Brand 2017-10-03

A guide to all kinds of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery "This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse." —Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not "Why are you addicted?" but "What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person's arms?" Russell has been in all the twelve-step fellowships going, he's started his own men's group, he's a therapy regular and a practiced yogi—and while he's worked on this material as part of his comedy and previous bestsellers, he's never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

**US of AA** - Joe Miller 2019-04-02

In US of AA, Miller shares the never-before-told story of how in the aftermath of prohibition America's top scientists helped launch a

movement that would give rise to a multi-million-dollar treatment industry and a new government agency devoted to alcoholism that has made available millions of dollars for research. Despite the fact that this research showed that alcoholism is a complex disease requiring an array of treatment strategies, among which Alcoholics Anonymous (AA) is one of the least effective, money continued to flow to treatment facilities using approaches similar to AA. Five years in the making, his brilliant, in-depth investigative reporting into the history, politics and science of alcoholism will show how AA became our nation's de facto treatment policy, even as evidence for more effective remedies accumulated. US of AA is a character-driven, beautifully written exposé, full of secrecy, irony, liquor industry money, the shrillest of scare tactics and, at its center, a grand deception. In the tradition of Crazy by Pete Earley, and David Goldhill's Catastrophic Care, US of AA shines a much-needed spotlight on the addiction treatment industry. It will forever change the way we think about the entire enterprise.

**Strengthening Forensic Science in the United States** - National Research Council 2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with

consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Trees of Delhi - Pradip Krishen 2006

**Heroes of Early Black AA** - Glenn Chesnut  
2017-07-02

The stories of the first heroic black men and women who joined Alcoholics Anonymous, told wherever possible in their own words, recorded freely and frankly. The story begins with St. Louis (January 24, 1945); followed by Chicago (March 20, 1945), along with the factory and foundry towns which spread eastwards as suburbs. Later that same year (April 1945) came the story of Dr. James C. Scott, Jr., M.D., the black physician who founded the first black A.A. group in the nation's capital, and was the first black A.A. member to get his story in the Big Book. The book concludes with the story of Joe McQuany (March 10, 1962) of the Joe and Charlie tapes, the most famous black figure in A.A. History. The lives of thousands and thousands of alcoholics around the world were saved by listening to recordings of his careful page-by-page explanation of the message of the Big Book. The powerful spiritual messages of all these brave men and women struck the hearts of everyone who heard them speak.

Drop the Rock - Bill P. 2009-06-03

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, *Drop the Rock* combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section.

Easy Does It - Anonymous 2010-06-28

For people in recovery from substance abuse, self-pity and negative thinking are bait for destructive tendencies. Any addictive thoughts can sabotage the emotional progress you make through treatment and diligent work in sobriety. *Easy Does It* provokes daily reflection through its inspirational quotes, meditations, and AA slogans. Now, cravings meet compassion, and self-pity meets self-love. Your recovery finds its heartbeat. Inner peace and contentment will disable any trauma, loneliness, or emotional pains in your recovery. Remember, though: spiritual awakenings and contentment do not come all at once. Recovery is not a light switch, but a daily march. The march must always be purposeful and patient, and no one can do it for you. *Easy Does It*, written by the authors of *The Twelve-Step Prayer Book*, is a Twelve-Step meditation book that guides your intentions on a daily basis. It relies upon its deep understanding of spirituality and mindfulness to bring about serenity. These aren't simple buzzwords: they are the birthplace of your day's spirit. One simple thought can change your day. Make yours serene.

The EZ Big Book of Alcoholics Anonymous - Member A.A. 2015-06-30

Finally! The book that thousands of alcoholics have been waiting for! An updated version of the "Big Book of Alcoholics Anonymous." This edited revision of the old, basic text is reader-friendly and carries the exact same message as the 1939 version of "Alcoholics Anonymous." It's written in a style that's friendly to readers of any gender, race, or spiritual path. Until now, Bill Wilson's 1939 book has never been edited for modern readers. This book is for: Women who

object to the sexist language in the original Big Book. The EZ Big Book is gender neutral. All partners of alcoholics, including gays and lesbians. The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct. About the Author The author is a retired science and nature writer with double-digit of sobriety. Her last years of drinking took her to emergency rooms several times and finally to rehab.

