Pontypool Changes Everything - Tony Burgess 2010-12-15

The dark side of humanity is explored in this electrifying science fiction thriller in which an epidemic virus terrorizes the earth. Causing its inhabitants to strike out on murderous rampages, the virus is caught through conversation and, once contracted, leads its host on a strange journey into another world where the undead roam the streets of the smallest towns and largest cities, hungry for human flesh. Describing in chilling detail what it would be like if thousands suddenly caught such a virus and struck out on a mass, never-ending, cannibalistic spree, this terrifying narrative is perfect for those who are ready to explore their darkest secret imaginings through a sinister and compelling literary work of art. This new edition includes a new afterword on the making of the new motion picture.

For Those in Peril on the Sea - Colin M. Drysdale 2013-03

Primarily set in the northern Bahamas, this book weaves its story of post-apocalyptic survival into the local sub-tropical seascape and the sailing culture that can be found there. With its evocative use of real locations haunted by zombie-like infected and atmospheric depictions of the trials of life at sea drawn from the author's own experiences, For Those In Peril On The Sea provides a new and unusual take on the traditional post-apocalyptic genre. From the back of the book: After a six week voyage across the Atlantic, they couldn't wait to get to shore. When they got there, they found the land would never be safe again... There was nothing to suggest it would be anything more than a routine delivery. Four people thrown together by chance, sailing a newly-built catamaran from South Africa to Miami. But while they were away, something happened, something none of them could ever have imagined. When they get back to civilisation, they find it no longer exists. The land is no longer safe. Their only option is to stay on the boat and try to survive. Join Bill, Rob, Jon and CJ as they travel around their frightening new world. One where they must struggle against the infected that now rule the land, the elements and each other.

World War Z - Max Brooks 2013

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Days 1 To 4 - Amy Cross 2018-07-28

One day, the power goes off and the world falls silent. And in two very different parts of America, two very different nightmares are about to begin. In Manhattan, Elizabeth and her brother Henry are all alone in their parents' apartment. Looking out the window, they can see the carnage slowly spreading through the city. But as hopes fade for their parents to come back, Elizabeth and Henry discover that dangers might already have entered the building. Meanwhile, in Oklahoma, Thomas and his family live on an isolated farm. They too have noticed that something has changed, and a chance encounter on a deserted road leads to a moment of pure horror. An infection is spreading, and soon more victims begin to fall.

Advanced Uvm - Brian Hunter 2015-12-11

Since its introduction in 2011, the Universal Verification Methodology (UVM) has achieved its promise of becoming the dominant platform for semiconductor design verification. Advanced UVM delivers proven coding guidelines, convenient recipes for common tasks, and cutting-edge techniques to provide a framework within UVM. Once adopted by an organization, these strategies will create immediate benefits, and help verification teams develop scalable, high-performance environments and maximize their productivity. "Written by an experienced UVM practitioner, this book contains lots of great tips on using UVM effectively and example code that actually works!" John Aynsley, Doulos "In 'Advanced UVM', Mr. Hunter, based on his company's real world experiences, provides excellent resources, a well-tested reference verification environment, and advanced best practices on how to apply UVM. If you are ready to move beyond a UVM introduction, this should be the book you add to your library." George Taglieri, Director Verification Product Solutions, Synopsys, Inc.

University - Bentley Little 2015-02-28

Once, the southern California campus was praised for its high honors and distinguished tradition. But this semester, the esteemed institution is going through a change. This semester, UC Brea is really coming alive... In a dark campus parking lot, a female student senses a presence, but it's too late to scream... An unnatural appetite possesses a school janitor who lingers in the stairwells, waiting... And after nightfall, the sixth-floor library is strictly forbidden. Anyone who's gone there knows why... Because something at UC Brea wants to teach the students a lesson...

Exiled - M. R. Merrick 2012-04-01

Chase Williams is a demon hunter in the Circle, or at least he was supposed to be. On his fifteenth birthday, Chase stepped up to the altar to claim his elemental power, but it never came. Elemental magic is passed down to a hunter through the bloodline, but on Chase's birthday, the bloodline stopped. Exiled without the Circle's protection, Chase has spent two years trying to survive a world riddled with half-demons and magic. When he has a run in with a frightened and seemingly innocent demon, he learns the Circle's agenda has changed: the Circle plans to unlock a portal and unleash pure-blood demons into the world. Vowing to stop them, and knowing he can't do it alone, Chase forms a reluctant

alliance with Rayna - a sexy witch with an attitude and a secret. In their attempt to stop them, Chase and Rayna find themselves in the middle of the Circle's plan, leaving one of them to decide what their friendship is worth, and the other's life depending on it.