**Dr. Bob and the Good Oldtimers** - 1980-01-01  
A biography, with recollections of early A.A. in the Midwest.

Robert's Rules of Order - Henry M. Robert  
2018-07-10

Robert's Rules of Order by Henry M. Robert  
There appears to be much needed a work on parliamentary law, based, in its general principles, upon the rules and practice of Congress, and adapted, in its details, to the use of ordinary societies. Such a work should give, not only the methods of organizing and conducting the meetings, the duties of the officers and the names of the ordinary motions, but in addition, should state in a systematic manner, in reference to each motion, its object and effect; whether it can be amended or debated; if debatable, the extent to which it opens the main question to debate; the circumstances under which it can be made, and what other motions can be made while it is pending. This Manual has been prepared with a view to supplying the above information in a condensed and systematic manner, each rule being either complete in itself, or giving references to every section that in any way qualifies it, so that a stranger to the work can refer to any special subject with safety. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view

is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

**Beyond Belief** - Joe C 2013-01

Rebellion Dogs Publishing is proud to announce a 21st century daily reflection book. Beyond Belief's 2014 second printing is now available with a Foreword by Ernie Kurtz and updated links and End Notes. What are "agnostic musings"? It is not news to anyone that the war of worldviews makes for sporting debate; does an intervening God grant sobriety, serenity, wisdom and courage or is conscious contact a delusion? Sorry, while we might be as amused as anyone with this question, Beyond Belief: Agnostic Musings for 12 Step Life doesn't enter this debate. Hate the game; don't hate the players. A good idea is a good idea. Why dismiss valid experience because of the beliefs that someone harbors? Beliefs aren't facts. Beyond our belief is where life is happening: chances have to be taken; processes have to be evaluated; life has to be lived. Atheists, humanists, skeptics and agnostics will feel included in these daily reflections. Believers won't feel mocked or belittled. Everyone in recovery is included. No one needs to adopt the beliefs of someone else nor deny our own beliefs to get clean and sober. Believing and belonging are not synonymous. We are well into Century 21. Anyone should feel free to doubt or believe with impunity. Everyone's experience is a valid currency. The 12 Step community has no experts. Rebellion Dogs Publishing neither canonizes nor vilifies 12 Step culture. This book draws on philosophy, psychology, entertainment, art, spiritual musings, skeptical inquiry and the uncanny wisdom of the rooms. Professional and 12&12 Member reviews: Melissa D., Clinical Psychologist, California says, "I have never seen a daily devotional book written for agnostics. I found the readings to be extremely thought

provoking. I wonder sometimes since there is such talk about God at meetings, what kind of turn-off that must be for agnostics. I think this book will be very helpful to both the newcomer and the mature 12 Step member." Bob K, contributor to AAagnostica.org says, "I expected his book to be good. It's WAY, WAY better than good. The book is outstanding. Two decades of not being a 'daily reflections' kind of guy, are over. Now I have reflections worth reflecting over! Buy this book or you will suffer a horrible and painful death! Well, maybe not, but you'll be missing out on something very good." Michel D. says, "AA can, and must, adapt to changing circumstances and Bill Wilson was the first one to admit it. Unfortunately, members who have come after him are more zealous than our first members. We have seen this dogmatism in history before of course, especially in religion. This is a very slippery slope. I really like the fact that these reflections are for anyone who has an open mind. It does not cater to a specific group to the exclusion of others." Denis K. says, "Many thanks for this great book; my Monday night group and I are having some great discussions related to the daily musings both at the group and often during the week over coffee. All of us were quickly losing interest in the local meetings; Beyond Belief: Agnostic Musings for 12 Step Life gave all of us a much needed spark that has renewed our interest in the fellowship." Dr. Amy, MSW, PhD, adds, "One criticism of the 12 Step movement of course is that its dogma can be limiting-Beyond Belief seems to have addressed this. The quotes are cogent, the organization superb and the contributors are diverse." The book includes an index of over 120 topics, extensive notes and a bibliography.

Introduction to Probability - Joseph K. Blitzstein  
2014-07-24

Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional  
*Edwards' Treatment of Drinking Problems* - Keith Humphreys 2016-04-28  
This book presents state-of-the-art, accessible

reviews of the science of alcohol treatment and guidance for the management of clinical situations.

**A Taxonomy for Learning, Teaching, and Assessing** - Benjamin Samuel Bloom 2001

This revision of Bloom's taxonomy is designed to help teachers understand and implement standards-based curriculums. Cognitive psychologists, curriculum specialists, teacher educators, and researchers have developed a two-dimensional framework, focusing on knowledge and cognitive processes. In combination, these two define what students are expected to learn in school. It explores curriculums from three unique perspectives- cognitive psychologists (learning emphasis), curriculum specialists and teacher educators (C & I emphasis), and measurement and assessment experts (assessment emphasis). This revisited framework allows you to connect learning in all areas of curriculum. Educators, or others interested in educational psychology or educational methods for grades K-12.

**As Bill Sees it** - Bill W. 1967

Twelve Steps and Twelve Traditions Trade Edition - Bill W. 1953

Twelve Steps to recovery.

**Importing Into the United States** - Border Protection U S Customs and 2015-10-12

This edition of Importing Into the United States contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. Importing Into the United States provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.

The Tongue and Quill - Air Force 2019-10-11  
The Tongue and Quill has been a valued Air

Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt *The Tongue and Quill* to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of *The Tongue and Quill* team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

**When Man Listens** - Cecil Rose 2008-06-02

Includes *How to listen to God* / by John E. Batterson (pages 63-72) and *The seven-day mental diet* / by Emmet Fox (pages 73-91).

[Daily Reflections](#) - A a 2017-07-27

This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as *Alcoholics Anonymous*, *Twelve Steps and Twelve Traditions*, *As Bill Sees It* and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. *Daily Reflections* has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

**How It Worked** - Mitchell K. 2018-06-30

This is the story of Clarence H. Snyder and How A.A. came to Cleveland Ohio. Clarence started the 3rd A.A. group in the world. His sponsor Dr. Bob S., a Co-Founder of Alcoholics Anonymous along with Bill W. Clarence started and initiated many practices that are used today. (he wrote a pamphlet on Sponsorship and initiated beginners classes. His *Cleveland Central Bulletin* predates *The A.A. Grapevine*) Clarence asked his sponsee Mitchell K. to write the factual history of A.A. in Cleveland so that the ordinary man could read and understand it.

**Twelve Step Facilitation Therapy Manual** - Joseph Nowinski 1992

*Writing the Big Book* - William H. Schaberg 2019-09-24

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. *Writing the Big Book* brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's *Not-God*, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary,

Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

**Ebby** - Mel B. 2013-11-05

This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." "Deeply informative and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history."--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary

**The Journal of Immunology** - 2006

Alcoholics Anonymous Comes of Age - Alcoholics Anonymous World Services, Inc. 2014-10-09  
A.A. co-founder Bill W. tells the story of the growth of Alcoholics Anonymous from its make-or-break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed. A wealth of personal accounts and anecdotes portray the dramatic power of the A.A. Twelve Step program of recovery — unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence. Bill recounts the evolution of the Twelve Steps, the Twelve Traditions and the Twelve Concepts for World Service — those principles and practices that protect A.A.'s Three Legacies of Recovery, Unity and Service — and how in 1955 the responsibility for these were passed on by the founding members to the Fellowship (A.A.'s membership at large). In closing chapters of Alcoholics Anonymous Comes of Age, early "friends of A.A.," including the influential Dr. Silkworth and Father Ed Dowling, share their perspectives. Includes 16 pages of archival photographs. For those interested in the history of A.A. and how it has withstood the test of time,

Alcoholics Anonymous Comes of Age offers on the growth of this ground-breaking movement. Alcoholics Anonymous Comes of Age has been approved by the General Service Conference.

**The Language of the Heart** - A A Grapevine, Incorporated 2002-02

Language of the Heart contains all of AA cofounder Bill W.'s Grapevine, including a vivid description of how he came to organize the Steps.

**The Book That Started It All** - Alcoholics Anonymous 2010-09-03

The Book That Started It All Hardcover

**Living Sober Trade Edition** - Anonymous 2002-02-10

Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Living Sober is an extremely informative book which does not offer a plan for getting sober but does offer us sound advice about how to stay sober. Basic, essential information from Alcoholics Anonymous. As the book states, "Anyone can get sober. . .the trick is to live sober."