Slow Burn: Firestorm, Book 10 - Bobby Adair 2021-05-26

Fourteen years have passed since the virus ripped through the global population, crushing the modern world and leaving the cities crawling with the infected. The immune who survived the violence of the collapse fled to remote havens like Balmorhea, a tiny town in the desert of far West Texas. There, a few hundred normals made a go of it, building walls, farming the dry dirt, and learning to thrive together. With them, Zed and Murphy, survivors of the infection are different but still human. Distrusted and despised because of what they are, they're still the first to fight when the hordes maraud out of the wastes. Now, a new menace is lurking beyond the horizon, threatening to destroy everything they've built. Will they survive the savage violence sweeping across the desert, or will they be consumed by the FIRESTORM?

The Monsters Know What They're Doing - Keith Ammann 2019-10-29

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeon Masters*. In the course of a *Dungeons & Dragons* game, a *Dungeon Master* has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

Cthulhu Casebook - William A. Barton 1990-08-01

The "Cthulhu Casebook" contains nine independent adventures set in the 1920s, plus numerous articles and aids generating many other plots. Certain portions of this book are easily included in ongoing tales -- "The Mauretania" can expand any ocean voyage; "The Asylum" can make exciting an otherwise uneventful institutionalization; "The Auction" can be used to introduce various artifacts to aid or hinder the investigators. Other sections contain full independent adventures playable by themselves or useful in filling gaps between campaigns or as subplots within current story lines.

The Book of the Dead - John Skipp 1989

Blood-draining tales by horror masters--including Stephen King, Robert McCammon, Ramsey Campbell, and David Schow--conjure the heinous deeds of the vengeful living dead, in a collection of *Zombie stories*

From the Dust Returned - Ray Bradbury 2013-06-25

Ray Bradbury, America's most beloved storyteller, has spent a lifetime carrying readers to exhilarating and dangerous places, from dark street corners in unfamiliar cities and towns to the edge of the universe. Now, in an extraordinary flight of the imagination a half-century in the making, he takes us to a most wondrous destination: into the heart of an Eternal Family. They have lived for centuries in a house of legend and mystery in upper Illinois -- and they are not like other midwesterners. Rarely encountered in daylight hours, their children are curious and wild; their old ones have survived since before the Sphinx first sank its paws deep in Egyptian sands. And some sleep in beds with lids. Now the house is being readied in anticipation of the gala homecoming that will gather together the farflung branches of this odd and remarkable family. In the past-midnight stillness can be detected the soft fluttering of Uncle Einar's wings. From her realm of sleep, Cecy, the fairest and most special

daughter, can feel the approach of many a welcome being -- shapeshifter, telepath, somnambulist, vampire -- as she flies high in the consciousness of bird and bat. But in the midst of eager anticipation, a sense of doom pervades. For the world is changing. And death, no stranger, will always shadow this most singular family: Father, arisen from the Earth; Mother, who never sleeps but dreams; A Thousand Times Great Grandmère; Grandfather, who keeps the wildness of youth between his ears. And the boy who, more than anyone, carries the burden of time on his shoulders: Timothy, the sad and different foundling son who must share it all, remember, and tell...and who, alone out of all of them, must one day age and wither and die. By turns lyrical, wistful, poignant, and chilling, *From the Dust Returned* is the long-awaited new novel by the peerless Ray Bradbury -- a book that will surely be numbered among his most enduring masterworks.

Fake Warriors - Henry Mark Holzer 2003

Fake Warriors lays bare a national scandal: the shocking story of countless men of the Vietnam War era who falsify their military service. Their motives vary from seeking unearned glory at the expense of authentic heroes, to more tangible benefits like defrauding the V.A. and stealing money from impressionable women. This book will enable every patriotic American who appreciates the contributions of those who serve their country honorably to identify and expose fake warriors in their midst as well as to help bring about their long overdue punishment.

Closure, Limited - Max Brooks 2012

Set in the same terrifying universe as his million-seeling *World War Z*, 'Closure, Limited' is among the short stories found within this collection. In it, Max interviews the head of a company dedicated to finding emotional closure for survivors of the zombie attackers.

Accounting for Inventory - Steven M. Bragg 2015-11-02

The inventory asset is difficult to track and assign a cost to, and so represents a significant source of financial statement errors. Accounting for Inventory presents every issue that the accountant needs to create and maintain a comprehensive system of inventory accounting. Topics covered include inventory counting systems, cost layering, standard costing, overhead allocation, the lower of cost or market rule, disclosures, transfer pricing, budgeting, measurements, and much more.

The Summer I Died - Ryan Thomas 2017-09-22

The cult thriller novel is back in this all new edition which features the original text as it was meant to be published! Dubbed one of "The Most Intense Horror Novels" ever written by many horror review sites, *The Summer I Died* is the first book in the Roger Huntington saga and soon to be a major motion picture. When Roger Huntington comes home from college for the summer and is met by his best friend, Tooth, he knows they're going to have a good time. A summer full of beer, comic books, movies, laughs, and maybe even girls. The sun is high and the sky is clear as Roger and Tooth set out to shoot beer cans at Bobcat Mountain. Just two friends catching up on lost time, two friends thinking about their futures . . . two friends suddenly thrust into the middle of a nightmare. Forced to fight for their lives against a sadistic killer with an arsenal of razor sharp blades and a hungry dog by his side. If they are to survive, they must decide: are heroes born, or are they made? Or is something more powerful happening to them? And more importantly, how do you survive when all roads lead to death? "A tense, bloody ride!" - Brian Keene, author of *The Rising* "If you want to freak yourself out on your next camping trip, you can't really do any better than *The Summer I Died*." - BloodyDisgusting.com

Bad Games - Jeff Menapace 2013-02-22

The Lambert Family is heading to Crescent Lake, a rural cabin community in western Pennsylvania, for an idyllic weekend getaway. Some fishing, some barbecue, some games ... The Fannelli brothers are heading to Crescent Lake too. Some stalking, some kidnapping, some murder, definitely some games ... though not necessarily the type of games the Lamberts had in mind. But it doesn't matter. The Lamberts are going to play whether they like it or not.

Black Tide Rising - John Ringo 2016-06-07

TOP NAME WRITERS ENTER THE REALM OF JOHN RINGO'S BLACK TIDE RISING ZOMBIE APOCALYPSE SERIES! A collection of all-original stories set in the Black Tide Rising series of novels created by multiple New York Times best-selling author John Ringo. Stories by John Ringo, Eric Flint, John Scalzi & Dave Klecha, Sarah A. Hoyt, Jody Lynn Nye, Michael Z. Williamson and more. The news that humanity had been dreading for ages had come true. Zombies are real. Worst of all, we created them. The apocalypse was upon us, and every man, woman and child had to answer a simple question of themselves: "What do we do now?" For a group of neighbors in the Chicago suburbs of Northern Indiana, it was "work together or die"...and figure out how to live on top of oil storage tanks to keep the zombies at bay. For the Biological Emergency Response Teams in New York City, it was "how long can we fight off the infected before it's too late" . . . as well as having to fight other groups all out to claim a dwindling stock of supplies and safety. And for a group of cheerleaders, it was about the end of their world. And about what happens when you get a group of physically fit young women really, really angry. Featuring original stories from some of the brightest stars in the science fiction universe: John Ringo; Eric Flint, John Scalzi & Dave Klecha, Sarah A. Hoyt, Jody Lynn Nye, Michael Z. Williamson, Kacey Ezella—cheerleading coach, veteran, and helicopter pilot—and more. At the publishers request, this title is sold without DRM (Digital Rights Management). About *Black Tide Rising*: "Set in Ringo's "Black Tide Rising" zombie apocalypse universe, these 12 stories by Eric Flint, John Scalzi and Dave Klecha, Sarah A. Hoyt, Jody Lynn Nye, Michael Z. Williamson, and other authors ponder events that might arise when humans discover that zombies are real. Emotions outweigh common sense, as one woman searches for the zombie who killed her family. When the infected reach a tipping point in a Denver hospital in Hoyt's story, a group of medical workers and patients must decide if "Do No Harm" actually applies. Williamson's "How Do You Solve a Problem Like Grandpa?" shows what happens when a family's eccentric doomsayer patriarch is correct. In Mike Massa's "Battle of the BERTs," competing Biological Emergency Response Teams in New York ascend as the new mafia—with the infected as their trade. And finally, Ringo's "The Meaning of Freedom" has experts around the world determining that a large percentage of the infected are no longer carriers but survivors. VERDICT This anthology broadens Ringo's Black Tide world, serving up doses of humanity amid the ravenous afflicted. Comedy has a place in this harsh reality, and these stories stir adventure and emotion at a frantic clip throughout. Zombie fiction fans will be thrilled."—KC About the Black Tide Rising Series: "Not only has Ringo found a mostly unexplored corner of the zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it's the human story that keeps us