**Management of Shared Fish Stocks** - Andrew I. L. Payne 2008-04-15

Celebrating the centenary of the Centre for Environment Fisheries and Aquaculture Science (CEFAS) Fisheries Research Laboratory at Lowestoft, UK, this peer-reviewed, edited tome discusses four interwoven themes: · The consequences and management of unregulated/unreported catches · Competition · External drivers and resource behaviour · Ecosystems and migration With contributions from fisheries scientists, policy-makers and managers from more than twenty countries, this international volume has evolved from the CEFAS symposium on International Approaches to Management of Shared Fish Stock- Problems and Future Directions. The editors, Andrew Payne, Carl O'Brien and Stuart Rogers, have succeeded in bringing together the research of over sixty participants into an essential source of reference for all those involved in, or studying, fisheries management across the globe.

**Eating Disorders Anonymous** - Eating Disorders Anonymous (EDA) 2016-11-21

Eating Disorders Anonymous: The Story of How We Recovered from Our Eating Disorders

presents the accumulated experience, strength, and hope of many who have followed a Twelve-Step approach to recover from their eating disorders. Eating Disorders Anonymous (EDA), founded by sober members of Alcoholics Anonymous (AA), have produced a work that emulates the "Big Book" in style and substance. EDA respects the pioneering work of AA while expanding its Twelve-Step message of hope to include those who are religious or seek a spiritual solution, and for those who are not and may be more comfortable substituting "higher purpose" for the traditional "Higher Power." Further, the EDA approach embraces the development and maintenance of balance and perspective, rather than abstinence, as the goal of recovery. Initial chapters provide clear directions on how to establish a foothold in recovery by offering one of the founder's story of hope, and collective voices tell why EDA is suitable for readers with any type of problem eating, including: anorexia nervosa, bulimia, binge eating, emotional eating, and orthorexia. The text then explains how to use the Twelve Steps to develop a durable and resilient way of thinking and acting that is free of eating disordered thoughts and behaviors, including how to pay it forward so that others might have hope of recovery. In the second half of the text, individual contributors share their experiences, describing what it was like to have an eating disorder, what happened that enabled them to make a start in recovery, and what it is like to be in recovery. Like the "Big Book," these stories are in three sections: Pioneers of EDA, They Stopped in Time, and They Lost Nearly All. Readers using the Twelve Steps to recover from other issues will find the process consistent and reinforcing of their experiences, yet the EDA approach offers novel ideas and specific guidance for those struggling with food, weight and body image issues. Letters of support from three, highly-regarded medical professionals and two, well-known recovery advocates offer reassurance that EDA's approach is consistent with that supported by medical research and standards in the field of eating disorders treatment. Intended as standard reading for members who participate in EDA groups throughout the world, this book is accessible and appropriate for anyone who wants to recover

from an eating disorder or from issues related to food, weight, and body image.

**Modern 12 Step Recovery** - Glenn Rader  
2021-01-17

Modern 12 Step Recovery is a user-friendly, secular guide to the 12 Step program of Alcoholics Anonymous (AA). This book includes updated Steps, information from science and psychology, and a working guide to the 12 Step program that makes the program welcoming to people of all ages and beliefs. This "modernization" was achieved without making any fundamental changes to the AA program. Modern 12 Step Recovery is 100% compatible with pursuing a program of recovery within the traditional AA mutual support network. This includes AA meetings, sponsor relationships, and other activities. The information in this book is also relevant to people in recovery from co-dependency (Al-Anon) and other 12 Step-based programs.

Alcoholics Anonymous Comes of Age, - 2010

*Back to Basics* - Wally P. 1998-01-01

TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019) - U.S. Department of Health and Human Services 2019-11-19

Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.

A. A. in Prison - Alcoholics Anonymous 2007

The personal stories of prison inmates who are recovering alcoholics.

Clinical Practice Guidelines For Chronic Kidney Disease - 2002

**Alcoholics Anonymous** - Alcoholics Anonymous World Services 1986

The basic text for Alcoholics Anonymous.

Alcoholics Anonymous - Bill W. 2011-01-01

Alcoholics Anonymous was founded in 1935 by Bill Wilson and Dr. Bob Smith, who developed the organization's 12-step program. In 1939, they published this volume, which sets forth the cornerstone concepts of recovery and relates

stories of those who have overcome alcoholism. A lifeline to millions worldwide, it is the most widely used resource for recovering alcoholics.

*Doing Educational Research* - 2015-01-01

Doing Educational Research explores a variety of important issues and methods in educational research. Contributors include some of the most important voices in educational research. In the handbook these scholars provide detailed insights into one dimension of the research process that engages both students as well as experienced researchers with key concepts and recent innovations in the domain.