involved. A fine series."—Booklist About *Under a Graveyard Sky*: "Ringo combines humor and horror in this strong series debut, the thinking reader's zombie novel."—Publishers Weekly About John Ringo: "[Ringo's work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse."—Library Journal ". . . Explosive. . . fans. . . will appreciate Ringo's lively narrative and flavorful characters."—Publishers Weekly ". . . practically impossible not to read in one sitting . . . exceedingly impressive . . . executed with skill, verve, and wit."—Booklist "Crackerjack storytelling."—Starlog BLACK TIDE RISING SERIES: *Under a Graveyard Sky* To Sail a Darkling Sea Islands of Rage and Hope Strands of Sorrow

The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Penguin Book of the Undead - Scott G. Bruce 2016-09-27

The walking dead from 15 centuries haunt this compendium of ghostly visitations through the ages, exploring the history of our fascination with zombies and other restless souls. Since ancient times, accounts of supernatural activity have mystified us. Ghost stories as we know them did not develop until the late nineteenth century, but the restless dead haunted the premodern imagination in many forms, as recorded in historical narratives, theological texts, and personal letters. *The Penguin Book of the Undead* teems with roving hordes of dead warriors, corpses trailed by packs of barking dogs, moaning phantoms haunting deserted ruins, evil spirits emerging from burning carcasses in the form of crows, and zombies with pestilential breath. Spanning from the Hebrew scriptures to the Roman Empire, the Scandinavian sagas to medieval Europe, the Protestant Reformation to the Renaissance, this beguiling array of accounts charts our relationship with spirits and apparitions, wraiths and demons over fifteen hundred years, showing the evolution in our thinking about the ability of dead souls to return to the realm of the living—and to warn us about what awaits us in the afterlife. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

The Zombie Stories of H. P. Lovecraft - H. P. Lovecraft 2015-06-29

"A fantastic anthology by the true master of horror fiction. Highly recommended." — Book Nutter's Book Reviews "This is an excellent collection of Lovecraft's 'zombie' stories, which serves both as a treat to old fans and a sampler to people who haven't read Lovecraft before. I would highly recommend this collection." — Of Stacks and Cups Joyce Carol Oates, Stephen King, and other experts on horror fiction deem H. P. Lovecraft the master teller of weird tales. These six chilling stories — all published between 1921 and 1933 — offer compelling journeys into the land of the undead. The collection begins with "The Outsider," the tale of a recluse whose overwhelming loneliness emboldens him to seek out human contact. Subsequent stories include "Herbert West—Reanimator," written as a satire of Frankenstein and used as the source for a popular horror film; "In the Vault," in which an undertaker experiences supernatural revenge; "Cool Air," an account of a doctor's fanatical obsession with defying death; and "Pickman's Model," focusing on an artist's gallery of nightmares. "The Thing on the Doorstep" concludes the compilation with the compelling tale of a man whose body is preyed upon by a spirit that refuses to die. "Highly recommended. A great way to re-animate Lovecraft's standing as a master of the horror genre." —Looking for a Good Book "A delightfully horrific collection of tales that will thrill any horror fan!" — A Universe in Words

Z: Zombie Stories - J. M. Lassen 2011-09-01

When the zombie apocalypse comes, it's not just those crusty old folks who will struggle against the undead, it's the young people. What happens when you come of age during the zombie apocalypse? Z: Zombie Stories has the answer to that question. Z: Zombie Stories gathers together some of the hottest zombie fiction of the last two decades, from authors including Kelly Link, Jonathan Maberry, and Catherynne M. Valente. These stories focus on those who will inherit a world overrun with the living dead: a young man who takes up the family business of dealing with the undead, a girl struggling with her abusive father...who has become a zombie, a poet who digs up the wrong grave, and a Viking maiden imprisoned with the living dead... Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
